Labyrinth of Universality Hena Maes-Jelinek,2006 The complete sixth series of the BBC comedy sketch show hosted by Ronnie Barker and Ronnie Corbett which in its heyday was as much of a British institution as roast beef and Yorkshire pudding Each programme begins and ends with the pair seated behind a desk reading quick fire news reports In between in a packed programme tonight there are sketches drama serials musical routines and a rambling monologue from Ronnie Corbett before the pair finally sign off with their famous catchphrase It's goodnight from me And it's goodnight from him Goodnight **Modernity as Exception and Miracle** Eduardo Sabrovsky,Eduardo Sabrovsky J.,2020-08-01 Proposes the

extraordinary as a defining characteristic of modernity **Borges, Language and Reality** Alfonso J. García-Osuna,2018-11-23 This book brings together the work of several scholars to shed light on the Argentine author Jorge Luis Borges complex relationship with language and reality A critical assumption driving the work is that there is as Jaime Alazraki has put it a genuine effort to overcome the narrowness that Western tradition has imposed as a master and measure of reality in Borges writing That narrowness is in large measure a consequence of the chronic influence of positivist approaches to reality that rely on empirical evidence for any authentication of what is real This study shows that in opposition to such restrictions Borges saw in fiction in literature the most viable means of discussing reality in a pragmatic manner Moreover by scrutinising several of the author's works it establishes signposts for considering the truly complicated relationship that Borges had with reality one that intimately associates the real with human perception insight and language
