Robert Stern

Agency And Autonomy In Kants Moral Theory Selected Essays:

Agency and Autonomy in Kant's Moral Theory Andrews Reath, 2006 Kant's theory of moral sensibility respect for the moral law and the influence of inclination Hedonism heteronomy and Kant's principle of happiness The categorical imperative and Kant's conception of practical rationality Legislating the moral law Autonomy of the will as the foundation of morality Legislating for a realm of ends the social dimension of autonomy Agency and universal law Self legislation and duties to oneself Agency and the imputation of consequences in Kant's ethics

Agency and Autonomy in Kant's Moral Theory Andrews Reath, 2006-02-23 Andrews Reath presents a selection of his best essays on various features of Kant's moral psychology and moral theory with particular emphasis on his conception of rational agency and his conception of autonomy The opening essays explore different elements of Kant's views about motivation including his account of respect for morality as the distinctive moral motive and his view of the principle of happiness as a representation of the shared structure of non moral choice These essays stress the unity of Kant's moral psychology by arguing that moral and non moral considerations motivate in essentially the same way Several of the essays develop an original approach to Kant's conception of autonomy that emphasizes the political metaphors found throughout Kant's writings on ethics They argue that autonomy is best interpreted not as a psychological capacity but as a kind of sovereignty in claiming that moral agents have autonomy Kant regards them as a kind of sovereign legislator with the power to give moral law through their willing The final essays explore some of the implications of this conception of autonomy elsewhere in Kant's moral thought arguing that his Formula of Universal Law uses this conception of autonomy to generate substantive moral principles and exploring the connection between Kantian self legislation and duties to oneself The collection offers revised versions of several previously published essays as well as two new papers Autonomy of the Will as the Foundation of Morality and Agency and Universal Law It will be of interest to all students and scholars of Kant and to many moral philosophers

Kant's Doctrine of Virtue Mark Timmons, 2021 Immanuel Kant's final publication in ethics was *The Doctrine of Virtue* Part II of the 1797 *The Metaphysics of Morals* This text presents Kant's normative ethical theory This guide is meant to be read alongside Kant's text combining accessible explanations and novel interpretations of this difficult text It is the first book in English devoted to *The Doctrine of Virtue* one of Kant's most significant works Timmons divides the guide into five parts Part I reviews Kant's life the history and significance of *The Doctrine of Virtue* and situates Kant's ethics within his general metaphysical and epistemological views Part II is devoted to the General Introduction to *The Metaphysics of Morals* which is essential for understanding Kant's ethics Part III and Part IV turn to *The Doctrine of Virtue* itself exploring Kant's defense of a system of duties and corresponding virtues Part V examines Kant's conception of moral education the practice of virtue and the conclusion to the book where Kant explains why the discipline of ethics does not include religion as a doctrine of duties to God Timmons concludes the book highlighting key aspects of *The Doctrine of Virtue* situating Kant's ethical theory in relation to other

normative ethical theories This guide is a vital resource for both students and scholars interested in ethics and the history of philosophy

Kant on Persons and Agency Eric Watkins, 2018 This volume investigates Kant's conception of what a human being is and how a human being can act autonomously Scholars explore fundamental topics such as freedom, autonomy and personhood from both practical and theoretical perspectives and consider their importance within Kant's wider system of philosophy

Realism and Antirealism in Kant's Moral Philosophy Robinson dos Santos, Elke Elisabeth Schmidt, 2017-12-18 The debate between moral realism and antirealism plays an important role in contemporary metaethics as well as in the interpretation of Kant's moral philosophy This volume aims to clarify whether and in what sense Kant is a moral realist, an antirealist or something in between Based on an explication of the key metaethical terms internationally recognized Kant scholars discuss the question of how Kant's moral philosophy should be understood in this regard All camps in the metaethical field have their inhabitants Some contributors read Kant's philosophy in terms of a more or less robust moral realism, objectivism or idealism and some of them take it to be a version of constructivism, constitutionism or brute antirealism In any case all authors introduce and defend their terminology in a clear manner and argue thoughtfully and refreshingly for their positions With contributions of Stefano Bacin, Jochen Bojanowski, Christoph Horn, Patrick Kain, Lara Ostaric, Fred Rauscher, Oliver Sensen, Elke Schmidt, Dieter Schönecker and Melissa Zinkin

