To A God Unknown By John Steinbeck:

TO A GOD UNKNOWN JOHN STEINBECK, 1933 **John Steinbeck's To a God Unknown** Kay Bosse, 1998 ...To a God unknown; a novel John Steinbeck, 1943 **To God Unknown** John Steinbeck, 1995-08-01 Ancient pagan beliefs the great Greek epics and the Bible all inform this extraordinary novel which occupied Steinbeck for more than five difficult years While fulfilling his dead father's dream of creating a prosperous farm in California Joseph Wayne comes to believe that a magnificent tree on the farm embodies his father's spirit His brothers and their families share in Joseph's prosperity and the farm flourishes until one brother frightened by Joseph's pagan belief kills the tree allowing disease and famine to descend on the farm Set in familiar Steinbeck country *To a God Unknown* is a mystical tale exploring one man's attempt to control the forces of nature and ultimately to understand the ways of God and the forces of the unconscious within *To a God Unknown* John Steinbeck, 2000-11-30 Working to tame and cultivate the harsh country Joseph Wayne responds with feeling to the joys and failings of homestead life But as he perceives too late it is the power of nature itself that exposes the futility of man's vanity Critical Companion to John Steinbeck Jeffrey D. Schultz, Luchen Li, 2005 Celebrates the American writer who in his works confronted and explored the social fabric of the United States in the early 20th century More than 500 entries include synopses of his novels short stories and nonfiction descriptions of his characters details about family friends and associates **To a God Unknown** John Steinbeck, 1971 Reclaiming John Steinbeck Gavin Jones, 2021-06-10 A reevaluation of John Steinbeck exploring his timely interests in climate change ecology and social injustice **To a God Unknown** Gloria L. Gaither, 1991 Steinbeck's Typewriter Robert DeMott, 2012-10-17 Steinbeck's Typewriter Essays on His Art collects several of DeMott's finest essays on Steinbeck that are so carefully revised as to warn other critics seeking their own collected essay volume of the difference between a genuinely lapidary compilation and a kitchen midden Illustrated with some rare photos this collection is especially notable John Ditsky Choice Steinbeck's Typewriter stands as the most in depth treatment of Steinbeck's aesthetics particularly in its exploration of the author's interior spaces and creative habits elements of Steinbeck's artistry which have not only been underestimated but woefully ignored Stephen George Steinbeck Review **A Literary History of the American West** Western Literature Association (U.S.), 1987 Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long known to be of historical importance are also experiences that need and deserve a literature of importance **Sixteen Modern American Authors** Jackson R. Bryer, 1990 Praise for the earlier edition Students of modern American literature have for some years turned to *Fifteen Modern American Authors* 1969 as an indispensable guide to significant scholarship and criticism about twentieth century American writers In its new form *Sixteenth Modern American Authors* it will continue

to be indispensable If it is not a desk book for all Americanists it is a book to be kept in the forefront of the bibliographical compartment of their brains American Studies **A Political Companion to John Steinbeck** Cyrus Ernesto Zirakzadeh, Simon Stow, 2013-05-15 Though he was a recipient of both the Pulitzer Prize and the Nobel Prize for Literature American novelist John Steinbeck 1902 1968 has frequently been censored Even in the twenty first century nearly ninety years after his work first appeared in print Steinbeck s novels stories and plays still generate controversy his 1937 book *Of Mice and Men* was banned in some Mississippi schools in 2002 and as recently as 2009 he made the American Library Association s annual list of most frequently challenged authors **A Political Companion to John Steinbeck** examines the most contentious political aspects of the author s body of work from his early exploration of social justice and political authority during the Great Depression to his later positions regarding domestic and international threats to American policies Featuring contemporaneous and present day interpretations of his novels and essays by historians literary scholars and political theorists this book covers the spectrum of Steinbeck s writing exploring everything from his place in American political culture to his seeming betrayal of his leftist principles in later years **Sixteen Modern American Authors** Jackson R. Bryer, 1989 Praise for the earlier edition Students of modern American literature have for some years turned to *Fifteen Modern American Authors* 1969 as an indispensable guide to significant scholarship and criticism about twentieth century American writers In its new form *Sixteenth Modern American Authors* it will continue to be indispensable If it is not a desk book for all Americanists it is a book to be kept in the forefront of the bibliographical compartment of their brains American Studies **John Steinbeck, East and West** Tetsumaro Hayashi, Yasuo Hashiguchi, Richard F. Peterson, 1978 **John Steinbeck and the Critics** John Ditsky, 2000 This resource offers a fascinating survey of the changing fortunes of Steinbeck s critical reputation Criticism **The Short Novels of John Steinbeck** Jackson J. Benson, 1990 This collection reviews what has been categorized as the good and the bad of Steinbeck s short novels looking beyond the careless labeling that has characterized a great deal of commentary on Steinbeck s writing to the true strengths and weaknesses of the works **To a God Unknown** John Steinbeck, 1970 **The Spectral West** Keith McDonald, Wayne Johnson, 2025-07-08 This book considers the presence of the supernatural and Gothic elements of the Western on screen These dark and sinister undertones often exist in Western narratives to draw attention to the ever present issue of death and its haunting resonance which characters encounter This book examines this through key historic moments in Western film and its contemporary incarnations The book detects imposing correlations in themes and currents between the Gothic and the Western relating to existential crisis and a loss of faith in ideologies and institutions These themes represent the tensions between the old and the new the deranged insistence on civility and order in a chaotic landscape disillusionment and the shattering of faith in the natural order and even nature and order themselves The Western just like the Gothic tale reminds us that new frontiers are mired in the past and optimism and survival are hunted down and haunted by guilt ridden past and passed anxieties and traumas
