Zumoff, 2021-07-16 Passaic New Jersey The strike begins The communist party and the start of the Passaic strike Bringing

Passaic to the labor movement Enter the politicians Repression and class struggle defense Building relief and solidarity
 Women the family and the Passaic strike The end of the strike After the strike *Working-Class Utopias* Robert M.
 Fogelson,2022-10-18 One of the nation s foremost urban historians traces the history of cooperative housing in New York
 City from the 1920s through the 1970s As World War II ended and Americans turned their attention to problems at home
 union leaders and other prominent New Yorkers came to believe that cooperative housing would solve the city s century old
 problem of providing decent housing at a reasonable cost for working class families *Working Class Utopias* tells the story of
 this ambitious movement from the construction of the Amalgamated Houses after World War I to the building of Co op City
 the world s largest housing cooperative four decades later Robert Fogelson brings to life a tumultuous era in the life of New
 York drawing on a wealth of archival materials such as community newspapers legal records and personal and institutional
 papers In the early 1950s a consortium of labor unions founded the United Housing Foundation under the visionary
 leadership of Abraham E Kazan who was supported by Nelson A Rockefeller Robert F Wagner Jr and Robert Moses With the
 help of the state which provided below market rate mortgages and the city which granted tax abatements Kazan s group built
 large scale cooperatives in every borough except Staten Island Then came Co op City built in the Bronx in the 1960s as a
 model for other cities but plagued by unforeseen fiscal problems culminating in the longest and costliest rent strike in
 American history Co op City survived but the United Housing Foundation did not and neither did the cooperative housing
 movement *Working Class Utopias* is essential reading for anyone seeking to understand the housing problem that continues
 to plague New York and cities across the nation Managing and Improving School Attendance and Behaviour Ken
 Reid,2017-10-02 This new book on school attendance and behaviour brings an international flavour to the field with
 contributions on some of the latest empirical research and thinking from around the world It includes contributions from
 Canada and the USA Hong Kong Europe the United Kingdom and Ireland Some of the interesting wide ranging and often
 unique topics covered in the book include truancy and well being disaffection pupil absenteeism social mediation aggression
 in primary schools bullying emotional barriers to learning behaviour management training exclusion reintegration the role of
 educational psychologists and ethnic diversity and classroom disruption in the context of migration policies The book should
 prove both helpful and useful for a wide range of professionals students and academics across a wide range of educational
 care and social policy disciplines This book was originally published as a special issue of *Educational Studies* **Meltdown**
 Larry Kirsch,Gregory D. Squires,2017-03-09 *Meltdown* reveals how the Consumer Financial Protection Bureau was able to
 curb unsafe and unfair practices that led to the 2008 financial crisis In interviews with key government industry and
 advocacy groups along with deep archival research Kirsch and Squires show where the CFPB was able to overcome many
 abusive practices where it was less able to do so and why Open for business in 2011 the CFPB was Congress s response to
 the financial catastrophe that shattered millions of middle class and lower income households and threatened the stability of

the global economy But only a few years later with U S economic conditions on a path to recovery there are already disturbing signs of the re emergence of the high risk high reward credit practices that the CFPB was designed to curb This book profiles how the Bureau has attempted to stop abusive and discriminatory lending practices in the mortgage and automobile lending sectors and documents the multilayered challenges faced by an untested new regulatory agency in its efforts to transform the broken but lucrative business practices of the financial services industry Authors Kirsch and Squires raise the question of whether the consumer protection approach to financial services reform will succeed over the long term in light of political and business efforts to scuttle it Case studies of mortgage and automobile lending reforms highlight the key contextual and structural conditions that explain the CFPB s ability to transform financial service industry business models and practices Meltdown The Financial Crisis Consumer Protection and the Road Forward is essential reading for a wide audience including anyone involved in the provision of financial services staff of financial services and consumer protection regulatory agencies and fair lending and consumer protection advocates Its accessible presentation of financial information will also serve students and general readers

