After Our Likeness The Church As The Image Of The Trinity

Graham Joseph Hill

After Our Likeness The Church As The Image Of The Trinity:

After Our Likeness Miroslav Volf, 1997-10-30 In *After Our Likeness* the inaugural volume in the Sacra Doctrina series Miroslav Volf explores the relationship between persons and community in Christian theology The focus is the community of grace the Christian church The point of departure is the thought of the first Baptist John Smyth and the notion of church as gathered community that he shared with Radical Reformers Volf seeks to counter the tendencies toward individualism in Protestant ecclesiology and to suggest a viable understanding of the church in which both person and community are given their proper due In the process he engages in a sustained and critical ecumenical dialogue with the Catholic and Orthodox ecclesiologies of Joseph Cardinal Ratzinger and the metropolitan John Zizioulas The result is a brilliant ecumenical study that spells out a vision of the church as an image of the triune God **"The Church as the Image of the Trinity"** Kevin J.

Bidwell, 2011-06-10 A resurgence of Trinitarian interest gained momentum in the twentieth century and it is showing little sign of abating in the twenty first century This research endeavors to critically evaluate Miroslav Volf's ecclesial model for the church as the image of the Trinity one that he presents with the English title *After Our Likeness* Volf proposes a social doctrine of the Trinity one that is heavily influenced by the theological writings of Jurgen Moltmann and he puts forward that this nonhierarchical Trinity should be reflected in the structures and theology of the church If Volf is correct then a radical reshaping is needed for the church to conform to an egalitarian pattern one that is after the likeness Gen 1:26 of an egalitarian God In this critical examination Kevin J Bidwell begins by stating the theological influences that are pertinent to Volf's thesis in *After Our Likeness* and the assumptions that undergird and inform his whole theological paradigm An important theological excursus is offered to assess the theology of John Smyth the first English Baptist who is Volf's representative figure for the location of his own ecclesiology the Free Church A critical analysis follows of Volf's engagement with his two chosen dialogue partners who represent both Western and Eastern theological traditions Joseph Ratzinger and John D Zizioulas Volf presents five theses for the church as the image of the Trinity which could be labeled as Volf's Free Church in the image of Volf's revised doctrine of the Trinity This monograph offers extensive insight into the contemporary debate on the doctrine of the Trinity but it also assesses many aspects of ecclesiology from both Eastern and Western perspectives **The Unity of the Church** Eddy A. J. G. van der Borght, 2009 In contrast to its original name Ecclesia

Reformata ecclesiology did not develop into a major theme within the Reformed tradition Notwithstanding the undeniable schismatic tendency and the ecclesial embarrassment about disunity the unity of the church did not rise to prominence as a theological topic This volume challenges this traditional low key attitude towards the unity of the church It investigates theological aspects that contributed to a weak *sensus unitatis* and explores approaches that remedy the disease of division It discusses the role played by scripture the sacraments confessions and discipline it searches for the best theological practices within other Christian traditions it links the unity of the church to the unity of God and reformulates the nature of the church

Local and Universal C. Ryan Fields, 2024-02-06 How might we reclaim the universality of the church without losing its local situatedness In this SCDS volume C Ryan Fields juxtaposes the Free Church tradition with its Episcopal counterpart arguing that the Free Church tradition can helpfully inform our understanding of the one body of Christ while remaining true to its local roots

Towards an Adventist Version of Communion Ecclesiology Tihomir Lazić, 2019-11-13 This book explores how Seventh day Adventists like other Christians can benefit from generating their own version of communion ecclesiology It starts by offering a critical analysis of the status quo of the existing Adventist portrayal of church as remnant and suggests potential ways of moving this tradition forward To articulate a more rounded and comprehensive vision of the church's rich and multifaceted relational nature this book draws on the mainstream Christian koinonia based framework Consequently it provides possible solutions to some of the most divisive ecclesial issues that Christian communities face today regarding church structure ministry mission communal interpretation and reform As it sets on a new footing the conversation between Adventism and other mainstream Christian traditions the methodology of this book serves as a pathway for any Christian community to use when revisiting and enhancing its own current theologies of the church

On Classical Trinitarianism Matthew Barrett, 2024-10-01 Motivated by the longstanding need to retrieve the classical doctrine of the Trinity theologian Matthew Barrett brings together over forty Protestant Roman Catholic and Eastern Orthodox scholars in one ecumenical volume demonstrating that Nicene orthodoxy can endure in the modern world and unite the church catholic

