Black, Queer, and Untold Jon Key, 2024-11-19 Growing up in Seale Alabama as a Black Queer kid then attending the Rhode Island School of Design as an undergraduate Jon Key hungered to see himself in the fields of Art and Design But in lectures critiques and in the books he read he struggled to see and learn about people who intersected with his identity or who GOT him So he started asking himself questions What did it mean to be a graphic designer with his point of view What

did it mean to be a Black graphic designer A Queer graphic designer Someone from the South Could his identity be communicated through a poster or a book How could identity be archived in a design canon that has consistently erased contributions by designers who were not white straight and male In Black Queer Untold acclaimed designer and artist Jon Key answers these questions and manifests the book he and so many others wish they had when they were coming up He pays tribute to the incredible designers artists and people who came before and provides them an enduring reverential stage and in doing so gifts us a book that immediately takes its place among the creative arts canon **Stolen Limelight** Margaret E.
