And You Call Yourself A Christian Urban S:

And You Call Yourself a Christian E.N. Joy,2012-04-24 Out of all the divas at New Day Temple of Faith Unique has to be the most colorful one she and her mother Lorain that is Never one to hold her tongue in the name of keepin it real it s no surprise that Unique has not been saved all her life It s safe to say that Lorain wasn t born on the church pew either Let the church folk tell it the apple hasn t fallen too far from the tree when it comes to Unique Lorain once known as the tight skirt V neck blouse too much makeup wearing leader of the New Day Singles Ministry claims she s there to look out for her daughter and try to keep her in check But how in the world does Lorain think she can even begin to keep her daughter on the straight and narrow with her own crooked life Some might say Lorain has failed miserably as a mother when Unique ends up in jail for three counts of murder One who would agree is the woman who raised Unique while Lorain was out living her life freely As an all out war takes place between Unique s birth mother and the woman who raised her will Unique have any support while she fights for her life behind bars Will all forsake her while they are too busy with their own agendas Only God holds the answer to this one And You Call Yourself a Christian? Ev Leadingham,2001-10 Compares 13 misconceptions about Christianity to Scripture Each misconception is held up to the bright light of Scriptural Truth Pupil **Ministry Loves Company** John T. Galloway,2003-01-01 InMinistry Loves Company John Galloway provides new and veteran pastors with insights on establishing and maintaining a vital parish ministry while remaining invigorated by the practice of ministry Drawing on the image of a congregation as a family Galloway uses anecdotes to describe the life of a congregation and the life of a pastor who have both been called to be the body of Christ Poignant memorable and often humorous Galloway s reflections derive from his own personal experiences as a pastor Ministry Loves Companyuniquely addresses the many challenges facing today s pastors and serves as a practical guide for those entering the minstry as well as those veteran pastors who are seeking to remain courageous and excited about parish ministry Church Planting in Post-Christian Soil Christopher B. James,2018 Defying predictions of the inevitable decline of Christianity in the US Church Planting in Post Christian Soil presents the untold story of new churches springing up in Seattle one of the most post Christian cities in the nation Queer Virtue The Reverend Elizabeth M. Edman,2017-05-23 LGBTQ people are a gift to the Church and have the potential to revitalize Christianity As an openly lesbian Episcopal priest and professional advocate for LGBTQ justice the Reverend Elizabeth Edman has spent her career grappling with the core tenets of her faith After deep reflection on her tradition Edman is struck by the realization that her queer identity has taught her more about how to be a good Christian than the church In Queer Virtue Edman posits that Christianity at its scriptural core incessantly challenges its adherents to rupture false binaries to queer lines that pit people against one another Thus Edman asserts that Christianity far from being hostile to queer people is itself inherently queer Arguing from the heart of scripture she reveals how queering Christianity that is disrupting simplistic ways of thinking about self and other can illuminate contemporary Christian faith Pushing well

past the notion that Christian love tolerance Edman offers a bold alternative the recognition that queer people can help Christians better understand their fundamental calling and the creation of sacred space where LGBTQ Christians are seen as gifts to the church By bringing queer ethics and Christian theology into conversation Edman also shows how the realities of queer life demand a lived response of high moral caliber one that resonates with the ethical path laid down by Christianity Lively and impassioned Edman proposes that queer experience be celebrated as inherently valuable ethically virtuous and illuminating the sacred A rich and nuanced exploration Queer Virtue mines the depths of Christianity s history mission and core theological premises to call all Christians to a more authentic and robust understanding of their faith *The*

the first to compare Denmark and Portugal systematically in the High Middle Ages and demonstrates how the two countries became strong kingdoms and important powers internationally by their participation in the crusading movement

Communication in the Middle Ages was better developed than often assumed and institutions ideas and military technology was exchanged rapidly meaning it was possible to coordinate great military expeditions across the geographical periphery of Western Europe Both Denmark and Portugal were closely connected to the sea and developed strong fleets at the entrance to the Baltic and in the Mediterranean Seas respectively They also both had religious borders to the pagan Wends and to the Muslims that were pushed forward in almost continuous crusades throughout the centuries *Crusading at the Edges of Europe* follows the major campaigns of the kings and crusaders in Denmark and Portugal and compares war technology and crusading ideology highlighting how the countries learned from each other and became organised for war **GodSpace**

Keri Wyatt Kent, 2017-09-05 Think you don t have time or space for spiritual stuff That intimacy with God is impossible Here s how in the life you already live you can make time and space for God Godspace offers seven practices that help busy Christians pay attention to God They help us align our sometimes messy daily lives with our spirituality And they strengthen our most important relationships giving our lives meaning significance and purpose It s not holding a set of beliefs reading the Bible going to church or even praying that determines how we connect with God It s our pace of life When we live hurried

and distracted lives we miss the chance to experience the intimacy we desire with God Experience God more deeply and live more joyfully by exploring these seven spiritual practices Sabbath Hospitality Worship Simplicity Gratitude Generosity Critical thinking With abundant wit humorous anecdotes and authentic sharing of her own joys and struggles Keri Wyatt Kent guides us toward a deeper and more meaningful faith in the midst of our overcrowded cluttered lives A lay pastor at Willow Creek Community Church where she has been a member for thirty years Kent is the author of eleven books She speaks at events and retreats around the country Learn more at www.keriywattkent.com

Jewish Martyrs in the Pagan and Christian Worlds Shmuel Shepkaru, 2006 This book presents a linear history of Jewish martyrdom from the Hellenistic period to the high Middle Ages Following the chronology of sources the study challenges the general consensus that martyrdom was an original Hellenistic Jewish idea Instead Jews like Philo and Josephus internalized the idealized Roman concept of voluntary death and presented it as an old Jewish practice The centrality of self sacrifice in Christianity further stimulated the development of rabbinic martyrology and the talmudic guidelines for passive martyrdom However when forced to choose between death and conversion in medieval Christendom Ashkenazic Jews went beyond these guidelines sacrificing themselves and loved ones Through death not only did they attempt to prove their religiosity but also to disprove the religious legitimacy of their Christian persecutors While martyrs and martyrologies intended to show how Judaism differed from Christianity they in fact reveal a common mindset Inspecting Jews Laurence Roth, 2004 In this book Laurence Roth argues that the popular genre of Jewish detective stories offers new insights into the construction of

ethnic and religious identity Roth frames his study with the concept of kosher hybridity to look at the complex process of mediation between Jewish and American culture in which Jewish writers voice the desire to be both different from and yet the same as other Americans He argues that the detective story located at the intersection of narrative and popular culture in modern America examines the need for order in a disorderly society and thus offers a window into the negotiation of Jewish identity differing from that of literary fiction The writers of these popular cultural texts which are informed by contradiction and which thrive on intended and unintended ironies formulate idioms for American Jewish identities that intentionally and unintentionally create social ethnic and religious syntheses in American Jewish life Roth examines stories about American Jewish detectives including Harry Kemelman s Rabbi Small Faye Kellerman s Peter Decker and Rina Lazarus Stuart Kaminsky s Abe Lieberman and Rochelle Krich s Jessica Drake not only as a genre of literature but also as a reflection of contemporary acculturation in the American Jewish popular arts