Postmodern Youth Ministry Tony Jones, 2001 The rules have changed Everything you believe is suspect The world is up for grabs Welcome to the emerging postmodern culture A free zone of rapid change that places high value on community authenticity and even God but has little interest in modern Western tinged Christianity Postmodern Youth Ministry addresses these enormous philosophical shifts and shows how they're affecting teenagers

Salt, Light, and a City, Second Edition Graham Joseph Hill, 2017-06-13 Graham Hill's pioneering classic remains the seminal work on missional ecclesiology The bestselling first edition redefined theology for the missional church Hill builds biblical foundations in conversation with major theologians including Sarah Coakley John Zizioulas Stanley Hauerwas Miroslav Volf and Jurgen Moltmann In this major update he offers new insights and provides fresh examples of missional churches In the first edition Hill interacted with twelve major theologians to build a missional ecclesiology In this thoroughly updated edition he interacts with sixteen major theologians from the Western world This edition includes five new chapters and an expanded treatment on the key convictions of global missional theology It also offers a new study guide that has been uploaded on an innovative website linked to this book This expanded edition now becomes volume 1 in a series on missional ecclesiology In volume 2 Hill will turn our attention to voices from the Majority World Known for his groundbreaking approach to theology theology for the global missional community Hill shows how God is releasing his global church to mission across all cultures and Christian traditions This extensive update to Hill's influential work offers pioneering theology and practices that will continue to shape the global

missional church for generations The Eucharist as a Countercultural Liturgy Yik-Pui Au, 2017-04-14 Since its institution the Eucharist has been celebrated in all churches regardless of denominational differences Yet its importance should not be just confined to the Christian communities it can have transformational power in the cultural milieu In this book Yik Pui Au argues that the Eucharist can be a countercultural liturgy that upholds the identity and values of Christianity by countering cultural currents that are contrary to the Christian faith Au takes an interdisciplinary approach comprised of church history ritual theory and theology of culture to examine systematically the countercultural functions of the Eucharist interpreted by three modern theologians Henri de Lubac John Zizioulas and Miroslav Volf representing the Catholic Orthodox and Protestant traditions respectively The comparative evaluation of this cross tradition analysis supports Au s argument that even though culture is complex and changing the countercultural function of the Eucharist remains valid Despite its complexity culture can be transformed by the Eucharist and it can also challenge and renew our understanding of the Eucharist She suggests that due to its richness the countercultural function of the Eucharist cannot be exhausted by one tradition It is the task of theologians to help the church continually venture to explore and vivify this function ecumenically

A Reader in Ecclesiology Professor Bryan P Stone, 2013-06-28 This Reader presents a diverse and ecumenical cross section of ecclesiological statements from across the twenty centuries of the church s existence It builds on the foundations of early Christian writings illustrates significant medieval reformation and modern developments and provides a representative look at the robust attention to ecclesiology that characterizes the contemporary period This collection of readings offers an impressive overview of the multiple ways Christians have understood the church to be both the body of Christ and at the same time an imperfect social and historical institution constantly subject to change and reflective of the cultures in which it is found This comprehensive survey of historical ecclesiologies is helpful in pointing readers to the remarkable number of images and metaphors that Christians have relied upon in describing the church and to the various tensions that have characterized reflection on the church as both united and diverse community and institution visible and invisible triumphant and militant global and local one and many Students clergy and all interested in Christianity and the church will find this collection an invaluable resource

Beyond Dalit Theology Paulson Pulikottil, 2022-05-31 This book is a critique of Dalit theology leading to proposals for the future directions of a theology of social transformation in India Dalit theology has ruled the roost for the last forty years in the Indian theological landscape It has captivated the theological imagination in India in spite of other theological movements like tribal theology green theology and so on which are relatively recent and have had little impact Despite the dominance of Dalit theology in the last decade many writers have questioned its social impact and theological efficacy This book takes advantage of the critique to make some proposals for doing a theology of social transformation in India It explores new ways of doing Christology pneumatology and ecclesiology In addition it argues for the need of a public theology in the changing religious political scenario in India **Postmodernism and the**

Ethics of Theological Knowledge Justin Thacker, 2007 This book establishes the necessary integration of theological knowledge with theological ethics It does this as a response to the postmodern critique of Christianity as exemplified in Rorty and Lyotard They argue that any claim to know God is necessarily tyrannical Contemporary responses to such postmodern thinking often fail to address adequately the ethical critique that is made This book redresses that balance by suggesting that our knowledge of God and love of the Other are so intimately connected that we cannot have one without the other In the absence of love then we simply do not know God Justin Thacker proposes that an effective theological response to postmodernity must address both knowledge and ethics in an integrated fashion as presented in this book

