Blueprint for a Revolution: Building Upon All of the New Testament - Volume Two Reed K. Merino B.A.

M.Div.,2021-08-31 The Importance Of The Church God s Kingdom Among Men There is no need more urgent on our planet than that apostolic Christianity should be restored Considering the desperate conditions that exist on this planet that is a bold statement indeed Can the establishment of a religious organization really be more important than the resolution of the world s desperate problems Properly understood the answer is a resounding yes You see if the churches were to enter into the Biblical teaching and obedience described in the following chapters she would provide a form of human society within which none of those wretched conditions mentioned above would ever need exist again Hear this Christian Christ in His church is God s solution to all human needs and problems not just its supposedly religious ones The thesis of this book is that within the society of the Church of Christ and only within that divine society there is such a solution a solution that actually used to exist and a solution that God intends to restore When the Kingdom of God is manifested on the earth a visible society is created As created by God the church is that society of regenerated humans who have accepted Jesus as the divinely appointed ruler of the entire race of man Her charter includes a demonstration of how the entire race of humans could function if they yielded to the authority and the Spirit of Jesus His church is the sphere where God s plans for the total man and for every aspect of human society are accomplished Indeed His church is the true form of human society such is her call such is what is necessarily implied in being Christ s body a chosen race a holy nation the people of God *Blueprint for a Revolution: Building Upon All of the New Testament - Volume One* Reed K. Merino B.A. M. Div.,2021-07-23 What if for more than fifty years you worked hard to research the New Testament without denominational filters And then what if you were to organize that research by subject matter Well that is what I have done in these two volumes of *Blueprint for a Revolution Building Upon ALL of The New Testament* What follows is a catechism of apostolic true Christianity It is a body of teaching that flows out of taking all New Testament teachings in a grammatically natural and literal sense the way we instinctively read all serious literature Testimony from the earliest Christians is also presented demonstrating that what those earliest churches taught and lived out was typically identical to what you conclude when you take the New Testament doctrines commands and promises in that same sense In those many years of research I have never come upon a single church or book that provides a specific set of principles a k a exegetical method by which all Biblical passages are to be interpreted and that has then set about to consistently surrender to those principles in all the subjects that it covers My claim therefore is that this is the only such catechetical work that does just that The importance of this book does not lie mainly in the specific conclusions of any individual chapter and certainly not in any of my literally skills at presenting those conclusions It lies largely in the juxtaposition of teachings that are often thought to be in conflict with each other only because the traditions that hold to the beliefs in those chapters have been in conflict with each other It is my contention that what Jesus considered

to be my church is what is taught within these chapters the church that is an incarnation of His kingdom of God Catalog of Copyright Entries. Third Series Library of Congress.
