Alfred Kazin's Journals Alfred Kazin,2011-01-01 At the time of his death in 1998 Alfred Kazin was considered one of the most influential intellectuals of postwar America What is less well known is that Kazin had been contributing almost daily to an extensive private journal which arguably contains some of his best writing These journals collectively tell the story of his journey from Brooklyn s Brownsville neighborhood to his position as a dominant figure in twentieth century cultural life To Kazin the daily entry was a psychological and spiritual act To read through these entries is to reexperience history as a series of daily discoveries by an alert adventurous if often mercurial intelligence It is also to encounter an array of interesting and
