

BLOOD SISTERS

THE FRENCH
REVOLUTION
IN WOMEN'S
MEMORY

MARILYN YALOM

'Yalom breathes life into these women memoirists and weaves their miniature epics of personal survival into the larger pageant of French history.'

A wonderful book.
—GAIL SIMON, author
of *The Silent Passage*

Blood Sisters The French Revolution In Womens Memory

Peter McPhee

Blood Sisters The French Revolution In Womens Memory:

Blood Sisters Marilyn Yalom, 1993-08-03 The promises of liberty equality and fraternity did not extend to women but with the publication of Blood Sisters the voices of the women who witnessed the French Revolution are finally restored to history They left us an invaluable legacy some eighty accounts of what they saw and experienced These chronicles range from the sixteen page testimonial of the Widow Bault wife of the concierge in Marie Antoinette s prison to the ten volume memoirs of the prolific writer Mme de Genlis from the dictated life story of an illiterate peasant to acknowledged classics by Mme Roland and Mme de Stael No other literature in the Western world offers such an early treasury of women recording their personal histories within the context of a great political cataclysm Their stories describe how they participated individually and collectively in the revolutionary saga and how they sometimes succeeded in manipulating a political system designed to exclude them Whatever their political loyalties the women saw themselves as victims and their accounts document the connection between gender and victimization Yet they did not accept their victimization passively The memoirists of Blood Sisters portray themselves as active participants cheering the Revolution on its course or more frequently resisting it Marilyn Yalom singles out those who authored the most unforgettable chronicles the governess of the royal children the servant attending Marie Antoinette in her last days Robespierre s sister Charlotte the peasant woman from the Vendee who fought as a soldier and of course Mme Roland whose autobiography has enchanted readers for centuries Aristocrats and bourgeois women royalists and republicans even the few peasant and working class women who left accounts of their experiences all were bound together by a common nightmare These compelling human dramas moving accounts of survival on the cusp of catastrophe add suffering faces to the canvas of lofty thinkers and fiery orators who dominate the historiography of the Revolution They tell us what it was like to suffer a miscarriage as the result of a street demonstration to choose between nursing a baby and following a husband to war to resist jailers demands for sexual favors A tragic note prevails the sense of having survived when so many others perished often produced what we might now call survivor s guilt Their testimonies Yalom argues spring from an inner urgency to bear witness for those who were sacrificed on the revolutionary altar Their writings eloquently attest to the human costs of radical social change

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Literate Women and the French Revolution of 1789 ,1994 The Sentimental Theater of the French Revolution Cecilia Feilla, 2016-03-03 Smoothly blending performance theory literary analysis and historical insights Cecilia Feilla explores the mutually dependent discourses of feeling and politics and their impact on the theatre and theatre audiences during the French Revolution Remarkably the most frequently performed and popular plays from 1789 to 1799 were not the political action pieces that have been the subject of much literary and historical criticism but rather sentimental dramas and comedies many of which originated on the stages of the Old Regime Feilla suggests that theatre provided an important bridge from affective communities of sentimentality to active political

communities of the nation arguing that the performance of virtue on stage served to foster the passage from private emotion to public virtue and allowed groups such as women children and the poor who were excluded from direct political participation to imagine a new and inclusive social and political structure Providing close readings of texts by among others Denis Diderot Collot d Herbois and Voltaire Feilla maps the ways in which continuities and innovations in the theatre from 1760 to 1800 set the stage for the nineteenth century Her book revitalizes and enriches our understanding of the significance of sentimental drama showing that it was central to the way that drama both shaped and was shaped by political culture

The French Revolution Harold Behr, 2014-11-01 This is the story of the French Revolution told from a psychological and group dynamic perspective The aim is to throw light on the workings of the revolutionary mind and the emotions at work in society which pave the way towards revolution and war Louis XVI and Marie Antoinette are presented as a couple trapped by the symbolism invested in them a circumstance that turned them into scapegoats The contrasting personalities of the two most controversial leaders of the Revolution Robespierre and Danton provide psychologically informed explanations of their success and failure as leaders The group perspective the nature of crowd behaviour and mob violence links to the complex relationship between leaders and groups In the Parisian case of 1789 group emotions fear rage euphoria and fervour influenced the course of the Revolution The assassination of Marat and the struggle to the death between the extremists of the Left and the Moderates is a classic study in group paranoia culminating in a Reign of Terror destined to end in self destructive violence The conflict between the Revolution and the Church as an expression of belief in an ideal society led to a battle for the minds of a people facing two incompatible ideologies The French Revolution was an important milestone in western social and political development It carried within itself the seeds of a humane society but turned into murder and execution The dichotomies arising echo down the generations The same split in our thinking applies to how we view today's social upheavals and conflicts conflicts of opposing mythologies with their psychological overtones interpreted as political doctrines as evinced currently in Russia's territorial claims to Eastern Ukraine Islamic fundamentalist wars and the Israeli-Palestinian conflict Hope lies in the application of therapeutic principles garnered from the field of group dynamics

