Combating Methamphetamine Proliferation in America United States. Congress. Senate. Committee on the Judiciary, 2000 Policing Methamphetamine William Campbell Garriott, 2011-03-07 In its steady march across the United States methamphetamine has become to quote former Attorney General Alberto Gonzales the most dangerous drug in America As a result there has been a concerted effort at the local level to root out the methamphetamine problem by identifying the people at its source those known or suspected to be involved with methamphetamine Government sponsored anti methamphetamine legislation has enhanced these local efforts formally and informally encouraging rural residents to identify meth offenders in their communities Policing Methamphetamine shows what happens in everyday life and to everyday life when methamphetamine becomes an object of collective concern Drawing on interviews with users police officers judges and parents and friends of addicts in one West Virginia town William Garriott finds that this overriding effort to confront the problem changed the character of the community as well as the role of law in creating and maintaining social order Ultimately this work addresses the impact of methamphetamine and more generally the war on drugs on everyday life in the United States Methamphetamine Abuse , 1991 *Forensic Investigation of Clandestine Laboratories* Donnell R. Christian, Jr., 2003-07-28 Clandestine lab operators are not the mad scientists whose genius keeps them pent up in the laboratory contemplating elaborate formulas and mixing exotic chemicals In fact their equipment is usually simple their chemicals household products and their education basic Most of the time the elements at the scene are perfectly legal to sell and own It is only in the combination of all these elements that the lab becomes the scene of a criminal operation Forensic Investigation of Clandestine Laboratories guides you step by step through the process of recognizing these illegal manufacturing operations Then it shows you how to prove it in the courtroom In non technical language this book details How to recognize a clandestine lab How to process the site of a clandestine lab How to analyze evidence in the examination laboratory What to derive from the physical evidence How to present the evidence in court The identification and investigation of a clandestine lab and the successful prosecution of the perpetrators is a team effort A collaboration of law enforcement forensic experts scientists and criminal prosecutors is required to present a case that definitively demonstrates how a group of items with legitimate uses are being used to manufacture an illegal controlled substance Providing an understanding of how the pieces of the clandestine lab puzzle fit together this book outlines the steps needed to identify and shut down these operations as well as successfully prosecute the perpetrators *The Methamphetamine Crisis* Herbert C. Covey, 2007 Offers a comprehensive overview of the methamphetamine crisis in America discussing the drug s makeup devastating impact on users health and addictive qualities as well as what communities and the government are doing to stop its distribution and manufacture **Secrets of Methamphetamine Manufacture** Fester (Uncle.), Fester, 2002 This title is out of print as of 03 02 2005 A new revised and updated edition Secrets of Methamphetamine Manufacture 7th Edition will
