**A Literary Cavalcade-VII** Robert A. Parker, 2017-04-19 Writer and editor Robert A Parker has followed up his six volume *A Literary Cavalcade* with a seventh volume This volume of criticism covers mainly the fiction he has read from 2013 to early 2017 His comments are informed by his Jesuit upbringing but also by an independent critical view that balances a moral and literary sensibility The writers here represent a broad range of writing styles cultural influences and moral philosophies And all are rated on their literary achievement the effectiveness of plot character and setting plus their recognition of the moral ethical and spiritual values of mankind Here is a unique critical perspective that measures the meaning of literature against the meaning of life

*The Railroad in American Fiction* Grant Burns, 2015-01-28 Nothing better represented the early spirit of American expansion than the railroad Dominant in daily life as well as in the popular imagination the railroad appealed strongly to creative writers For many years fiction of railroad life and travel was plentiful and varied As the nineteenth century receded the railroad's allure faded as did railroad fiction Today it is hard to sense what the railroad once meant to Americans The fiction of the railroad often by railroaders themselves recaptures that sense and provides valuable insights on American cultural history This extensively annotated bibliography lists and discusses in 956 entries novels and short stories from the 1840s to the present in which the railroad is important Each entry includes plot and character description to help the reader make an informed decision on the source's merit A detailed introduction discusses the history of railroad fiction and highlights common themes such as strikes hoboes and the roles of women and African Americans Such writers of pure railroad fiction as Harry Bedwell Frank Packard and Cy Warman are well represented along with such literary artists as Mark Twain Thomas Wolfe Flannery O'Connor and Ellen Glasgow Work by minority writers including Jean Toomer Richard Wright Frank Chin and Toni Morrison also receives close attention An appendix organizes entries by decade of publication and the work is indexed by subject and title

**The Tremolo Diaries** Justin Currie, 2025-08-28 Del Amitri frontman Justin Currie reflects on life as a touring musician in the shadow of his life-changing Parkinson's diagnosis. It's 2022, and we join Justin at the doctor's office, looking down the barrel of a Parkinson's diagnosis. After concerned fans noticed a tremor in his hand, Currie sought the medical advice which led him to the discovery that would throw his future into uncertainty. The immediate fallout of his diagnosis is laid bare in Currie's candid stream of consciousness voice. A voice that is also by turns poetic, self-deprecating, and darkly humorous across a series of diary entries that capture Justin's innermost feelings: part travelogue, part confessional. Following a coming-to-terms with the situation whilst on tour in the U.S., the second half of the story joins Currie in 2024, supporting Simple Minds on tour with Del Amitri. Anger, heartbreak, and a looming sense of finality concoct a terse relationship between what once was and what may never be. Yet, page after page, what prevails is the achingly perfect timing of his acerbic wit. *The Tremolo Diaries* is