Mutual Hierarchy Jeffrey A. Dukeman, 2019-02-22 Social Trinitarians have not been shy about positing community as the chief ontological category for Trinitarian discourse As beneficial as this is social Trinitarians have typically been less helpful in advocating the sort of human community for the Trinitarian analogy that most people would probably find desirable To use the example of a marriage one has often been forced to choose between a fully egalitarian view where the spouses supposedly have no differences from each other and a hierarchical view where a husband exercises a unilateral and oppressive power over his wife This book advocates a third alternative for the sort of community present in the Trinity Just as genuine teamwork is generally desirable in various human communities the divine persons have a mutual hierarchy relationship with each other Here each divine person has a unique hierarchy over the others and yet each uses this hierarchy to serve the others in a dignified way Recognizing this mutual hierarchy of the divine persons fosters a view of the Trinity that is maximally social in keeping with the name social Trinitarianism In proceeding thus the book attempts to in a unique way show the harmony between systematic theology exegesis and practice

The Relational Power of God Eleanor O'Donnell, 2023-01-23 When we find the courage to allow our rebel voice to speak many of us question traditional Christian beliefs about God's power and how it is exercised in the world and in the church We ask What if God is not in omnipotent control of everything What if God's exercise of power is relational and noncoercive instead What if it is the quality rather than the quantity of God's power that really matters This book focuses on the theology of power that emerges when we ask such questions It draws on the social Trinitarian theology of Jurgen Moltmann and the process thought of Charles Hartshorne to image God as a Social Trinity in process This vision of God understands the Holy Trinity to be fully relational and thoroughly with us and all creation To think of God and God's power this way ensures freedom for creature and creation and enables a viable response to the problem of evil and suffering It also leads to the conclusion that human relationships in the world and in the church are best modeled on the power sharing solidarity of the Triune God

The Entangled God Kirk Wegter-McNelly, 2012-03-12 In *The Entangled God* Kirk Wegter McNelly addresses the age old theological question of how God is present to the world by constructing a novel scientifically informed account of the God world relation Drawing on recent scientific and philosophical work in quantum entanglement Wegter McNelly develops the metaphor of divine

entanglement to ground the relationality and freedom of physical process in the power of God's relational being. The Entangled God makes a three-fold contribution to contemporary theological and religious discourse. First it calls attention to the convergence of recent theology around the idea of relationality. Second it introduces theological and religious readers to the fascinating story of quantum entanglement. Third it offers a robust plerotic alternative to kenotic accounts of God's suffering presence in the world. Above all this book takes us beyond the view of theology and science as adversaries and demonstrates the value of constructively relating these two important areas of intellectual investigation. *Confessing Jesus Christ* David J. Lose, 2003-03-04 With its relentless insistence that there is no reality beyond that which we construct postmodern thought questions the presuppositions of many disciplines including homiletics. Offering a lively description of the postmodern worldview and its implications for Christian faith *Confessing Jesus Christ* by David Lose teaches preachers how to rise to the challenges posed by our postmodern world. Few if any books on preaching offer such a comprehensive investigation of postmodern thought or yield such a wealth of insights for relevant Christian proclamation. Significantly Lose sees postmodernism not primarily as an obstacle to the church but as an opportunity for it to stand once again on faith alone rather than on attempts to prove the faith. According to Lose preaching that seeks to be both faithful to the Christian tradition and responsive to our pluralistic postmodern context is best understood as the public practice of confessing faith in Jesus Christ. He explores the practical implications of a confessional homiletic for preaching and also provides concrete methods for preparing sermons that meaningfully bridge biblical texts and contemporary congregations. *Themelios, Volume 36, Issue 1* D. A. Carson, 2015-02-16 Themelios is an international evangelical peer-reviewed theological journal that expounds and defends the historic Christian faith. Themelios is published three times a year online at The Gospel Coalition <http://thegospelcoalition.org/themelios> and in print by Wipf and Stock. Its primary audience is theological students and pastors though scholars read it as well. Themelios began in 1975 and was operated by RTSF/UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008. The editorial team draws participants from across the globe as editors, essayists, and reviewers. General Editor D. A. Carson, Trinity Evangelical Divinity School; Managing Editor Brian Tabb, Bethlehem College and Seminary; Consulting Editor Michael J. Ovey, Oak Hill Theological College; Administrator Andrew David Naselli, Bethlehem College and Seminary; Book Review Editors Jerry Hwang, Singapore Bible College; Alan Thompson, Sydney Missionary Nathan A. Finn, Southeastern Baptist Theological Seminary; Hans Madueme, Covenant College; Dane Ortlund, Crossway; Jason Sexton, Golden Gate Baptist Seminary; Editorial Board: Gerald Bray, Beeson Divinity School; Lee Gatiss, Wales Evangelical School of Theology; Paul Helseth, University of Northwestern; St. Paul Paul House; Beeson Divinity School; Ken Magnuson, The Southern Baptist Theological Seminary; Jonathan Pennington, The Southern Baptist Theological Seminary; James Robson, Wycliffe Hall; Mark D. Thompson, Moore Theological College; Paul Williamson, Moore Theological College; Stephen Witmer, Pepperell Christian Fellowship; Robert Yarbrough, Covenant Seminary. **JO-KANG'ATO** Hezron Otieno

