After The Martian Apocalypse Extraterrestrial Artifacts And The Case For Mars Exploration:

After the Martian Apocalypse Mac Tonnies, 2004-07-06 This engaging and groundbreaking archaeological treatise mixed with cultural commentary argues that our future on Mars depends on our understanding of its remarkable past Much to the surprise of scientists and researchers the latest cosmic discoveries offer strong evidence that points to an extinct civilization on Mars What happened to it And what does this mean for us on Earth With in depth research and accessible prose After the Martian Apocalypse explains how our own survival may depend on confronting the strange and ancient truths to be found on the Red Planet Challenging orthodox notions of humanity's role in space this unputdownable book effortlessly proves that to truly understand our own world we must first understand our unsettling and enigmatic planetary neighbor

The Chaos Conundrum Aaron John Gulyas, 2014-01-23 In The Chaos Conundrum historian Aaron John Gulyas examines how the paranormal has intersected and influenced our culture in myriad ways from the conspiracy beliefs of William Cooper and Exopolitics to the challenge that the stories of Gray Barker presented to our concept of self and time He looks at the maelstrom of personalities agendas impressions data confusion and contradictions that can be found in the world of the weird and demonstrates how they have become an integral part of our lives whether in the form of flying saucers hauntings religious revelations psychic abilities or dozens of other guises Gulyas delves into the stories of the people who have attempted to create order out of the chaos Along the way he recounts his own journey from enthusiastic believer in the shadow government and their underground bases to jaded academic skeptic and then finally to someone who thinks there might just be something to the paranormal after all but not what we have been led to expect or believe *Posthuman Blues* Mac Tonnies, 2013-05-20 Posthuman Blues Vol I is first volume of the edited version of the popular weblog maintained by author Mac Tonnies from 2003 until his tragic death in 2009 Tonnies blog was a pastiche of his original fiction reflections on his day to day life trenchant observations of current events and thoughts on an eclectic range of material he culled from the Internet What resulted was a remarkably broad portrait of a thoughtful man and the complex times in which he lived rendered with intelligence imagination and a wickedly absurdist sense of humor **The Other Side of Truth** Paul

Kimball, 2013-04-02 In The Other Side of Truth filmmaker Paul Kimball crosses the Rubicon of the imagination to explore the idea that what we call the paranormal is actually a form of artistic expression created by an advanced non human intelligence to inspire us to think about who we are where we have been and where we are going Using his own journey of discovery as the starting point Kimball presents the other side of truth the world not as we have been told it is but as we are being encouraged to imagine that it could become **A UFO Hunter's Guide** Bret Lueder, 2025-09-12 Alien abductions Repeated UFO sightings Conspiracies and cover ups Whether you're a skeptic or a believer UFOs are part of our culture How to sort out fact from fiction A UFO Hunter's Guide has the answers the facts figures people places and events that make up the modern scope of UFO ology A UFO Hunter's Guide features Competing theories about UFOs Famous cases and hot spots

around the world Field tips from investigators and researchers An extensive list of international UFO research societies Lueder cites the contributions and findings of world renowned researchers Zecharia Sitchin William Bramley Jordan Maxwell Nancy Red Star Stanton Friedman Dr Carl Sagan Jacques Vallee Raymond Fowler and many others along with a vast array of case sightings alleged contacts and abductions Whether you re simply curious or a researcher with a serious interest in uncovering the truth about UFOs A UFO Hunter s Guide is a valuable resource **The Martians** Nick Redfern, 2020-10-01 This provocative and exciting book makes a startling case for there being life on Mars Whitley Strieber 1 New York Times bestselling author of Communion The Martians is an in depth study of the theory that Mars was once a world that teemed with life Perhaps even life not too dissimilar to ours Incredibly the Martians may still be there Alive The questions that this book asks and answers include the following What kind of society did the Martians have What caused their world to become harsh and desert like Did global warming or nuclear war ensure the extinction of the Martians Are Martian artifacts strewn about the surface just waiting to be found by the likes of NASA Has NASA already found such evidence but chosen to withhold such monumental finds from the public and the media Could some form of the Martians still exist deeply below the surface of the planet in secure installations that allow them to ensure their civilization continues What do we know about the Martian environment its atmosphere and its landscape The Martians explores the CIA s top secret search for the Martians multiple photos of strange anomalies and the latest revelations about the environment and water on Mars And most tantalizing of all Did an ailing Martian race come to Earth in past eons and were they confused with gods The questions concerning life on Mars then and now are many The answers are astounding **American Book Publishing Record** , 2003

