Virtual Destruction Kevin J. Anderson, Doug Beason, 1996-03-01 At the Lawrence Livermore National Laboratory in California one of the nation's premier nuclear weapons design facilities high level physicists operate within heavy security to model and test new warhead designs But politics can be just as dangerous as the weapons they design and with gigantic budgets on the line scientific egos and personality clashes research can turn deadly When a prominent and abrasive nuclear weapons researcher is murdered inside a Top Security zone FBI investigator Craig Kreident is brought in on the case but his FBI security clearance isn't the same as a Department of Energy or Department of Defense clearance and many of the clues are sanitized before he arrives Kreident finds that dealing with red tape and political in fighting might be more difficult than solving a murder Written by two insiders who have worked at Lawrence Livermore Virtual Destruction is not only a gripping thriller and complex mystery but a vivid portrayal of an actual US nuclear design facility **Kibbles & Bits** Paul York, David McHenry, 2012-02-25 The Zombie Movie Encyclopedia Peter Dendle, 2010-07-27

Zombies are cautionary forms of humankind's most universally cherished ideal life after death Ragged ill spoken rotting zombies or the post dead seem socially awkward beside the more popular and aristocratic undead like Count Dracula The humble zombie remains for the most part unappreciated and unacknowledged until now The first exhaustive historical overview of zombie films this book's lengthy entries evaluate more than 200 movies from 16 countries over a 65 year period from the early 1930s to the late 1990s It covers everything from large studio films to backyard videography and touches on memorable television episodes and miscellaneous shorts An introduction traces the evolution of the genre and interprets the broader significance of the zombie in contemporary Western mythology *Once Upon a Time in a Dark and Scary Book* K. Shryock Hood, 2018-06-07 Contemporary American horror literature for children and young adults has two bold messages for readers adults are

Dashing to the End Eric Monder, 2025-05-15 Born Alfred Reginald John Truscott Jones Welsh American actor Ray Milland 1907 1986 appeared in more than 135 theatrical releases between 1929 and 1985 and on radio television and the stage while also becoming a film director Milland's extensive canon across such a period is remarkable especially considering his lack of formal training his belated start in show business in his late twenties and the fact he only lived to age seventy nine Perhaps best remembered for his Oscar winning performance as the tortured alcoholic in Billy Wilder's *The Lost Weekend* 1945 or his outstanding collaboration with Alfred Hitchcock in *Dial M for Murder* 1954 there is much more to Milland's life and career than the few films that elevated him from star to icon Despite his prolific and successful career *Dashing to the End* The Ray Milland Story is the first comprehensive biography of the star Milland's personal and professional trajectory epitomize quintessential Hollywood lore the British army soldier turned actor who went from unknown struggling bit player to Oscar winning star to aging scandal haunted has been to comeback character actor to present day cult figure Using interviews with Milland's costars and colleagues as well as research from several major archives author Eric Monder brings into sharp relief both the positive and negative aspects of the Hollywood film and television industries and paints a well rounded portrait of this complex man and artist