Combatting Corruption and Collusion in Public Procurement
Robert D. Anderson, Alison Jones, William E. Kovacic, 2024-03-06 Corruption in public procurement typically involves procurement decisions taken in favour of preferred bidders in exchange for improper compensation the acceptance of bribes for example while supplier collusion refers to a type of cartel activity in which firms rig their bids in a tendering process Although these practices are distinct they frequently occur together in the public procurement context reinforcing one another Combatting Corruption and Collusion in Public Procurement A Challenge for Governments Worldwide examines the causes of corruption and collusion in the public procurement sphere its resulting harm and how states can best try to combat these practices This book provides a legal economic and practical analysis of issues concerning corruption and supplier collusion in public procurement both generally and in seven diverse and representative jurisdictions the United Kingdom the United States Brazil Hungary and Poland Ukraine and Canada It encompasses a discussion of both generic cross jurisdictional issues and specific proposals for individual jurisdictions It offers practical guidance on building robust regimes for combatting corruption and collusion in public procurement and how to bolster and improve them when they are faltering The book stresses the need for a multi faceted and joined up approach to the problems emphasizing the importance both of enhanced investment in the effective enforcement of anti corruption and cartel laws and of increasing the resilience of public procurement systems to corruption and collusion through a range of measures The relevance of the topic to the social and economic well being of citizens and the survival of democratic governance is highlighted throughout the book Pioneering and comprehensive Combatting Corruption and Collusion in Public Procurement provides a pathbreaking analysis of a range of global issues making it an essential read for scholars lawyers government officials and representatives of international and non governmental organizations around the world

Dr. Joyce Brothers Kathleen Collins, 2016-09-02 Equipped with an

encyclopedic knowledge of boxing a young Joyce Brothers competed on The 64 000 Question and became the first woman to win the top prize money That triumphant debut in 1955 was the initial step toward a career as a media pioneer Through her own advice programs and perennial appearances on talk shows as well as episodic television Brothers became one of the most well known figures of the 20th century For more than four decades viewers could count on her authoritative calm response to almost any issue from marital and financial woes to the Space Shuttle disaster In Dr Joyce Brothers The Founding Mother of TV Psychology Kathleen Collins explores how a clever businesswoman provided a mass scale service for a never ending demand helping viewers understand themselves Collins explains how Brothers longevity on television was in large part afforded by her symbiotic relationship with the medium She played other roles in addition to and interdependent on that of media psychologist Her numerous appearances on variety shows sitcoms and dramas kept her on the screen and in the public eye creating both a persona as celebrity professional as well as professional celebrity This portrait of Brothers multi layered career also provides a means by which to observe U S cultural history addressing cultural preoccupations with television and self help obsessed audiences looking for guidance in reality TV Drawing on primary sources from Brothers personal papers and published interviews as well as interviews the author conducted with several of Joyce s former colleagues and her daughter Lisa Arbisser Collins provides an engaging informative and thought provoking look at this iconic figure

A Shipyard at War Ian Johnston,2014-11-19 Although best known for large liners and capital ships between 1914 and the completion of the wartime programmes in 1920 the Clydebank shipyard of John Brown but unlike most shipyard photography Clydebank s collection has survived although relatively few of the images have ever been published For this book some 200 of the most telling were carefully selected and scanned to the highest standards depicting in unprecedented detail every aspect of the yard s output from the liner Aquitania in 1914 to the cruiser Enterprise completed in 1920 Although ships are the main focus of the book the photos also chronicle the impact of the war on working conditions in the yard and perhaps most noticeable in the introduction of women in large numbers to the workforce With lengthy and informative captions and an authoritative introduction by Ian Johnston this book is a vivid portrait of a lost industry at the height of its success