Kant and the Limits of

Autonomy Susan Meld Shell, 2009-08-30 Autonomy for Kant is not just a synonym for the capacity to choose whether simple or deliberative It is what the word literally implies: the imposition of a law on one's own authority and out of one's own rational resources In *Kant and the Limits of Autonomy* Shell explores the limits of Kantian autonomy both the force of its claims and the complications to which they give rise Through a careful examination of major and minor works Shell argues for the importance of attending to the difficulty inherent in autonomy and to the related resistance that in Kant's view autonomy necessarily provokes in us Such attention yields new access to Kant's famous and famously puzzling *Grounding of the Metaphysics of Morals* It also provides for a richer and more unified account of Kant's later political and moral works and it highlights the pertinence of some significant but neglected early writings including the recently published *Lectures on Anthropology* *Kant and the Limits of Autonomy* is both a rigorous philosophical and historically informed study of Kantian autonomy and an extended meditation on the foundation and limits of modern liberalism

The Continuum Companion to Kant Gary Banham, Dennis Schulting, Nigel Hems, 2012-02-16 Including over 500 specially commissioned entries from a team of leading international scholars, this is an essential reference to Kant's thought, writings and continuing influence

Kantian Ethics Robert Stern, 2015 This volume presents a selection of Robert Stern's work on the theme of Kantian ethics The topics he explores include value perfectionism, agency, autonomy, moral motivation, moral scepticism and obligation and he considers the influence of Kant's ethics on subsequent thinkers up to the present day

Kant's Will at the Crossroads

Jens Timmermann, 2022 Jens Timmerman illuminates Immanuel Kant's answer to an age-old philosophical question: what

happens when human beings fail to do as reason bids He shows that Kant's hybrid theory comprises Socratic intellectualism in the realm of prudence along with an anti intellectualist or volitional account of immoral action *Kant on Maxims and Moral Motivation* Peter Herissone-Kelly, 2019-01-17 This book outlines and circumvents two serious problems that appear to attach to Kant's moral philosophy or more precisely to the model of rational agency that underlies that moral philosophy the problem of experiential incongruence and the problem of misdirected moral attention The book's central contention is that both these problems can be sidestepped In order to demonstrate this it argues for an entirely novel reading of Kant's views on action and moral motivation In addressing the two main problems in Kant's moral philosophy the book explains how the first problem arises because the central elements of Kant's theory of action seem not to square with our lived experience of agency and moral agency in particular For example the idea that moral deliberation invariably takes the form of testing personal policies against the Categorical Imperative seems at odds with the phenomenology of such reasoning as does the claim that all our actions proceed from explicitly adopted general policies or maxims It then goes on to discuss the second problem showing how it is a result of Kant's apparent claim that when an agent acts from duty her reason for doing so is that her maxim is lawlike This seems to put the moral agent's attention in the wrong place on the nature of her own maxims rather than on the world of other people and morally salient situations The book shows how its proposed novel reading of Kant's views ultimately paints an unfamiliar but appealing picture of the Kantian good willed agent as much more embedded in and engaged with the world than has traditionally been supposed Kant's Groundwork for the Metaphysics of Morals Henry E. Allison, 2011-10-06 Henry E Allison presents a comprehensive commentary on Kant's Groundwork for the Metaphysics of Morals 1785 It differs from most recent commentaries in paying special attention to the structure of the work the historical context in which it was written and the views to which Kant was responding Allison argues that despite its relative brevity the Groundwork is the single most important work in modern moral philosophy and that its significance lies mainly in two closely related factors The first is that it is here that Kant first articulates his revolutionary principle of the autonomy of the will that is the paradoxical thesis that moral requirements duties are self imposed and that it is only in virtue of this that they can be unconditionally binding The second is that for Kant all other moral theories are united by the assumption that the ground of moral requirements must be located in some object of the will the good rather than the will itself which Kant terms heteronomy Accordingly what from the standpoint of previous moral theories was seen as a fundamental conflict between various views of the good is reconceived by Kant as a family quarrel between various forms of heteronomy none of which are capable of accounting for the unconditionally binding nature of morality Allison goes on to argue that Kant expresses this incapacity by claiming that the various forms of heteronomy unavoidably reduce the categorical to a merely hypothetical imperative *The Routledge Companion to Eighteenth Century Philosophy* Aaron Garrett, 2014-03-21 The Eighteenth century is one of the most important periods in the history of Western philosophy