France and Women, 1789-1914 James McMillan, Professor James F Mcmillan, 2002-01-08 France and Women 1789 1914 is the first book to offer an authoritative account of women's history throughout the nineteenth century James McMillan author of the seminal work *Housewife or Harlot* offers a major reinterpretation of the French past in relation to gender throughout these tumultuous decades of revolution and war This book provides a challenging discussion of the factors which made French political culture so profoundly sexist and in particular it shows that many of the myths about progress and emancipation associated with modernisation and the coming of mass politics do not stand up to close scrutiny It also reveals the conservative nature of the republican left and of the ingrained belief throughout French society that women should remain within the domestic sphere James McMillan considers the role played by French men and women in the politics

culture and society of their country throughout the 1800s

The Real Story of the French Revolution Mike Wells, 2024-07-31 A look at the leading figure in the Haitian Revolution Toussaint Louverture challenging myths and exploring the vivid often horrifying events of colonial history The French Revolution was a period of radical political and societal change in the eighteenth century Everyone knows about the guillotine and the grisly processions of tumbrils but less is generally appreciated about the much greater violence in provincial France This book examines the beliefs and assumptions about the French Revolution which have become popularised in films and novels but also accepted in standard accounts to see if they stand up to scrutiny There is no attempt to deny the intense drama of the whole revolutionary period but rather to separate myth and reality There are chapters on the development of the constitutional monarchy and its failure and also on the tragic period of the Terror which for many is the most characteristic period The role of women in this period is one of huge turmoil as well as the impact of the Revolution on the French colonies and in particular Saint Domingue in the West Indies This book looks at the leading figure in the Haitian Revolution Toussaint Louverture with some myths being challenged and attempts to reach a realistic judgement as well as exploring some of the vivid if at times horrifying events of this key part of the history of colonialism It includes a critical look at commonly held beliefs about the Revolution and its aftermath It is also an account of many of the highly colorful and dramatic events and personalities for those who want to get beneath the surface of one of the most absorbing periods of history The range of extraordinary people in the Revolution has led to many fictional accounts and we look at many of their lives but also at the way that a period of intense belief impacted ordinary people with often tragic results It really was the best of times and the worst of times

'Eugénie et Mathilde, ou Mémoires de la famille du Comte de Revel', by Madame de Souza Kirsty Carpenter, 2014-06-25 Madame de Souza was an eighteenth century political journalist of undisputed talent She did not fear to accuse religion of falsely justifying intolerant political attitudes or using indoctrination for little human gain She dared to show that this achieved immediate social dislocation and in the long term grief and financial dysfunction Eugénie et Mathilde which documents revolutionary decisions made in Emigration and the irrevocable futility of losing family home rank and property in war fully reflects her approach It is a complex and compelling story of one family and its experience of 1789 1797 the years of exile during the French Revolution Heart rending decisions forced departures capital punishment and death of loved ones make the novel as topical now as it was on the eve of Napoleon's Russian Campaign Souza's plea for tolerance fraternity and compromise on the part of the State and its enemies has a relevance that stretches out to the 21st Century her message to include women in politics and not to make them suffer the unnecessary death of fathers husbands children and friends is even more current This edition lifts the veil on a literary form of anti sentimental romance or the art of making historically accurate accounts masquerade as fiction That more than anything else was Madame de Souza's forte

Robespierre Peter McPhee, 2012-03-13 For some historians and biographers Maximilien Robespierre 1758 94 was a great revolutionary martyr who succeeded in

leading the French Republic to safety in the face of overwhelming military odds For many others he was the first modern dictator a fanatic who instigated the murderous Reign of Terror in 1793 94 This masterful biography combines new research into Robespierre s dramatic life with a deep understanding of society and the politics of the French Revolution to arrive at a fresh understanding of the man his passions and his tragic shortcomings Peter McPhee gives special attention to Robespierre s formative years and the development of an iron will in a frail boy conceived outside wedlock and on the margins of polite provincial society Exploring how these experiences formed the young lawyer who arrived in Versailles in 1789 the author discovers not the cold obsessive Robespierre of legend but a man of passion with close but platonic friendships with women Soon immersed in revolutionary conflict he suffered increasingly lengthy periods of nervous collapse correlating with moments of political crisis yet Robespierre was tragically unable to step away from the crushing burdens of leadership Did his ruthless uncompromising exercise of power reflect a descent into madness in his final year of life McPhee reevaluates the ideology and reality of the Terror what Robespierre intended and whether it represented an abandonment or a reversal of his early liberalism and sense of justice

