Time and Time Again Ben Elton, 2014-11-14 It e t m s the 1st of June 1914 and Hugh Stanton ex soldier and celebrated adventurer is quite literally the loneliest man on earth No one he has ever known or loved has been born yet Perhaps now they never will be Stanton knows that a great and terrible war is coming A collective suicidal madness that will destroy European civilization and bring misery to millions in the century to come He knows this because for him that century is already history Somehow he must change that history He must prevent the war A war that will begin with a single bullet But can a single bullet truly corrupt an entire century And if so could another single bullet save it *Time and Time Again* Ben Elton, 2014-11-06 The best I ve read of Elton s many bestsellers The Times Imagine a world where no one you have ever known or loved has been born yet Perhaps they never will be 1st June 1914 this is Hugh Stanton s reality Ex soldier and celebrated adventurer he is quite literally the loneliest man on earth Stanton knows that a great and terrible war is coming A collective suicidal madness that will destroy European civilization and bring misery to millions in the century to come He knows this because for him that century is already history Somehow he must change that history He must prevent the war A war that will begin with a single bullet But can a single bullet truly corrupt an entire century And if so could another single bullet save it *Science Fiction and Climate Change* Andrew Milner, J. is everything And even tiny defiances won't go unnoticed Ben Elton's dark savagely comic novel imagines a post apocalyptic society where religious intolerance combines with a sex obsessed utterly egocentric culture In this world nakedness is modesty independent thought subversive and ignorance is wisdom A chilling vision of what's to come Or something rather closer to home