witnessing philosophical scientific and social and political change on a vast scale In spite of this there are few single volume overviews of the philosophy of the period as a whole The Routledge Companion to Eighteenth Century Philosophy is an authoritative survey and assessment of this momentous period covering major thinkers topics and movements in Eighteenth century philosophy Beginning with a substantial introduction by Aaron Garrett the thirty five specially commissioned chapters by an outstanding team of international contributors are organised into seven clear parts Context and Movements Metaphysics and Understanding Mind Soul and Perception Morals and Aesthetics Politics and Society Philosophy in relation to the Arts and Sciences Major Figures Major topics and themes are explored and discussed ranging from materialism free will and personal identity to the emotions the social contract aesthetics and the sciences including mathematics and biology The final section examines in more detail three figures central to the period Hume Rousseau and Kant As such The Routledge Companion to Eighteenth Century Philosophy is essential reading for all students of the period both in philosophy and related disciplines such as politics literature history and religious studies Handbook of Critical Studies of Artificial Intelligence Simon Lindgren,2023-11-03 As artificial intelligence AI continues to seep into more areas of society and culture critical social perspectives on its technologies are more urgent than ever before Bringing together state of the art research from experienced scholars across disciplines this Handbook provides a comprehensive overview of the current state of critical AI studies Kant's Metaphysics of Morals Lara Denis,2010-10-28 Immanuel Kant s Metaphysics of Morals 1797 containing the Doctrine of Right and Doctrine of Virtue is his final major work of practical philosophy Its focus is not rational beings in general but human beings in particular and it presupposes and deepens Kant s earlier accounts of morality freedom and moral psychology In this volume of newly commissioned essays a distinguished team of contributors explores the Metaphysics of Morals in relation to Kant s earlier works as well as examining themes which emerge from the text itself Topics include the relation between right and virtue property punishment and moral feeling Their diversity of questions perspectives and approaches will provide new insights into the work for scholars in Kant s moral and political theory

Liberalism, Diversity and Domination Inder S. Marwah,2019-05-23 Examines how distinctive liberalisms respond to racial cultural gender based and class based forms of diversity and difference Rethinking Kant Pablo Muchnik,2009-03-26 This collection of essays bears witness to the richness and vitality of Kantian studies in North America It contains the bulk of the papers presented at the Fourth Annual Meeting of the Eastern Study Group of the North American Kant Society ENAKS which took place at the University of Southern Maine in May 2007 It offers a sample of a whole generation of Kantian thought ranging from recent Ph Ds to up and coming young scholars to some well established and influential players in the field Gathering voices from philosophers at all levels of their professional development the goal of the collection is to offer a glimpse at the current state of Kantian scholarship in the US The essays collected here cover some of the most important and controversial themes in Kant s philosophy questions of freedom the relation between anthropology and morality the notion of

the highest good and Kant's teleology radical evil and revolution The last section places Kant in the context of German Idealism and contemporary discussions in analytic philosophy and liberal political theory Some critical other exegetical or apologetic all these essays show a sustained effort to Rethinking Kant and indicate his importance for current philosophical debates

Kant's Reason Karl Schafer, 2023 Kant's Reason develops a novel interpretation of Kant's conception of reason and its philosophical significance Karl Schafer argues that Kant presents a powerful model for understanding the unity of theoretical and practical reason as two manifestations of a unified capacity for theoretical and practical understanding or comprehension This model allows us to do justice to the deep commonalities between theoretical and practical rationality without reducing either to the other In particular it enables us to see why the activities of both theoretical and practical reason are governed by a version of the Principle of Sufficient Reason while also seeing why reason is essentially autonomous At the same time Kant's Reason reads Kant as presenting a compelling picture of the role that reason as a capacity or power should play in a systematic approach to foundational philosophical questions In doing so it argues for an account of the fundamental norms that apply to rational beings that treats neither substantive reasons or values nor merely structural rationality as fundamental but instead provides a robust conception of reason as a power or capacity for theoretical and practical understanding The result is a form of rational constitutivism which contrasts both with the forms of reasons fundamentalism that are currently fashionable and the forms of agency first constitutivism that have dominated Kantian metaethics In this sense this volume aims to vindicate Kant's insistence that his philosophy represents nothing more or less than reason's implicit self understanding coming to explicit and systematic self consciousness

