As the world races toward its momentous end times encounter between good and evil known in the Bible as Armageddon a deepening antagonism is developing worldwide against conservative Christians According to a 2014 Pew Research Center report this hostility now includes the United States which elevated from the lowest category of government restrictions on Christian expressions as of mid 2009 to an advanced category in only the last three years This trend may point to one of the most overlooked aspects of Bible prophecy a war that ultimately pits born again believers against religious Christians The inspired texts themselves say a time is coming when whosoever killeth you true Christians will think that he doeth God service In Matthew 24 9 Jesus further warned Then shall they deliver you up to be afflicted and shall kill you and in the book of Revelation it describes this era as when Antichrist will have power to make war with the saints and to overcome them Rev 13 7 Dan 7 21 All this unfolds as a False Prophet emerges a final global superchurch leader that causes as many as would not worship the image of the beast should be killed Rev 13 15     The Impending Midnight Cry Befekadu Admassu, 2019-12-17

The world is in great turmoil Nuclear cataclysm is a real and present danger and the talk of a third world war has become all too common even among the most influential personalities Political instability is shaking the great nations that once claimed to be bastions of democracy and rule of law Geopolitical rivalry among the superpowers is ripping apart the institutions that ensured relative peace and stability around the globe for the past several decades Moral decline is destroying the nuclear family and the fabric of society particularly in the once Christian West as more people abandon faith and traditional family values Paradoxically we also live in the most technologically advanced age that humanity has ever seen We have the highest level of material wealth information and knowledge governments global and regional organizations schools universities and research centers hospitals doctors and experts in every field of knowledge We have by far the fastest efficient cost effective and convenient means of communication travel production and distribution as well as health care and entertainment than even our most recent progenitors And yet we are becoming more cruel to each other Our leaders want to take us somewhere but they themselves do not know the destination There appears to be a broad realization that the world is not going in the right direction Many are the calls for change of course and diverse the propositions for direction Are we humans left to our own devices to extricate ourselves from the quagmire into which we have fallen Are we condemned to endless failure Is there a hope for us as individuals families communities and nations The Jewish prophets of old who penned the books of the Bible not only foresaw the storms that would billow throughout the many millennia that followed their times but also assured us of a beautiful and lasting final outcome Their predictions have proved true time and again The most intriguing promise of the prophets was the coming of the Messiah who will rule the world with truth and righteousness The Gospels tell us an even more audacious story that the predictions of the prophets actually came true in the birth of Jesus Christ two thousand years

ago The writers of the New Testament have also penned for us the promises of Jesus of Nazareth the only Son of God to come back at the end of the age to establish God s kingdom Could the turmoil we see today be the very birth pangs that will finally usher in the promised kingdom of God

**Defensive War Proved to be a Denial of Christianity and of the Government of God** Henry Clarke Wright,1846 Biblical Eschatology: Dr. Justin G. Prock,2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emry wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book
