Blue Line Thread Carole Phillips:

Blue Line- Pink Thread Carole Phillips,2015-12 Blue Line Pink Thread provides a fascinating insight into life in the police service from 1969 through to 2000 Carole Phillips recounts true stories of her time as a female officer in Bedfordshire Police before equal opportunities and political correctness the integration of women into front line services and her journey through the ranks to Superintendent Carole writes with humour and sincerity to deliver numerous fascinating accounts including those of her time as a detective and as the first female patrol sergeant 2015 marks one hundred years of British women in policing and Blue Line Pink Thread is not only an excellent read but makes a significant contribution to the social history of that period

Women in Policing Tom Andrews,2024-03-07 The history of policing in Britain is a considerably under researched subject and the advancement of women within that history even more so This book seeks to fill that gap by tracking the progress of women in policing a story that is longer and more complex than perhaps first meets the eye Rather than taking a broad narrative overview of women s progress in the realm of law enforcement this book examines individual experiences within that history It tells women s stories as a representative snapshot of the time in which they policed allowing the reader to understand the wider context whilst taking the time to reflect on those women who have made the ultimate sacrifice in the line of duty Assembled from a collection of experts in the field of police history and the Police History Society this is a must read for anyone with an interest in women s social or policing history in Britain *Threads Magazine* ,2002
