

The background of the cover features a complex, three-dimensional molecular structure. It consists of numerous spheres of varying sizes, representing atoms, connected by thin, light-colored rods representing chemical bonds. The spheres are rendered with a metallic or glass-like texture, showing highlights and reflections. The overall color palette is a mix of warm and cool tones, with a gradient from a light yellowish-brown at the top to a darker, muted greenish-grey at the bottom. The molecular structure is distributed across the entire cover, with some parts appearing more in focus than others, creating a sense of depth.
