exemplars of the discipline's collective consciousness Through examination of case studies which focus on discrepancies in sexual desire where the man wants more sex and the woman less the book shows how therapists have favoured the man's side The *Etherized Wife* shows how the sex therapy discipline has unintentionally enshrined male sexuality as the model of normal natural healthy sexuality ***Ministering to Twenty-First Century Families*** Dennis Rainey, 2001-06-11 There is nothing traditional about the typical family of the twenty first century and so it follows that ministering to today's families presents an assortment of new challenges Rainey believes that the resources needed by the church to confront and combat family problems do exist and *Ministering to Twenty First Century Families* is a user friendly guide to combating the destruction of the family unit Offering practical solutions and encouraging action Rainey calls for a roll up your sleeves approach to healing weary families ***Church, State, and Family*** John Witte (Jr.), 2019-04-11 Presents a robust defence of the essential place of stable marital families in modern liberal societies ***Clinical Counseling and Psychotherapy*** Bob H.
