## **The World's Last Night And Other Essays By C S Lewis:**

The World's Last Night and Other Essays C. S. Lewis, 2022-08-01 In *The World's Last Night and Other Essays* C S Lewis explores profound themes of mortality, faith, and the nature of the divine through a series of thought-provoking essays. Written in his characteristic clear prose and illuminating wit, these essays delve into eschatology, the end of time, and the complexities of Christian belief in modern life. Set against the backdrop of mid-20th century philosophical discourse, Lewis's reflections integrate literary finesse with theological insight, inviting readers to confront their own understandings of existence and ultimate purpose. C S Lewis, an esteemed scholar and theologian, was profoundly influenced by his own journey from atheism to Christianity, which informs the introspective nature of these essays. His experiences as a soldier during World War I and as a literary critic equipped him with a unique perspective on the human condition, enabling him to address the anxieties of his time while reinforcing his passionate belief in God. Lewis's role as a leading Christian apologist and his broad literary output made him a pivotal figure in 20th-century literature. This collection is highly recommended for readers seeking a deeper understanding of faith and philosophy, as well as those interested in Lewis's insights into the human experience. Ideal for scholars and casual readers alike, these essays offer a compelling exploration of life's ultimate questions, encouraging contemplation of our place in a transient world.

The World's Last Night C. S. Lewis, 2016-06-22 *The World's Last Night and Other Essays* is a collection of essays by C S Lewis published in the United States in 1960. The title essay is about the Second Coming of Jesus Christ. The volume also contains a follow-up to his *The Screwtape Letters* in the form of *Screwtape Proposes a Toast*. The second, fourth, and fifth pieces were published in the U.K. in a volume called *Screwtape Proposes a Toast* and other pieces. 1965 the first, sixth, and seventh were published in the U.K. in *Fern Seed and Elephants* and other essays on Christianity. 1975 Contents: The Efficacy of Prayer, On Obstinacy in Belief, Lilies That Fester, *Screwtape Proposes a Toast*, Good Work and Good Works, Religion and Rocketry, Will We Lose God in Outer Space, *The World's Last Night*, Christian Hope, Its Meaning for Today.

The World's Last Night C. S. Lewis, 2002-10-07 In seven witty, lucid, tough-minded essays, Lewis considers questions that challenge the faith of modern Christians. He discusses such topics as the efficacy of prayer, the various uses of the phrase "I believe," the religious implications of life on other planets, the meaning of words like "culture" and "religion," and the idea of the Second Coming.

**C S Lewis** Colin Duriez, 2013-05-02 An Oxford student of C S Lewis's said he found his new tutor interesting and was told by J R R Tolkien: "Interesting. Yes, he's certainly that. You'll never get to the bottom of him. You can learn a great deal about people by their friends, and nowhere is this more true than in the case of C S Lewis, the remarkable academic author, populariser of faith, and creator of Narnia. He lost his mother early in life and became estranged from his father, much to his regret. Throughout his life, key relationships mattered deeply to him, from his early days in the north of Ireland and his schooldays in England, as still a teenager in the trenches of World War One, and then later in Oxford. The friendships he cultivated throughout his life proved to be vital, influencing his thoughts, his beliefs, and his writings."

