Publishers Weekly, 1990 **Young Adult Literature: From Romance to Realism, Third Edition** Michael Cart, 2017-11-21 *Reading the Adolescent Romance* Amy Pattee, 2011-01-25

Reading the Adolescent Romance provides an exhaustive study of the developments in young adult literature since the 1980s with a focus on Francine Pascal's Sweet Valley High series which has become a cultural and literary touchstone for both fans and critics of the novels. Pattee carefully examines the series content structure and readers allowing her to investigate an influential marketing and literary phenomenon and to interrogate the intersecting influences of history, audience positioning and readability that allowed Sweet Valley and other teen series to flourish. This book demonstrates that as a series of generic romance novels Sweet Valley High exhibits tropes associated with both adolescent and adult romance and as a product of the early 1980s has and continues to espouse the conservative romantic ideologies associated with the time period. While erstwhile readers of the series recall the novels with pleasure, re-readers of Pascal's novels who remember reading the series as young people and have re-visited the books as adults are more critical. Interestingly both populations continue to value Sweet Valley High as an identity touchstone. Amy Pattee is an associate professor of library and information science at the Graduate School of Library and Information Science at Simmons College in Boston, Massachusetts. There she teaches children's and young adult literature in both the library school and in a dual degree program affiliated with Simmons College's Center for the Study of Children's Literature.

Once Upon a Time in a Dark and Scary Book K. Shryock Hood, 2018-06-07

Contemporary American horror literature for children and young adults has two bold messages for readers: adults are untrustworthy, unreliable and often dangerous and the monster always wins as it must if there is to be a sequel. Examining the young adult horror series and the religious horror series for children *Left Behind: The Kids* for the first time and tracing the unstoppable monster to Seuss's *Cat in the Hat*, this book sheds new light on the problematic message produced by the combination of marketing and books for contemporary American young readers.

Campbell's Scoop Patty Campbell, 2010-02-19

At the request of her many fans, Patty Campbell, editor of the *Scarecrow Studies in Young Adult Literature* series, has selected some of her best essays, articles, columns and speeches in *Campbell's Scoop*. These pieces define the boundaries between children's and adult literature and review the trends, censorship problems and glories of the genre. Other essays reflect on some concerns and interests of young adult literature as it has matured: the verse novel, ambivalent endings, violence, the sometimes dubious value of awards and honor lists, the graphic novel and the difficulties of the genre's recent overwhelming success. A section titled *Inside ALA* looks at the author's many years of service to that organization with, among other pieces, a firsthand look at the Best Books committee at work and a report of her attempt to unite booksellers and librarians in common cause. Many of these selections show the idiosyncratic wit and passion that have made Campbell's column a favorite with *Horn Book* readers; an exploration

of the meaning of the glut of YA novels with death as a theme or character an indignant denunciation of the fictional abuse of animals a snarky analysis of chick lit and a technical review from the belly dancing critic of a YA novel featuring that ancient art On a more serious note Campbell pleads for what she calls Godsearch in books for teens and pays tribute to her late friend Robert Cormier Without question the essays in Campbell's Scoop provide readers with the unique insights of an advocate who is passionate about young adult literature and its future
