*Atom-Smashing Power of Mind* Charles Fillmore, 2014-08-25 Table of Contents FOREWORD THE ATOMIC AGE THE RESTORATIVE POWER OF THE SPIRIT SPIRITUAL OBEDIENCE I AM OR SUPERCONSCIOUSNESS THE DAY OF JUDGMENT THOU SHALT DECREE A THING THINKING IN THE FOURTH DIMENSION IS THIS GOD S WORLD DEMONSTRATING CHRIST THOUGHT BY THOUGHT TRUTH RADIATES LIGHT THE ONLY MIND CONTACT WITH THE CHRIST MIND METAPHYSICS OF SHAKESPEARE THE BODY FAITH PRECIPITATIONS THE SEED IS THE WORD THE RESURRECTING POWER OF THE WORD TRANSFIGURATION THE END OF THE AGE QUESTIONS Mind is the storehouse of ideas Man draws all his ideas from this omnipresent storehouse Every man who accomplishes things sees first in his mind what he wishes to do He puts away all doubt It makes no difference how small or how large the thing you want to do may be if you have an unlimited confidence in your ability to do it you will do it Scientists have invented a machine that records the forces of thought Every thought expressed by the mind radiates an energy as it passes through the brain cells and this machine measures the force of these radiations When we awake to the fact that every breath we draw is releasing this all potent electronic energy and it is shaping our lives for good or ill according to our faith then we shall begin to search for the law that will guide us aright in the use of power Let s discover the secrets to use our mind to attract abundance into our life The great and most important issue before the people today is the development of man s spiritual mind and through it unity with God The taproot of all our confusion is our failure to use our mind intelligently We can only think as God would have us think by adjusting our thoughts to divine ideas Religion and all that it implies in prayer and recognition of God in idea and manifestation is the one and only way out of the chaos in which we find ourselves We must therefore begin at once to develop this unity with the Father Mind by incorporating divine ideas into all that we think and speak     **Unity** ,1979

**Atom-Smashing Power of Mind** Charles Fillmore, 2022-05-18 In *Atom Smashing Power of Mind* Charles Fillmore intricately weaves metaphysical philosophy with the principles of science presenting a unique synthesis that explores the profound connection between mind and matter Fillmore employs a poetic yet didactic literary style beckoning readers to delve into the possibilities of harnessing mental energy for personal and collective transformation The book is positioned within the New Thought movement a burgeoning philosophical context in the early 20th century that emphasized the power of thought in shaping reality and personal experiences making Fillmore s insights particularly poignant for those seeking empowerment through consciousness Charles Fillmore co founder of the Unity Church dedicated his life to exploring the intersections of spirituality and practical application His extensive study of various religious texts coupled with his own personal experiences led him to advocate for the idea that the mind possesses the ability to influence both the internal and external world This background provided him with a distinctive lens through which to examine spiritual principles ultimately molding his arguments in this critically acclaimed work *Atom Smashing Power of Mind* is essential reading for those

interested in metaphysics personal development and the integration of science and spirituality Fillmore s groundbreaking theories challenge the reader to reconsider their mental processes making it a compelling invitation to explore the untapped potentials of the human mind      **Atom-Smashing Power of Mind (Original Classic Edition)** Charles Fillmore,2019-07-21 Charles Fillmore a New Thought visionary demonstrates that your thoughts are the most powerful force In the universe and the awesome energy unleashed by the splitting of the atom is synonymous with the mental power inherent in the lives of every individual      Bulletin of the Atomic Scientists ,1959-02 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world      The Infinite Energy of Mind Charles Fillmore,2023-11-11 In The Infinite Energy of Mind Charles Fillmore explores the profound relationship between consciousness and creativity delving into the metaphysical principles that govern thought and manifestation The book is written in an accessible yet profound literary style blending philosophical discourse with spiritual insights all steeped in the New Thought movement s tenets Fillmore articulates the transformative power of the mind using a confluence of anecdotal evidence and spiritual doctrines to illustrate how individuals can harness their innate mental energies to achieve their fullest potential Through a mix of practical guidance and theoretical exploration he invites readers into a realm where thought is not merely a cognitive process but a dynamic force shaping one s reality Charles Fillmore co founder of the Unity Church was a pivotal figure in the New Thought movement deeply influenced by his own life experiences and spiritual journey His belief in the power of affirmative thought and the potential for personal transformation stemmed from his early struggles with health and finances prompting him to search for deeper spiritual truths Fillmore s unique perspective integrates Christian mysticism Eastern philosophies and metaphysical thought making his works resonate across various spiritual landscapes This book is highly recommended for those seeking to understand the mechanics of consciousness and its impact on life Readers interested in self improvement psychology or spirituality will find Fillmore s insights invaluable as they navigate their journeys towards personal empowerment and self realization      *Christian Register and Boston Observer* ,1904      *The Atom-Smashing Power of Your Mind* Charles Fillmore,2019-12-18 A great many passages in this book testify to Charles Fillmore s persistent interest in what is popularly called atomic energy and the promise held out by its development of a better world for mankind From another standpoint Charles Fillmore s mind was simply fascinated by the idea of the atom this infinitesimal particle of substance and the enormous energy locked up in it At times he thought of it as the most perfect representation in the manifest world of that divine mental or spiritual energy which pervades all things and which when properly expressed through the minds of His children serves so greatly to glorify God At other times he thought of it as the very essence of this mental or spiritual energy Spirit mind itself The reader will find each one of these standpoints set forth over and over perhaps vaguely and mystically at times but ever testifying to the alertness and vitality of Charles Fillmore s
