Moving Borders Matthew Atencio, Becky Beal, E. Missy Wright, Zane McClain, 2018-12-03 Once considered a kind of delinquent activity skateboarding is on track to join soccer baseball and basketball as an approved way for American children to pass the after school hours With family skateboarding in the San Francisco Bay Area as its focus Moving Borders explores this switch in stance integrating first person interviews and direct observations to provide a rich portrait of youth skateboarders their parents and the social and market forces that drive them toward the skate park This excellent treatise on the contemporary youth sports scene examines how modern families embrace skateboarding and the role commerce plays in this unexpected new parent culture and highlights how private corporations community leaders parks and recreation departments and nonprofits like the Tony Hawk Foundation have united to energize skate parks like soccer fields before them as platforms for community engagement and the creation of social and economic capital

Teacher as Activator of Learning Gayle H. Gregory, 2016-02-11 Flip the Switch How to Get Students Into Learning Mode Now In his well known meta analysis John Hattie suggests that facilitating learning is not as effective or powerful as activating learning In this book Gayle Gregory shows you how to facilitate better and deeper learning Packed with practical strategies that teachers can use every day to increase student achievement you will also discover what educational neuroscience says about nurturing a growth mindset and creating classrooms that support and encourage students to take risks and fail forward Learn how to Foster student dialogue and thinking Orchestrate productive reflective flexible student groups Develop respectful learning relationships between and among students and teachers Teacher competencies and clarity related to student goals and success criteria with quality feedback are essential for student success This resource will enrich learning environments for students and increase the chance of success for all In going from teachers as fount of knowledge to teacher as facilitator the field has overcorrected Gayle Gregory corrects all that with a comprehensive and deep portrayal of the need for teachers to be activators of learning in partnership with students Based on equal measure of research and practice Gregory gives is a compelling set of ideas and tools to maximize student learning and engagement Read it and hit the ground running Michael Fullan Professor Emeritus OISE University of Toronto
