Electronics Buying Guide Consumer Reports,2007-09-18 A consumer guide integrates shopping suggestions and handy user tips as it describes and rates dozens of digital electronic products including cell phones digital cameras televisions computers and home theater products *Electronics Buying Guide* ,2008 **Creating Web Pages For Dummies** Bud E. Smith,2008-11-03 It s easy to design build and post a Web page with Google Page Creator or CoffeeCup HTML Editor but a friendly guide still comes in handy Creating Web Pages For Dummies 9th Edition introduces you to Web design software and online page building tools and walks you through the process in record time Like its previous editions this book gives you the skinny on getting Web pages up and running with the least amount of hassle But not just ho hum Web pages Yours will look fantastic and be easy to build and you ll even get a trial version of CoffeeCup HTML Editor and visual design tools on the bonus CD You ll learn to Get a simple page designed and online by the end of Chapter 3 Optimize photos video and audio for the Web and get them onto your page Register for a Google account and use the versatile Google Page Creator Build pages using basic HTML or CoffeeCup HTML Editor Identify and apply elements of design avoid common errors and create pages that get noticed Maintain control by creating and editing pages in HTML with a text editor Understand how image file size affects your pages how to upload photos to Flickr and how to add sound and video files to your Web pages Develop your pages into a site with CoffeeCup HTML Editor and Visual Editor You ll even find out more about blogging and Blogger com The trial software on the CD is for Windows but the instructions for building great Web pages work on any system Note CD ROM DVD and other supplementary materials are not included as part of eBook file **Consumer Reports Buying Guide** Consumer Reports,2007-11 This is the 2008 edition to get help with trusted product reviews and comparisons **A Tenth-Century Byzantine Military Manual: The Sylloge Tacticorum** ,2017-07-14 The Sylloge Tacticorum is a mid Byzantine example of the literary genre of military manuals or Taktika which stretches back to antiquity It was one of a number produced during the tenth century CE a period when the Byzantine empire enjoyed a large measure of success in its wars against its traditional enemy the Arabs Compiled to record and preserve military strategies know how and tactics the manual discusses a wide variety of matters battle formations raids sieges ambushes surprise attacks the treatment of prisoners of war and defectors distribution of booty punishment of military offences how to mount effective espionage and how to send and receive envoys There is even advice on the personal qualities required by generals on how to neutralize enemy horses and on how to protect the troops against poisoned food The work culminates in an account of the stratagems employed by great Greek and Roman military commanders of the past While like so much of Byzantine literature the Sylloge often simply reproduces material found in earlier texts it also preserves a great deal of information about the military tactics being developed by the Byzantine army during the tenth century It is the first Byzantine source to record the reappearance of a specialized heavy cavalry the kataphraktoi and of a specialized infantry the menavlatoi used to repel the attacks of the

opposing heavy cavalry There is also a great deal of information on new infantry and cavalry formations and on the new tactics that required them This is the first complete translation of the Sylloge into English It is accompanied by a glossary of the specialised Greek military vocabulary used in the work and by footnotes which explain obscure references and identify the author's classical and Byzantine sources An introduction places the work in its historical and literary context and considers some of the questions that have remained unanswered over the centuries such as its authorship and the date of its composition