What did Arthur Greeves a life long friend from his adolescence bring to him How did J R R Tolkien and the other members of the now famous Inklings shape him Why in his early twenties did he move in with a single mother twice his age Janie Moore and live with her for so many years until her death And why did he choose to marry so late What of the relationship with his alcoholic and gifted brother who eventually joined his unusual household In this sparkling new biography which draws on material not previously published Colin Duriez brings C S Lewis and his friendships to life *C.S. Lewis--An Annotated Bibliography and Resource* P. H. Brazier, 2012-09-20 This bibliography and resource consists of a chronological introduction to the development of Lewis s works a copious bibliography and a guide to the study of Lewis an introductory essay on Christology in Lewis and a glossary for those unfamiliar with some of the background and terms to Lewis s understanding of revelation and the Christ It will be an invaluable resource for all scholars of C S Lewis The bibliography stands alone but it also serves to complement the three volumes of the series C S Lewis Revelation and the Christ **Word and Story in C. S. Lewis** Peter J. Schakel, Charles A. Huttar, 2008-04-14 Word and Story has broken new ground by enlisting well known scholars in the examination of Lewis s ideas about language and narrative both as stated in theory and as exemplified in practice Never before has such clear significant and thorough work in these areas been brought together in one place This compilation of sixteen essays demonstrates how an awareness of Lewis s ideas about language and narrative is essential to a full understanding and appreciation of his thought and works The contributors examine Lewis s poetry The Dark Woods Studies in Words and other works that have so far received little attention in addition to more familiar parts of the Lewis canon By approaching Lewis primarily as an artist and theorist not just a Christian apologist these essays offer new insights into his creative imagination critical acumen and his craftsmanship as a writer One comes away from this book with a fresh vision and with heightened expectation eager to return to Lewis s works C.S. Lewis David G. Clark, 2008-04-15 In this engaging book David Clark guides the reader through the theology of CS Lewis and illuminates the use and understanding of scripture in the works of this popular author Examines his life work world view and the implications of his theology in relation to his other writings Looks at Lewis beliefs on the topics of redemption humanity spiritual growth purgatory and resurrection Examines the different perspectives on Lewis and his work as prophet evangelist and as a spiritual mentor Explores the range and influence of Lewis work from the bestselling apologetic Mere Christianity to the world famous Chronicles of Narnia Features specially commissioned artwork throughout Written in an accessible style for general readers students and scholars and will introduce Lewis theology to a wider audience **In the Highest Degree: Volume One** P. H. Brazier, 2018-10-31 The theological and philosophical works of C S Lewis were grounded in the argument from reason As such reason is a form of revelation that predates nature and relates to the divine the Word of God Christ the Logos These essays provide some understanding of the essentials to Lewis s philosophical theology that is the essentia in the highest degree Lewis s corpus can seem disparate but here we find unity in his aims objectives and methodology a consistency that

demonstrates the deep roots of his philosophical theology in Scripture in Greek philosophy patristic and medieval theology and in some of the Reformers all framed by a reasoned discipline from a perceptive and critical mind method and form content and reason for the glory of God Here is the essentia of Lewis s thinking From an analysis of reason through a theoretically unified proposition for atonement to the evidence of Christ as the light of the world across human endeavors and religions to a doctrine of election to an understanding of Scripture to the Philosophy of the Incarnation as Lewis termed it through fundamental arguments with various modern liberal theologians we find evidence for the actuality of the incarnation the divinity of Christ      **Sehnsucht: The C. S. Lewis Journal** Bruce R. Johnson,2024-12-19      **C.S. Lewis**

Perry C. Bramlett,1996 This book is a rich lively compact survey of Lewis s Christian life and lay ministry Perry provides a wealth of practical insights for every reader I warmly and gladly recommend this book Kathryn Linkskoog      **The New**

**Cambridge Bibliography of English Literature: Volume 4, 1900-1950** George Watson,I. R. Willison,1972-12-07 More

than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new

contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries      *The Miracle of Man* Jim Howard,2017-01-31 What Is a Man Biologically we are animals homo sapiens But men are different born with consciousness reason free will notions of morality and other characteristics of what we call human nature Why are we different Were we created by God or are we just accidents of nature Are you a child of the King or just a child of King Kong This is a book of apologetics for laypeople It looks at arguments for the existence of God and especially at those arguments that can be drawn from human nature It argues in plain language with illustrations and humor that we cannot explain human nature without God that men are miracles

**Charles Williams and C. S. Lewis** Paul S. Fiddes,2021 This study of the literary relationship between Charles Williams and C S Lewis during the years 1936 1945 focuses on the theme of co inherence at the centre of their friendship The idea of co inherence has long been recognized as an important contribution of Williams to theology and had significant influence on the thought of Lewis This account of the two writers conviction that human persons inhere or dwell both in each other and in the triune God reveals many inter relationships between their writings that would otherwise be missed It also shows up profound differences between their world views and a gradual though incomplete convergence onto common ground Exploring the idea of co inherence throws light on the fictional worlds they created as well as on their treatment whether together or separately of a wide range of theological and literary subjects the Arthurian tradition the poetry of William Blake and Thomas Traherne the theology of Karl Barth the nature of human and divine love and the doctrine of the Trinity This

study draws for the first time on transcriptions of Williams lectures from 1932 to 1939 tracing more clearly the development and use of the idea of co inherence in his thought than has been possible before Finally an account of the use of the word co inherence in English speaking theology suggests that the differences that existed between Lewis and Williams especially on the place of analogy and participation in human experience of God might be resolved by a theology of co inherence in the Trinity

