Motherhood and Representation E. Ann Kaplan,2013-07-23 From novels of the nineteenth century to films of the 1990s American culture abounds with images of white middle class mothers In Motherhood and Representation E Ann Kaplan considers how the mother appears in three related spheres the historical in which she charts changing representations of the mother from 1830 to the postmodernist present the psychoanalytic which discusses theories of the mother from Freud to Lacan and the French Feminists and the mother as she is figured in cultural representations in literary and film texts such as East Lynne Marnie and the The Handmaid s Tale as well as in journalism and popular manuals on motherhood Kaplan s analysis identifies two dominant paradigms of the mother as Angel and Witch and charts the contesting and often contradictory discourses of the mother in present day America
