

The background of the cover features a complex, three-dimensional molecular structure. It consists of numerous spheres of varying sizes, some of which are highly reflective and show highlights, connected by thin, light-colored rods. The spheres are arranged in a way that suggests a crystalline or network-like structure, with some spheres appearing larger and more prominent than others. The overall color palette is a mix of light beige, off-white, and soft blue, giving it a clean, scientific feel.
