Under This Unbroken Sky By Shandi Mitchell:

Under This Unbroken Sky Shandi Mitchell, 2009-08-27 An epic tale for fans of Jane Smiley Annie Proulx and John Steinbeck This stunning first novel is powerful tragic and utterly gripping The Times Epic in scope beautifully pitched and unsentimental in execution Brilliant Marie Claire This tautly controlled epic should keep those in search of some holiday literary escapism hooked Metro Spring 1938 Teodor returns home after nearly two years spent in prison for the crime of trying to feed his children Now he and his family are determined not only to survive but to build a better life for themselves But it is not just the unrelenting landscape that Teodor must fight against His sister's husband has an unforgivable plan that threatens to take everything away from them Nearly all is lost when a brother is pitted against a sister and a mother against her child with dramatic and heartbreaking consequences **Y** Marjorie Celona, 2013-01-08 **Y** That perfect letter The wishbone fork in the road empty wineglass The question we ask over and over Why My life begins at the **Y** So opens Marjorie Celona's highly acclaimed and exquisitely rendered debut about a wise beyond her years foster child abandoned as a newborn on the doorstep of the local YMCA Swaddled in a dirty gray sweatshirt with nothing but a Swiss Army knife tucked between her feet little Shannon is discovered by a man who catches only a glimpse of her troubled mother as she disappears from view That morning all three lives are forever changed Bounced between foster homes Shannon endures abuse and neglect until she finally finds stability with Miranda a kind but no nonsense single mother with a free spirited daughter of her own Yet Shannon defines life on her own terms refusing to settle down and never stops longing to uncover her roots especially the stubborn question of why her mother would abandon her on the day she was born Brilliantly and hauntingly interwoven with Shannon's story is the tale of her mother Yula a girl herself who is facing a desperate fate in the hours and days leading up to Shannon's birth As past and present converge **Y** tells an unforgettable story of identity inheritance and ultimately forgiveness Celona's ravishingly beautiful novel offers a deeply affecting look at the choices we make and what it means to be a family and it marks the debut of a magnificent new voice in contemporary fiction **Are You Kidding Me?!** Lesley Crewe, 2025-09-19 For the first time bestselling novelist columnist and humorist Lesley Crewe's finest newspaper columns are collected in one place Not merely razor sharp Lesley's wit is also ocean wide taking in everything from the humiliations of breast pumping to the indignities of aging from the frantic excess of holiday preparations to the homey irritations of a long marriage As precise in her observations as Jane Austen and as fractious on occasion as Oscar the Grouch Crewe also has a sweet tender centre taking us from a hearty laugh to a good cry in a single paragraph Readers will relate to Crewe's ache at missing her mom her nostalgia for her childhood her frustrations at raising teenagers and her impatience for terrible parking lot etiquette in equal measure The book spans sixteen years worth of columns for The Cape Bretoner Magazine Cahoots Magazine and The Chronicle Herald **Are You Kidding Me** is a side splitting heartwarming Cape Breton flavoured celebration of the little things **Place and Replace** Adele Perry, Esyllt W. Jones, Leah Morton, 2013-06-01 Place

and Replace is a collection of recent interdisciplinary research into Western Canada that calls attention to the multiple political social and cultural labours performed by the concept of place The book continues a long standing tradition of situating questions of place at the centre of analyses of Western Canada s cultures pasts and politics while making clear that place is never stable universal or static The essays here confirm the interests and priorities of Western Canadian scholarship that have emerged over the past forty years and remind us of the importance of Indigenous peoples dispossession and colonialism of migration race and ethnicity of gender and women s experiences of the impact of the natural and built environment and the impact of politics and the state Unbound Lisa Grekul,Lindy Ledohowski,2016-01-01 What does it mean to be Ukrainian in contemporary Canada The Ukrainian Canadian writers in Unbound challenge the conventions of genre memoir fiction poetry biography essay and the boundaries that separate ethnic and authorial identities and fictional and non fictional narratives These intersections become the sites of new thought provoking and poignant creative writing by some of Canada s best known Ukrainian Canadian authors To complement the creative writing editors Lisa Grekul and Lindy Ledohowski offer an overview of the history of Ukrainian settlement in Canada and an extensive bibliography of Ukrainian Canadian literature in English Unbound is the first such exploration of Ukrainian Canadian literature and a book that should be on the shelves of Canadian literature fans and those interested in the study of ethnic postcolonial and diasporic literature

Next-Generation Memory and Ukrainian Canadian Children's Historical Fiction Mateusz Świetlicki,2023-03-24 This is the first book monograph devoted to Anglophone Ukrainian Canadian children s historical fiction published between 1991 and 2021 It consists of five chapters offering cross sectional and interdisciplinary readings of 41 books novels novellas picturebooks short stories and a graphic novel The first three chapters focus on texts about the complex process of becoming Ukrainian Canadian showcasing the experiences of the first two waves of Ukrainian immigration to Canada including encounters with Indigenous Peoples and the First World War Internment The last two chapters are devoted to the significance of the cultural memory of the Holodomor the Great Famine of 1932 1933 and the Second World War for Ukrainian Canadians All the chapters demonstrate the entanglements of Ukrainian and Canadian history and point to the role Anglophone children s literature can play in preventing the symbolical seeds of memory from withering This volume argues that reading imagining and reimagining history can lead to the formation of beyond textual next generation memory Such memory created through reading is multidimensional as it involves the interpretation of both the present and the past by an individual whose reality has been directly or indirectly shaped by the past over which they have no influence Next generation memory is of anticipatory character which means that authors of historical fiction anticipate the readers both present day and future not to have direct links to any witnesses of the events they discuss and to have little knowledge of the transcultural character of the Ukrainian Canadian diaspora **Quill & Quire** ,2009 *Memoir Writing For Dummies* Ryan G. Mitchell,2012-05-01T00:00:00+02:00 Sotto questo cielo intatto un affresco storico di grande impatto emotivo con cui Shandi Mitchell sembra ridare vita alla grande letteratura americana degli anni Trenta di Steinbeck e Faulkner Vincitore del Commonwealth Writers Prize come miglior esordio scelto dai librai indipendenti americani come uno dei romanzi migliori del 2009 e da Barnes Noble come Great New Writer 2009 il romanzo di Shandi Mitchell attinge alla storia familiare dell autrice e mette in scena il dramma dell immigrazione in un racconto sull amore e l avidit sull orgoglio e la disperazione sulla lotta per la sopravvivenza di chi ha poco o niente The Waiting Hours Shandi Mitchell,2019-04-30 The most impressive trick of this book and it is a very good one is the way Mitchell pulls off a literary thriller that is as suspenseful as it is introspective The Globe and Mail When you spend your life saving others who will be there to save you When tragedy erupts on a stifling summer night three ordinary people with the extraordinary jobs of rescuing strangers are connected to one another in ways both explicit and invisible Each is deeply devoted to what they do but they are all beginning to crack under the immense pressures of their work Tough as nails Kate when she s not working with her beloved search and rescue dog Zeus is a trauma nurse who spends her off duty hours trying to forget what she has seen Estranged from her troubled family she must confront the fact that resolution may elude her forever Respected police officer Mike is on the edge of burnout and sets himself on a downward spiral that may be impossible to break fraying the bonds of love that hold his family together Tamara an agoraphobic 911 dispatcher who is trying her hardest to remain as calm and emotionless as an automated message is propelled into the middle of a story that she can t avoid and must enter the world to find out how it ends With a city prickling under a heat wave and a hurricane threatening to make landfall these responders will be forced to make fateful choices that will alter lives A storm is coming and nobody is prepared