Stranded in the Present Peter Fritzsche, 2010-04-10 In this inventive book Peter Fritzsche explores how Europeans and Americans saw themselves in the drama of history how they took possession of a past thought to be slipping away and how they generated countless stories about the sorrowful eventful paths they chose to follow In the aftermath of the French Revolution contemporaries saw themselves as occupants of an utterly new period Increasingly disconnected from an irretrievable past worried about an unknown and dangerous future they described themselves as indisputably modern To be cast in the new time of the nineteenth century was to recognize the weird shapes of historical change to see landscapes scattered with ruins and to mourn the remains of a bygone era Tracing the scars of history writers and painters revolutionaries and exiles soldiers and widows and ordinary home dwellers took a passionate even flamboyant interest in the past They argued politics wrote diaries devoured memoirs and collected antiques all the time charting their private paths against the tremors of public life These nostalgic histories take place on battlefields trampled by Napoleon along bucolic English hedges against the fairytale silhouettes of the Grimms beloved Germany and in the newly constructed parlors of America s western territories This eloquent book takes a surprising completely original look at the modern age our possessions our heritage and our newly considered selves

The King's Midwife Nina Rattner Gelbart, 2023-04-28 This unorthodox biography explores the life of an extraordinary Enlightenment woman who by sheer force of character parlayed a skill in midwifery into a national institution In 1759 in an effort to end infant mortality Louis XV commissioned Madame Anglique Marguerite Le Boursier du Coudray to travel throughout France teaching the art of childbirth to illiterate peasant women For the next thirty years this royal emissary taught in nearly forty cities and reached an estimated ten thousand students She wrote a textbook and invented a life sized obstetrical mannequin for her demonstrations She contributed significantly to France s demographic upswing after 1760 Who was the woman both the private self and the pseudonymous

public celebrity Nina Rattner Gelbart reconstructs Madame du Coudray's astonishing mission through extensive research in the hundreds of letters by to and about her in provincial archives throughout France. Tracing her subject's footsteps around the country, Gelbart chronicles du Coudray's battles with finance ministers, village matrons, local administrators, and recalcitrant physicians; her rises in power and falls from grace; and her death at the height of the Reign of Terror. At a deeper level, Gelbart recaptures du Coudray's interior journey as well by questioning and dismantling the neat paper trail that the great midwife so carefully left behind. Delightfully written, this tale of a fascinating life at the end of the French Old Regime sheds new light on the histories of medicine, gender, society, politics, and culture. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1998. This unorthodox biography explores the life of an extraordinary Enlightenment woman who, by sheer force of character, parlayed a skill in midwifery into a national institution. In 1759, in an effort to end infant mortality, Louis XV commissioned Madame An

Eventually, you will enormously discover a additional experience and carrying out by spending more cash. still when? get you assume that you require to get those every needs considering having significantly cash? Why dont you attempt to acquire something basic in the beginning? Blood Sisters The French Revolution In Womens Memory Introduction

Blood Sisters The French Revolution In Womens Memory Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Blood Sisters The French Revolution In Womens Memory Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Blood Sisters The French Revolution In Womens Memory : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Blood Sisters The French Revolution In Womens Memory : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Blood Sisters The French Revolution In Womens Memory Offers a diverse range of free eBooks across various genres. Blood Sisters The French Revolution In Womens Memory Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Blood Sisters The French Revolution In Womens Memory Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Blood Sisters The French Revolution In Womens Memory, especially related to Blood Sisters The French Revolution In Womens Memory, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Blood Sisters The French Revolution In Womens Memory, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Blood Sisters The French Revolution In Womens Memory books or magazines might include. Look for these in online stores or libraries. Remember that while Blood Sisters The French Revolution In Womens Memory, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Blood Sisters The French Revolution In Womens Memory eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide

excerpts or short stories for free on their websites. While this might not be the Blood Sisters The French Revolution In Womens Memory full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Blood Sisters The French Revolution In Womens Memory eBooks, including some popular titles.

FAQs About Blood Sisters The French Revolution In Womens Memory Books

What is a Blood Sisters The French Revolution In Womens Memory PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Blood Sisters The French Revolution In Womens Memory PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Blood Sisters The French Revolution In Womens Memory PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Blood Sisters The French Revolution In Womens Memory PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Blood Sisters The French Revolution In Womens Memory PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these

restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