Adingo,2024-03-27 Hezron Otieno Adingo earned his PhD in Systematic Theology from Africa International University in Kenya an MA in Biblical Studies Africa International University and a Bachelor of Theology from Bugema University in Uganda He has had the opportunity to serve as a Pastor in Kenya and the United Kingdom While serving as the Ministerial Director of the South England Conference of the Seventh day Adventists he was instrumental in guiding coordinating supervising directing and leading ministerial work within the 26 counties in the United Kingdom Dr Adingo continues with his ministry of mentoring Pastors and shepherding Besides his expertise in Systematic Theology especially Ecclesiology his other areas of research interest are Church History Biblical Studies Missions Inculturation and African Christian Theology

Re-enchanting the Text Cheryl Bridges Johns,2023-05-16 In an age when the Bible has been stripped of its sacredness and functional biblical illiteracy reigns this book makes the case that we must work to re enchant the text in order to return the Bible to its rightful place in the lives of Christians Cheryl Bridges Johns explains how the Enlightenment s turn to the rational human subject made it possible to objectify the Bible and has distorted our interpretations of Scripture This move generated a belief that studying the Bible was primarily a means of supporting facts and providing evidence of competing visions of reality This modern version of the Bible does not trouble our nights with apocalyptic images It has been stripped of its power She also shows that both liberal and fundamentalist interpretation are failed forms of disenchanted readings Johns argues that we must rediscover the Bible as a sacred dangerous mysterious and presence filled wonderland to counteract biblical illiteracy in an increasingly post Christian landscape

Christian Theology Alister E. McGrath,2016-09-26
CHRISTIAN THEOLOGY The genius of Alister E McGrath is his remarkable ability to write in a clear concise and lucid manner that draws both teachers and students to participate with the great thinkers of the Christian tradition past and present Education and illumination are the abundant fruits of this massive well organized text which is sure to appeal to a wide range of Protestant Catholic and Orthodox audiences For this we are indebted to the author Dennis Ngien Professor of Systematic Theology Tyndale University College and Seminary Toronto Canada For sheer comprehensiveness clarity and coherence Alister McGrath has produced the definitive textbook Always accurate and engaging students are gently introduced to the gift of Theology in a memorable way Ian S Markham Dean and President of Virginia Theological Seminary Praise for the fifth edition Alister McGrath has proven himself a master at engagingly and simply introducing Christian theology in all of its contested complexity All who work at the critical appropriation of the theological tradition stand in debt to McGrath M Douglas Meeks Cal Turner Chancellor Professor of Theology and Wesleyan Studies Vanderbilt University Divinity School Now celebrating its 25th year of publication Christian Theology is one of the most internationally acclaimed textbooks in this area today Completely rewritten for the sixth edition it remains the ideal introduction to the beliefs and interpretation of Christianity It is specifically designed for students with no prior knowledge presenting the primary themes and debates of Christian theology with clarity and historical context This new edition retains all the elements that have made

it so successful while also including significant additions and developments There is an increased discussion of contemporary theology to complement the excellent coverage of historical material Important new information has also been added in areas such as the Holy Spirit contemporary non Western theologies and feminist voices in Christian theology The text is rich in pedagogy to encourage student learning featuring a two colour design glossary end of chapter discussion questions and much more Written by renowned theologian Alister E McGrath this classic text is a clear lively and concise introduction that provides instructors with the tools they need to engage with their students on Christian theology

After Our Likeness The Church As The Image Of The Trinity Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading After Our Likeness The Church As The Image Of The Trinity free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading After Our Likeness The Church As The Image Of The Trinity free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading After Our

Likeness The Church As The Image Of The Trinity free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading After Our Likeness The Church As The Image Of The Trinity. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading After Our Likeness The Church As The Image Of The Trinity any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About After Our Likeness The Church As The Image Of The Trinity Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
