The development of language cannot be separated from the development of human language. A more developed language may affect the less developed one. Feasting seems to be an inseparable element of peoples especially their collective lives \_\_\_\_ The proposed volume consists of original unpublished texts in which their Authors search for the answers to the following questions How far have we gone astray from the primeval idea of celebrating the feast from understanding tradition in terms of the Romanian historian of religion Mircea Eliade or the French sociologist mile Durkheim Are there still any traditional in its very meaning feasts If not if they are

invented Hobsbawm and Ranger 1983 1992 why are they called traditional What elements have changed and why What has had the greatest impact on celebrating feasts What are the new factors influencing the course of a feast s celebration \_\_\_\_

- 1 Culture and Identity
- 2 Ritual and Cultural Values
- 3 Culture and Policy