The Routledge Handbook of Autonomy Ben Colburn, 2022-12-30 The question of autonomy is fundamental to understanding some of the most important questions and debates in contemporary political and moral life from freedom of the individual free will and decision making to controversies surrounding medical ethics human rights and the justifications for state intervention It is also a crucial concept for understanding the development of liberalism The Routledge Handbook of Autonomy is a comprehensive survey and assessment of the key figures debates and problems surrounding autonomy Comprising over forty chapters by an international team of contributors the Handbook is divided into five clear parts Autonomy through History Foundations of Autonomy Threats to Autonomy The Significance of Autonomy Autonomy in Application Within these sections all the essential topics are addressed making The Routledge Handbook of Autonomy an outstanding reference source for those in political philosophy ethics applied ethics and philosophy of law It is also highly recommended reading for those in related subjects such as politics social policy and education

Understanding Moral Obligation Robert Stern, 2011-12-15 In many histories of modern ethics Kant is supposed to have ushered in an anti realist or constructivist turn by holding that unless we ourselves author or lay down moral norms and values for ourselves our autonomy as agents will be threatened In this book Robert Stern challenges the cogency of this argument from autonomy and claims that Kant never subscribed to it

Rather it is not value realism but the apparent obligatoriness of morality that really poses a challenge to our autonomy how can this be accounted for without taking away our freedom The debate the book focuses on therefore concerns whether this obligatoriness should be located in ourselves Kant in others Hegel or in God Kierkegaard Stern traces the historical dialectic that drove the development of these respective theories and clearly and sympathetically considers their merits and disadvantages he concludes by arguing that the choice between them remains open

Kant on Sex, Love, and Friendship Pärttyli Rinne, Martin Brecher, 2023-10-04 Sex love and friendship play an integral role in Immanuel Kant's conception of human life Against common prejudices Kant provides substantial contributions to the philosophical discussion of these topics This unique collection of essays sheds light on how the notions function in Kant's philosophy both individually and in conjunction with each other The essays examine intertwined issues such as theory of sexuality marriage including same sex marriage morality and sexual objectification love and autonomy love of human beings the conceptual structure of love friendship misanthropy and the highest good The contributors include internationally well known experts in the field They approach the topics diversely from historical philosophical critical and interpretative perspectives The collection will be an invaluable resource for Kant scholars and for anyone interested in affective social relations in the history of philosophy and beyond

Agency And Autonomy In Kants Moral Theory Selected Essays Book Review: Unveiling the Power of Words

Agency And Autonomy In Kants Moral Theory Selected Essays Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Agency And Autonomy In Kants Moral Theory Selected Essays free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Agency And Autonomy In Kants Moral Theory Selected Essays free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While

downloading Agency And Autonomy In Kants Moral Theory Selected Essays free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Agency And Autonomy In Kants Moral Theory Selected Essays. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Agency And Autonomy In Kants Moral Theory Selected Essays any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Agency And Autonomy In Kants Moral Theory Selected Essays Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Agency And Autonomy In Kants Moral Theory Selected Essays is one of the best book in our library for free trial. We provide copy of Agency And Autonomy In Kants Moral Theory Selected Essays in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Agency And Autonomy In Kants Moral Theory Selected Essays. Where to download Agency And Autonomy In Kants Moral Theory Selected Essays online for free? Are you looking for Agency And Autonomy In Kants Moral Theory Selected Essays PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Agency And Autonomy In Kants Moral Theory Selected Essays. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are

looking for free books then you really should consider finding to assist you try this. Several of Agency And Autonomy In Kants Moral Theory Selected Essays are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Agency And Autonomy In Kants Moral Theory Selected Essays. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Agency And Autonomy In Kants Moral Theory Selected Essays To get started finding Agency And Autonomy In Kants Moral Theory Selected Essays, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Agency And Autonomy In Kants Moral Theory Selected Essays So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Agency And Autonomy In Kants Moral Theory Selected Essays. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Agency And Autonomy In Kants Moral Theory Selected Essays, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Agency And Autonomy In Kants Moral Theory Selected Essays is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Agency And Autonomy In Kants Moral Theory Selected Essays is universally compatible with any devices to read.
