Things Grak Hates By Peter J Story:

Things Grak Hates Peter J. Story, 2014 Grak's contempt for things is so strong in fact that it often leaves his fellow tribesmen bewildered. And when attempting to describe his personality they find themselves in need of words with greater nuance. Neurotic is typically used. Sociopath and narcissist are also common terms. The most popular descriptor however is pathological. Grak sees his behavior necessary and selfless or even benevolent when his mood is just so. Most often he simply attributes his nature to being human. Of all the things Grak hates his antipathy for olives takes precedence. In his efforts to be rid of this nuisance he gets his first taste of power and ignites a series of events with troubling consequences.
