Wake Up Call By Victoria Ashley:

Wake Up Call Victoria Ashley, 2013-08-08 My heart stopped and suddenly it was hard to breathe His voice always had that affect on me It was like poison slowly running through my veins killing me bit by bit Like a drug that I couldn't get enough of even though I was almost down to my last breath Jace took a step forward and grabbed my hand He slowly trailed his fingers over my face and backed me into the wall My heart stopped again if that was even possible You can't leave he whispered I need you His warm breath kissed my lips as he bit his bottom lip and placed both of his hands around my face They were warm and soft to the touch Too big for my fragile face although I wanted to bury myself in them Breathe There is no one here but the two of us Breathe he whispered Avery Hale had spent her whole childhood abused by her drunken drugged up parents Broken from a lifetime of hatred and pain she grew up realizing that trust and love just didn't exist Not in her world at least After turning the age of eighteen she packed up and moved far away determined to escape her painful past and start a new life for herself Once on her own she comes to the conclusion that the emptiness still exists In order to survive she found herself mixed up in exotic dancing and meaningless sexual relationships numb to any emotion for anyone She was sure that her life was worthless and there was nothing left for her this was the best it would get After meeting a beautiful stranger her life suddenly is turned upside down Everything she believed suddenly gets questioned She is left to figure out if there is really more to her than she could ever have imagined Jace having some secrets of his own puts the pain of his own past behind to do what he can to help Avery Can the love of another broken person be enough to help Avery or is she already too far gone Avery's life is pulled in many directions as she tries to find herself and not everyone and thing is what they seem to be in this story of love trust and opening up Finding herself and learning to love herself might just be the hardest thing she's ever had to do

often challenged his determination and passion stayed strong and he found his way to the University of Washington to play in the unfamiliar world of club hockey Despite discouraging circumstances such as games in empty arenas starting well after midnight to hitchhiking home after a long road trip Minkoff not only set records captained the squad and ran the club as the president he also formed strong bonds with his coaches and teammates Following an illustrious club career Minkoff landed in the professional ranks of Finland where in the midst of nearly crashing a Zamboni acting as the town s Santa Claus and sleeping at the rink he truly discovered his gift of a lifetime in the game of hockey Thin Ice is an honest witty inspirational coming of age story Ryan Minkoff s debut memoir is for anyone who roots for an underdog whose dreams will not fade no matter the obstacles *Dance on the River* Clyde Siddhi Deshmukh,2022-06-08 Sarah Luna Brooks is not your typical

teenage girl Her introverted curtain hides a unique blend of quirks obsessions and talents and yet she hates socializing She has left no choice but to step out of her comfort when she gets accepted into the University of Glasgow She s lucky enough to have made great friends who made the transition simple for her From lunches to dancing to adventures Sarah makes some of the best memories of her life And just when Sarah thought her life was perfect she falls for the handsome boy who is also one of her friends Is that path going to fulfil her desire or will she have a broken heart to mend **Judy**,1890 **A Room**

Without Toys Suzanne Person,2008-12-29 A Room Without Toys is essentially the story of Victoria Windsor beautiful and brilliantly gifted star of the London stage and apparently a woman to be envied Yet when we go behind the velvet curtain which would ordinarily separate the actress from her audience we find the reality of her life to be quite different From a childhood which with one touching exception is a lonely one we follow her through the frustration of endless auditions to the years of growing theatrical renown years which at the same time are ironically the emptiest of her life and finally to her meeting with the one man able to awaken her to her full potential both as a human being and as a woman The theme of all this is stated in the title for through much of Victorias life she is indeed like a child in a room without toys Many different elements combine to make this a compelling and yet highly readable novel 1 A strong central character equally as fascinating as any of the real life actresses who has recently felt the urge to tell all in an autobiography 2 The elegance and charm of its London setting London with its theatres its parks its pubs its centuries old association with the majesty of the British crown 3 The glimpse it provides of the backstage world of the theatre a world most people would otherwise never see A Room Without Toys is more however than merely the whole constituted of these parts which are after all only things of the surface and the novel goes much deeper than that Will a child starved for love and caring grow into an emotionally crippled adult for whom normal interpersonal relationships are all but impossible It is this vital psychological issue which the work attempts to explore as slowly Victoria Windsor learns to believe in herself learns to trust and most important of all learns to love