The Image of Man in C. S. Lewis William Luther White, 2009-01-12 It is in the role of remythologizer that C S Lewis has been most misunderstood and it is there that his importance lies His was the poetic intensity that saw all hell swallowed by a butterfly with no harm done Of his creation are allegories and myth that express very real elements of life behind understanding or capture for more than a moment White's 1969 study is the first to examine the entire Lewis corpus and the first to offer such an extensive bibliography To these invaluable aids for Lewis scholars White adds his own training in theology and literary criticism and a sensitivity to the complexities of the artist and the religious man His interpretation of the intricate skeins of belief to be found in Lewis work make this study as significant to the theological as to the literary world

C. S. Lewis and the Christian Worldview Michael L. Peterson, 2020 C S Lewis is one of the most influential and beloved Christian writers of the past century and interest in him continues to grow as books about his fantasy fiction and biography continue to appear Although Lewis's personal journey was a deeply philosophical search for the most adequate worldview the few extant books about his Christian philosophy focus on specific topics rather than his overall worldview In this book Michael Peterson develops a comprehensive framework for understanding Lewis's Christian worldview from his arguments from reason morality and desire to his ideas about Incarnation Trinity and Atonement All worldviews address fundamental questions about reality knowledge human nature meaning and so forth Peterson therefore examines Lewis's Christian approach to these same questions in interaction with other worldviews Accenting that the intellectual strength and existential relevance of Lewis's works rest on his philosophical acumen as well as his Christian orthodoxy which he famously called mere Christianity Peterson skillfully shows how Lewis's Christian thought engages a variety of important problems raised by believers and nonbelievers alike the problem of evil and suffering the problem of religious diversity the problem of meaning and others Just as Lewis was gifted in communicating philosophical ideas and arguments in an accessible style Peterson has crafted a major contribution to Lewis scholarship presented in a way that will interest scholars and benefit the general reader

**Essential C. S. Lewis** Clive Staples Lewis, 1996 A selection of Lewis work including essays letters poems and texts of *The Lion the Witch and the Wardrobe* *Perelandra* and *Abolition of Man*

**Generative Thought** Elisa Buzzzi, 2003 Luigi Giussani born in 1922 is one of the most influential thinkers and leaders in the Catholic world today He is the founder of the Catholic lay movement Communion and Liberation now present in more than 70 countries worldwide with a membership well in excess of 100 000 In addition hundreds of thousands of people have come into contact with him through the charitable cultural and social works of his movement and through his writings This volume presents Giussani's

works to the English speaking world through the multiple perspectives of thinkers with different backgrounds and intellectual motivations showing the lively dialogue evoked by their encounter with his generative thought and inviting deeper engagement by readers the North American and Western cultural and religious context They point to an important element in all of Giussani s work his proposal that the Christian Event is the answer to the deepest and most pressing questions in today s world With his clear and vigorous awareness of the cultural philosophical and theological issues central to the contemporary debate Giussani succeeds in making the truth of the Catholic tradition both reasonable and relevant

**Healing in the Bible** Frederick J. Gaiser,2010-10 A respected biblical scholar offers a close reading of fifteen key biblical texts on healing considering their significance for the church s ministry today      **Making the Best of It** John G. Stackhouse,2011-10 What should be the Christian s attitude toward society When so much of our contemporary culture is at odds with Christian beliefs and mores it may seem that serious Christians now have only two choices transform society completely according to Christian values or retreat into the cloister of sectarian fellowship In Making the Best of It John Stackhouse offers a more balanced and fruitful alternative to these extremes He argues that rather than trying to root up the weeds in the cultural field or trying to shun them Christians should practice persistence in gardening God s world and building toward the New Jerusalem      **The Lure of the Edge** Brenda Denzler,2001 Publisher Fact Sheet A guided tour through the complex world of the UFO abduction movement
