Bluestown Mockingbird Mambo Sandra Maria Esteves, 1990 In this third collection of verse Esteves takes all of the rhythmic bluesy potential and the women's poetic militancy of previous works and brings them to full resplendent funky bloom blending the oral and literary traditions in a fusion of spiritual blues and women's poetics *Dance Between Two Cultures* William Luis, 2001 Offers insights on Latino Caribbean writers born or raised in the United States who are at the vanguard of a literary movement that has captured both critical and popular interest In this groundbreaking study William Luis analyzes the most salient and representative narrative and poetic works of the newest literary movement to emerge in Spanish American and U S literatures The book is divided into three sections each focused on representative Puerto Rican American Cuban American and Dominican American authors Luis traces the writers origins and influences from the nineteenth century to the present focusing especially on the contemporary works of Oscar Hijuelos Julia Alvarez Cristina Garcia and Piri Thomas among others While engaging in close readings of the texts Luis places them in a broader social historical political and racial perspective to expose the tension between text and context As a group Latino Caribbeans write an ethnic literature in English that is born of their struggle to forge an identity separate from both the influences of their parents culture and those of the United States For these writers their parents country of origin is a distant memory They have developed a culture of resistance and a language that mediates between their parents identity and the culture that they themselves live in Latino Caribbeans are engaged in a metaphorical dance with Anglo Americans as the dominant culture Just as that dance represents a coming together of separate influences to make a unique art form so do both Hispanic and North American cultures combine to bring a new literature into being This new body of literature helps us to understand not only the adjustments Latino Caribbean cultures have had to make within the larger U S environment but also how the dominant culture has been affected by their presence **Life on the Hyphen** Gustavo Pérez Firmat, 2012-04-18 An expanded updated edition of the classic study of Cuban American culture this engaging book which mixes the author's own story with his reflections as a trained observer explores how both famous and ordinary members of the 1.5 Generation Cubans who came to the United States as children or teens have lived life on the hyphen neither fully Cuban nor fully American but a fertile hybrid of both Offering an in depth look at Cuban Americans who have become icons of popular and literary culture including Desi Arnaz Oscar Hijuelos musician P rez Prado and crossover pop star Gloria Estefan as well as poets Jos Kozar and Orlando Gonz lez Esteva performers Willy Chirino and Carlos Oliva painter Humberto Calzada and others Gustavo P rez Firmat chronicles what it means to be Cuban in America The first edition of *Life on the Hyphen* won the Eugene M Kayden National University Press Book Award and received honorable mentions for the Modern Language Association's Katherine Singer Kovacs Prize and the Latin American Studies Association's Bryce Wood Book Award *Latina Performance* Alicia Arrizón, 1999 *Latina Performance* is a densely theorized treatment of rich materials MultiCultural Review Arriz n's important

Candomblé as a source of inspiration for creating portraits of womanhood Within these religious systems binaries that dominate European thought man woman mind body light dark good evil do not function in the same way as the emphasis is not on extremes but on balancing or reconciling these radical differences Involvement with these African diasporic religions thus provides alternative models of womanhood that differ substantially from those found in dominant Western patriarchal culture namely that of virgin asexual wife mother and whore Instead we find images of the sexual woman who enjoys her body without any sense of shame the mother who nurtures her children without sacrificing herself and the warrior woman who actively resists demands that she conform to one dimensional stereotypes of womanhood

Most of the pieces are in English and some are presented bilingually in English and Spanish. A preface and an introduction by the editor and a foreword by the noted critic of Latin American literature Jean Franco serve to contextualize the writers and their work. A primary and secondary bibliography serves as an appendix.
