Captured taken from her beloved family and woods, Aria's biggest fear is not the imminent death facing her but that she will be chosen as a blood slave for a member of the ruling vampire race. No matter what becomes of her, though, Aria knows that she must keep her identity hidden from the monsters imprisoning her. That all changes when Braith claims her as his. Book 2: Renegade. Free of the palace, rescued from her position as a blood slave, Aria is haunted by the memories of her time spent within the fortress, tormented by memories of Braith, the prince that betrayed her and shattered her heart. Stunned by Braith's sudden arrival in her world, Arianna is uncertain if he has come to recapture her or to kill her for daring to escape. Book 3: Refugee. Horror stories abound about The Barrens. Aria is fearful of entering into the land she's heard nothing but cautionary tales about, but she's determined to help Braith locate vampires that may help them with their cause. The more immersed they become in The Barrens, the more she realizes that it won't be the war or even the king that will eventually tear her and Braith apart. It will be her. Book 4: Salvation. Imprisoned by Caleb and at the mercy of the king, Aria is determined not to let them break her. Tormented by the loss of Braith, she is forced to choose between his need to rescue her and the impending rebel war he's been chosen to lead. A war that all of them will fight but not all of them will survive. Book 5: Redemption. Growing up in the small town of Chippman, Hannah had long ago accepted the fact that she would never leave it. When Jack walks into her life and turns it upside down, she quickly realizes that not everything is what she'd believed it to be. Knowing that Jack will reject her if he learns the truth about her, Hannah struggles to fight her growing attraction to him. The Captive Series Prequel: Broken. In The Captive Series, the vampire king that decimated the world was introduced; now it's time to meet the man that existed before he became a tyrannical king. At twenty-five, Atticus is a prince amongst his kind. The life of luxury he's always known is about to change. With his life shattered, he is left with only one realization: Sometimes what rises from the ashes of a broken man is a monster. Book 6: Vengeance. Driven by a burning need for vengeance, William sets out in search of the man who ended his mortal life.
