To Live and Drink in L.A. Ben Peller, 2011-04-01 If David Sedaris Chelsea Handler and Charles Bukowski had ever consummated a threesome the result would most likely be Shawn Michals the protagonist of TO LIVE AND DRINK IN L A This series of semi autobiographical stories follows Shawn as he moves from the Midwest to Los Angeles and deals with topics such as his stubborn refusal to own either a car or a cellphone his use of pro wrestling to deal with his manic depressive mother s suicide finding meaning in menial jobs and many other adventures Like Shawn often does readers of this work may find themselves in uncharted territory while at the same time discovering how one can learn lessons and experience growth in the most unlikely of places even in a city many people believe to be shallower than a puddle If a phone call from a telemarketer can lead to spearheading a march on the Pentagon as it does for Shawn anything is possible in the City of Angels Cheers Ben Peller has a fine eye and a wonderful ear but most of all and best of all he writes with his heart Bob Greene best selling author of BE TRUE TO YOUR SCHOOL
