Aggregation Webster's Timeline History 1994 2004:

Truant Philip M. Parker, 2010 Webster's bibliographic and event based timelines are comprehensive in scope covering virtually all topics geographic locations and people They do so from a linguistic point of view and in the case of this book the focus is on the word truant including when used in literature e g all authors that might have Truant in their name or books that have truant in their title As such this book represents the largest compilation of timeline events associated with the word truant Webster's timelines cover bibliographic citations patented inventions as well as non conventional and alternative meanings which capture ambiguities in usage These furthermore cover all parts of speech possessive institutional usage geographic usage and contexts including pop culture the arts social sciences linguistics history geography economics sociology political science business computer science literature law medicine psychology mathematics chemistry physics biology and other physical sciences This data dump results in a comprehensive set of entries for a bibliographic and or event based timeline on the word truant since editorial decisions to include or exclude events is purely a linguistic process The resulting entries are used under license or with permission used under fair use conditions used in agreement with the original authors or are in the public domain Pref **Overpopulation** , 2010 *UNISIST* Philip M.