,2000 **The Case for the Face** Stanley V. McDaniel, Monica Rix Paxson, 1998 This readable richly illustrated and remarkable book makes a case for the idea that an alien race left huge constructions on Mars known as the Cydonia Mystery evidenced by a mile long humanlike Mars Face surrounded by pyramid structures *Moon Mars Monuments Madness* Ross Marshall, 2014-03-20 The Search for Alien Artifacts brings you Volume 2 Moon Mars Monuments Madness A Lunar and Martian analyses of odd and offbeat surface features believed to be of Extraterrestrial origin by alien artifact hunters Get this volume if you want to really know the truth It is exciting and shocking for both students of planetary studies and professional space scientists You will never be the same after reading The Search for Alien Artifacts Series Does the Moon and Mars have alien refuse left over construction devices and abandoned habitat See for yourself and decide whether or not aliens have visited and colonized our solar system This volume studies in detail the researches put forth by Fred Steckling and Richard Hoagland in We Discovered Alien Bases on the Moon and The Monuments of Mars Enjoy a trip through the wonderful world of wacky wastelands left behind by wayfaring ET wonderers Illustrated with 100 s of NASA photographs *Secret Mars* M J Craig, 2013-09-09 WHY HAS NASA not announced to the world the greatest scientific discovery ever made in the history of space exploration DO YOU WANT to know what has REALLY been discovered by the cameras of the Mars Orbiters and Rovers While NASA scientists spend billions of dollars confirming that microbes live in the Martian soil people sitting at home on their computers studying the Mars images are making far more astounding discoveries they have found nothing less than the archaeological remains of an extraterrestrial civilization A piece of machinery half buried in the Martian sand A small object looking very much like a broken plate A precision hollow square box or metal casing These objects were found on images taken by NASA s Spirit Rover at Gusev Crater on the planet Mars and there are many more Hard to believe Well this challenging book invites you to take a look at the pictures yourself and make up your own mind SECRET MARS presents over 100 incredible images taken by American and European spacecraft that show undeniable evidence of a civilization that once lived and may yet still live on the planet Mars Evidence which scientists are completely ignoring SECRET MARS also reveals the shocking reason why this discovery is being kept secret from the world M J Craig the author of Secret Mars states The Face on Mars was just the beginning The world as you know it is about to change profoundly **Alien Intelligence and the Pathway to Mars** Mary Bennett, 2021-05-04 Details how exploratory probes sent to Mars in the 1970s triggered a plethora of anomalous events particularly crop circles glyphs and how these events are messages from ET intelligence to help us send a human mission to Mars Reveals how the anomalous Cydonia region of Mars fits the Golden Ratio Spiral and looks at links between Martian formations and Earth s ancient sites Illustrated throughout with color photographs maps and diagrams In this full color study based on 25 years of research Mary Bennett explores the ancient and modern connections

between Mars and Earth as well as how extraterrestrial intelligences are trying to assist us in constructing a viable spacecraft to take a human crew swiftly and safely to Mars She details how exploratory probes sent to Mars in the 1970s triggered over three decades of anomalous yet scientifically validated events including crop circles or crop glyphs She explains how these formations along with related events encode advanced engineering concepts that offer solutions to the fundamental problems presently hindering long haul crewed spaceflight whether to the Moon Mars or beyond Looking at the red planet itself the author reveals the scientifically verifiable evidence pointing to intelligent design on the surface of Mars specifically in the Cydonia region which fits the Golden Ratio Spiral She looks at the covert links between the Martian formations and Earth's ancient sites such as the Avebury landscape in England and the Giza Complex She describes how agencies concerned with space travel have been quietly mirroring areas of Mars through construction projects here on Earth revealing that many of the ET messages have already been partially decoded Taking you from a complex on Mars to the Teotihuacan pyramids in Mexico from phi ratios to the Pentagon from the Great Pyramid to quantum computing this exploration of the hidden influence of Mars shows that our abilities as a future space faring species began in the ancient past and are now coming to fruition

