Douglas Geivett, 2022-11-15 Is there a new reformation happening in the church It depends on who you ask The New Apostolic Reformation NAR is a popular and fast growing new movement of Christians who emphasize signs and wonders and teach that God is giving new revelation through new apostles and prophets But is this biblical Christianity In Counterfeit Kingdom apologists and NAR experts Holly Pivec and Douglas Geivett show how the NAR s key tenets distort the gospel twist the Scriptures are influenced by New Age practices and lead faithful Christians to shipwreck their faith They also offer practical suggestions for readers who are already influenced by the NAR curious about it or concerned about loved ones who have been swept up in the movement What used to be on the fringes of the church is now mainstream and many are being influenced by it unaware This book is a wake up call **On Time** Jon Paul Miles, Jesus promised that the end times and his second coming would happen in the disciples generation Matthew 24 34 New International Version Truly I tell you this generation will certainly not pass away until all these things have happened What precisely was promised to happen in that generation Is the above verse a mistranslation Did we misunderstand him Did Jesus change his mind Did Jesus give a false expectation on purpose Was Jesus just assuming he would return soon In trying to find a sensible answer I found myself asking the one question I was least willing to consider What if he returned on time This critical re examination of the traditional view of the end times compares Biblical prophecy with historical accounts to uncover if Christ returned in the first century Reckless Christianity Douglas Geivett, Holly Pivec, 2025-03-27 Bethel Church California is one of the most popular and polarising churches in America With its own Christian music label reports of miraculous healings and the manifestation of a glittering Glory cloud the congregation of Bethel Church is ever growing Bethel Church situates itself in the global movement of the New Apostolic Reformation believing that present day apostles and prophets must govern the church Some praise the church for the clear manifestation of God s activity others see the integration of controversial and hazardous practices into the church In Reckless Christianity Holly Pivec and R Douglas Geivett provide meticulous research and an incisive critique of the Bethel movement Citing its charismatic senior leader Bill Johnson as promoting a reckless Christianity Pivec and Geivett return to Scripture the authoritative Word of God to provide guidance on the boundaries of practice and where these boundaries are

crossed In its pursuit of experimentation Reckless Christianity argues that the leaders of Bethel are pulling its followers into a dangerously speculative and experience driven Faith
