## **Blood Of Adam Generations Of Noah Volume 1:**

The Long Ascent, Volume 1 Robert Sheldon, 2017-06-27 The first eleven chapters of Genesis Adam Eve Noah are to the twenty first century what the Virgin Birth was to the nineteenth century an impossibility A technical scientific exegesis of Gen 1 11 however reveals not only the lost rivers of Eden and its location but the date of the Flood the length of the Genesis days and the importance of comets in the creation of the world These were hidden in the Hebrew text now illuminated by modern cosmology archaeology and biology The internet friendly linguistic tools described in this book make it possible to resolve the mysterious firmament to decipher the bird of the air and to find the dragonflies of chapter 1 Ancient Egyptian Greek Norse Sumerian and Sanskrit mythology are all found to support this new interpretation of Genesis Combining science myth and the Genesis accounts together paints a vivid picture of the genetic causes and consequences of the greatest Flood of the human race It also draws attention to the acute peril our present civilization faces as it follows the same path as its long forgotten antediluvian ancestors Discover why Genesis has never been so possible so relevant as it is today *New Evidence for Two Human Origins* Gary T. Mayer, 2007-01-29 The subject of human origins is a topic that not only feeds our curiosity it also offers to be a topic that can bring us greater meaning to our lives It has been assumed by many scientists and biblical scholars that the human race emerged from a single nucleus Could this have been a wrong assumption New evidence has come to light indicating that Adam and Eves descendants married into an existing race Where did this existing race come from When and where did these two races merge This book provides a thesis which answers all these questions and in so doing harmonizes the teaching of the Bible and the true teachings of science **God's Divine Plan for Humanity Vol. 1** Felix Wantang, 2023-01-31 This book is Volume 1 of God's Divine Plan for Humanity series You are a very important part of God's divine plan for humanity God wants to draw you closer to him and bring you to that place where you reach the full potential of your life far beyond your imaginable dreams When you read this book you will never look at your life and the world the same again you will start to see the world and understand the Bible better than ever before This book will take you to God's creative library step by step to unveil the mysteries of God's plan for humanity using the language of heaven The knowledge you gather from this book will draw you closer to God just like Abraham Isaac Jacob Joseph Moses David and Joshua all used the secret of the language of heaven to draw closer to God and fearlessly fight the spiritual forces of this sinful world Learn the hidden secrets of the supernatural language of heaven and see the world through the eyes of the author of life Jesus Christ When you look at the world do you believe there is something seriously wrong with the whole system Do you believe there is something not natural that for some inexplicable reason is holding humanity hostage You can analyze it from all political angles but the truth is the world is controlled by supernatural spiritual forces and unless you understand what it is and how it operates you will remain a slave to the system The Bible teaches in Psalm 24 1 2 that God owns the world and everything in it If God owns it all then he is in absolute control and God has the tools to set you free from

the satanic forces of this sinful world The battles we face in this world are not natural Any attempt to use natural weapons to fight these battles is a big mistake you cannot use natural weapons to fight a supernatural battle When you believe the enemy and look at life through the eyes of the enemy you become engulfed and enslaved by the enemy but when you believe in Jesus and look at life through the eyes of Jesus you will ultimately become united to Jesus In life what you believe determines what you see The battle is in your mind The choice is yours In this world you will have trouble But take heart I have overcome the world John 16:33