Secret Mars M J Craig, 2013-09-09 Why has NASA not announced to the world the greatest scientific discovery ever made in the history of space exploration Do you want to know what has REALLY been discovered by the Orbiter and Rover cameras on the planet Mars While scientists spend billions of dollars confirming that microbes live in the Martian soil people sitting at home on their computers studying the Mars images are making far more astounding discoveries they've found the possible archaeological remains of an extraterrestrial civilization Hard to believe Well this challenging book invites you to take a look at the astounding pictures yourself and make up your own mind SECRET MARS presents over 100 incredible images taken by American and European spacecraft that reveals possible evidence of a civilization that once lived and may still live on the planet Mars Evidence which scientists are completely ignoring SECRET MARS reveals the shocking reason why NASA are forbidden to tell the world about what has been found The Face on Mars was just the beginning The world as we know it may be about to change forever M J Craig author of Secret Mars **Is Anyone Else on the Moon?** Ross Marshall, 2014-02-17 A photographic study in Selenography lunar geology whereby an attempt is made to determine whether there is evidence for extraterrestrial activity of ET aliens and alien artifacts on the moon and Mars Illustrated with hundreds of B W NASA pictures 483 pages **Mars Lives! Hidden Martian Archeology** Dieter Crowley, 2016-10-15 The biggest question in the exploration of Mars has been whether or not Mars has or ever did support life Surprisingly enough some of the original Viking experiments presented evidence of microbial life and in 2012 36 years after the Viking missions Discovery News released an update from a team of researchers who unanimously concluded that the 1976 Viking experiments did indeed provide NASA with evidence of life on Mars There's a good reason we are pushing to send a manned mission to Mars and the true reasons may be more astonishing than most might realize **Alien**

Artifacts Volume - 2 Ross S. Marshall, 2015-08-02 REVISED Edition 2 of Moon Mars Monuments Madness With revised text The view that aliens inhabit our solar system and have left artifacts strewn about our planetary neighbors has spread like wild fire into every corner of society and government The alien presence religion is now a global reality and is considered true by more than half the world's population It intrigues the rich the poor the educated and the illiterate as well as politicians and religious people In the last sixty years it has practically taken over the world is universal non sectarian indiscriminate and its membership exceeds that of all the religions of the world combined In fact most religions allow it to be believed because it is a religious belief itself with not a shred of evidence to back it up So what harm is it to believe Much harm This mythology ruins any chance for the individual of ever knowing truth Study along with the facts and learn real science as we liquidate Leonardean legacy the Steckling stupidity and the Hoagland heresy of alien artifacts on the moon This is Volume 2 of a series exposing and debunking alien artifacts supposedly seen in the orbiter photographs of our solar system

Ancient Martian Artifacts the Shocking Real Photos Johnny Vincento, 2025-03-23 THE BIBLE SAYS THAT IN THE END TIMES ALL THE TRUTH WILL BE IN PLAIN SIGHT As the leading physicist in quantum entanglement teleportation I have been sent photos from around the world on what the real story of Mars is I am going to show you a story that will shock you to your being It is not bad it is just a real blast of knowledge all at once And it is hard to take in I recall a movie that said can you handle the truth TO TELL YOU THE TRUTH I was considering not even writing this book after seeing an alien civilization's artwork What has been found is basically a whole library written in sculptures Some carvings in mountains and others hollow like you would see at a theme park here on Earth From the exploration from the Mars global satellites What an archaeologists dream to walk around those ruins As far as the exo system Mars is thriving at the equator especially Herds of different species of animals Documented are the best photographed new discovered animals Entire

forests and liquid water lakes Mars has air what percentage unknown The planet basically is not red or black and white It is in full life in areas and green I did see some original photos from NASA They get them in color and give to public in black and white Mars has a blue sky Many of the flat terrain with designs on ground are entire forest top canopies As far as the ancient Martian artwork if you see something in a photo differently that is true too Many of these sculpures are not one image They are many in one Depending on what direction the Sun hits is a different image and what angle you look at them from With all these great things the scuptures do tell a story They had a religion simular to pagans with different Gods One sculpture would fit in with what the Book of Enoch and Bible says That is where the giants came from and that huge scull as an ornament is the proof The sculptures of the giants was a different branch and answer questions about our early human story
