European Economic Governance after the Eurozone and COVID-19 Crises Ioannis Papadopoulos, 2022-02-15 The COVID 19 health crisis came as a tremendous shock to the world and to the EU more particularly only a few years after the Eurozone crisis The pandemic exacerbated the old structural differences in the economic models between the South and the North of Europe However this time the response of the EU was of a completely different nature an impressive array of fiscal and monetary policy instruments was mobilized to counteract the shock of the pandemic and to restore confidence Is there reason to be optimistic in these times of uncertainty This volume explores possible answers to this question bringing together several renowned European intellectuals and experts from the fields of economics law and public policy to offer their thoughts The book will stimulate discussion on the quality of institutions and growth sustainability and contains ideas on the future of Europe and the reorganization of European economic governance It analyzes the basic fiscal and monetary policy tools used by the EU to tackle the Eurozone and COVID 19 pandemic crises Several aspects of the EU Banking Union and possible structural reforms of the banking sector are also discussed as is the role of Credit Rating Agencies as tools of economic prediction

Credit Rating Governance Ahmed Naciri, 2015-01-30 Credit rating agencies play an essential role in the modern financial system and are relied on by creditors and investors on the market In the recent financial crisis their power and reliability were often questioned yet a simple rating downgrade

could threaten to bankrupt a whole country This book examines the governance of credit rating agencies as expressed by their ability to fairly ethically and consistently assign higher rates to issuers having lesser default risks However factors such as the drive for increased revenue and market share the inadequate business model the inadequate methodology of assessing risk opacity and inadequate internal monitoring have all been identified as critical governance failures for credit agencies This book explores these issues and proposes some potential solutions and improvements This will be of interest to researchers and advanced students of corporate finance financial economics risk management investment management and banking

India's Approach to Border Management Pushpita Das, 2022-12-29 This book attempts to provide a comprehensive understanding of the circumstances which have shaped India's approach towards its international borders and the framework it has developed to better manage its borders The book argues that persistence of various cross border threats and challenges and an absence of robust intra regional trade among its neighbouring countries forced India to employ a security centric and unilateral approach to border management with emphasis on hardening the borders to cross border trade and travel and keeping the border areas underdeveloped to act as a buffer against external conventional threats Besides discussing the threats and challenges that India faces along the borders the book aims to develop an understanding of India's border management practices by analysing various programmes and initiatives such as the raising of border guarding forces building of physical and electronic fences the establishment of modern facilities for smoothening legitimate cross border travel the development of the border areas through special programmes and increasing trade and connectivity as well as other cooperative bilateral mechanisms Print edition not for sale in South Asia India Sri Lanka Nepal Bangladesh Pakistan and Bhutan

Greek Tragedy, European Odyssey: The Politics and Economics of the Eurozone Crisis Robert Godby, Stephanie Anderson, 2016-04-18 Debate among politicians and academics alike vacillates as to whether the euro is the crowning achievement of a half century of European integration efforts or now constitutes a force that threatens to drive European Union member states apart This book introduces both the political and economic forces at play in the eurozone crisis that have shaped this debate and changed the face of European integration

The European External Action Service and National Foreign Ministries Rosa Balfour, Caterina Carta, Kristi Raik, 2016-02-11 Based on extensive empirical work by a cross European group of researchers this book assesses the impact of the creation of the European External Action Service EEAS on the national foreign policy making processes and institutions of the EU member states As such the contributions cover both the involvement of the national diplomatic and foreign policy actors in shaping the outlook of the EEAS and its mission as well as the changes or not it has produced for those actors of the member states The analysis draws in theoretical frameworks from Europeanization and socialization but also from intergovernmental frameworks of policy making within the European Union An introduction by the editors outlines the issues and trends examined in the book and establishes the theoretical and methodological framework Split into 2 sections Part I EEAS and national diplomacies as
