Vampires Don't Sparkle! Michael West, 2013-03-01 Undead Apocalypse Stacey Abbott, 2016-09-08 Explores the intersection of the vampire and zombie with 21st Century dystopian and post apocalyptic cinema Twenty first century film and television is overwhelmed with images of the undead Vampires and zombies have often been seen as oppositional one alluring the other repellant one seductive the other infectious With case studies of films like I Am Legend and 28 Days Later as well as TV programmes like Angel and The Walking Dead this book challenges these popular assumptions and reveals the increasing interconnection of undead genres Exploring how the figure of the vampire has been infused with the language of science disease and apocalypse while the zombie text has increasingly been influenced by the trope of the areluctant vampire Stacey Abbott shows how both archetypes are actually two sides of the same undead coin When considered together they present a dystopian sometimes apocalyptic vision of twenty first century existence Key features Rather than seeing them as separate or oppositional this book explores the intersection and dialogue between the vampire and zombie across film and television Much contemporary scholarship on the vampire focuses on Dark Romance while this book explores the more horror based end of the genre Offers a detailed discussion of the development of zombie television Provides a detailed examination of Richard Mathesons I Am Legend including the novel the script the adaptations and the BBFCs response to Mathesons script

The Best Horror of the Year Ellen Datlow, 2014-05-20 This statement was true when H P Lovecraft first wrote it at the beginning of the twentieth century and it remains true at the beginning of the twenty first century The only thing that has changed is what is unknown With each passing year science technology and the march of time shine light into the craggy corners of the universe making the fears of an earlier generation seem quaint But this light creates its own shadows The Best Horror of the Year edited by Ellen Datlow chronicles these shifting shadows It is a catalog of terror fear and unpleasantness as articulated by today s most challenging and exciting writers The best horror writers of today do the same thing that horror writers of a hundred years ago did They

tell good stories stories that scare us And when these writers tell really good stories that really scare us Ellen Datlow notices She s been noticing for more than a quarter century For twenty one years she coedited The Year s Best Fantasy and Horror and for the last six years she s edited this series In addition to this monumental cataloging of the best she has edited hundreds of other horror anthologies and won numerous awards including the Hugo Bram Stoker and World Fantasy awards More than any other editor or critic Ellen Datlow has charted the shadowy abyss of horror fiction Join **Vampires Versus Werewolves** TaShe' Lee,2020-11-15 My book is about a vampire named Sparkle Anderson and she is a student in high school with her best friends But her school is a vampire only school Their rival species are the wolves All of a sudden one of the wolf schools burned down and they all end up in the vampire school in the same school as Sparkle and her friends You can already sense the drama there But Sparkle falls in love with the wolf boy Jason who is very flirtatious and was a very good looking boy that is until she realizes that he has a secret of his own that he knew of and kept to himself Then she starts to see this guy named Johnny and she takes the chance with him in this new relationship Now Sparkle is a special breed of vampire She kept this secret from her friends ever since her mom and dad were murdered She is a hybrid both a vampire and a werewolf Will she be able to keep this secret from her best of friends or will she be able to keep it for as long as she wants Some Time Later A J Sikes,Dover Whitecliff,B J Sikes,T.