Local Officials and the Struggle to Transform Cities Claire Bénit-Gbaffou ,2024-02-27 Why are even progressive local authorities with the will to improve seldom able to change cities Why does it seem almost impossible to redress spatial inequalities deliver and maintain basic services elevate impoverished areas and protect the marginalised communities Why do municipalities in the Global South refuse to work with prevailing social informalities and resort instead to interventions that are known to displace and aggravate the very issues they aim to address *Local Officials and the Struggle to Transform Cities* analyses these challenges in South African cities where the brief post apartheid moment opened a window for progressive city government and made research into state practices both possible and necessary In debate with other progressive moments in large cities in Brazil the USA and India the book interrogates City officials practices It

considers the instruments they invent and negotiate to implement urban policies the agency they develop and the constraints they navigate in governing unequal cities This focus on actual officials practices is captured through first hand experience state ethnographies and engaged research These reveal day to day practice that question generalised explanations of state failure in complex urban societies as essential malevolence contextual weakness corruption and inefficiency It is hoped that opening the black box of the workings of state opens paths for the construction of progressive policies in contemporary cities

Mosley and British Politics 1918-32 D. Howell,2014-10-21 Oswald Mosley has been reviled as a fascist and lamented as the lost leader of both Conservative and Labour Parties Concerned to articulate the demands of the war generation and to pursue an agenda for economic and political modernization his ultimate rejection of existing institutions and practices led him to fascism *Street Politics in the Age of Austerity* Marcos Ancelovici,Pascale Dufour,2025-10-01

The past few years have seen an unexpected resurgence of street level protest movements around the world from the uprisings of the Arab Spring to the rise of the anti austerity Indignados in Spain and Greece to the global spread of the Occupy movement This collection is designed to offer a comparative analysis of these movements setting them in international socio economic and cross cultural perspective in order to help us understand why movements emerge what they do how they spread and how they fit into both local and worldwide historical contexts As the most significant wave of mass protests in decades continues apace this book offers an authoritative analysis that could not be more timely

The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces ,1874 The ^AFirst Civil Right Naomi

Murakawa,2014-07-10 In *The First Civil Right* is a groundbreaking analysis of root of the conflicts that lie at the intersection of race and the legal system in America Naomi Murakawa inverts the conventional wisdom by arguing that the expansion of the federal carceral state a system that disproportionately imprisons blacks and Latinos was in fact rooted in the civil rights liberalism of the 1940s and early 1960s not in the period after Revolt of the Rich David Gibbs,2024-06-18 Inequality in the United States has reached staggering proportions with a massive share of wealth held by the very richest How was such a dramatic shift in favor of a narrow elite possible in a democratic society David N Gibbs explores the forces that shaped the turn toward free market economics and wealth concentration and finds their roots in the 1970s He argues that the political transformations of this period resulted from a revolt of the rich whose defense of their class interests came at the expense of the American public Drawing on extensive archival research Gibbs examines how elites established broad coalitions that brought together business conservatives social traditionalists and militarists At the very top Richard Nixon s administration quietly urged corporate executives to fund conservative think tanks and seeded federal agencies with free market economists Even Jimmy Carter s ostensibly liberal administration brought deregulation to the financial sector along with the imposition of severe austerity measures that hurt the living standards of the working class Through a potent influence campaign academics and intellectuals sold laissez faire to policy makers and the public justifying choices to deregulate industry cut

social spending curb organized labor and offshore jobs alongside expanding military interventions overseas Shedding new light on the political alliances and policy decisions that tilted the playing field toward the ultrawealthy Revolt of the Rich unveils the origins of today's stark disparities Breaking Point Rebecca Schwartz Greene, 2023-01-03 WINNER SOCIETY FOR MILITARY HISTORY DISTINGUISHED BOOK AWARDS FIRST BOOK This book informs the public for the first time about the impact of American psychiatry on soldiers during World War II Breaking Point is the first in depth history of American psychiatry in World War II Drawn from unpublished primary documents oral histories and the author's personal interviews and correspondence over years with key psychiatric and military policymakers it begins with Franklin Roosevelt's endorsement of a universal Selective Service psychiatric examination followed by Army and Navy pre and post induction examinations Ultimately 2.5 million men and women were rejected or discharged from military service on neuropsychiatric grounds Never before or since has the United States engaged in such a program In designing Selective Service Medical Circular No 1 psychiatrist Harry Stack Sullivan assumed psychiatrists could predict who might break down or falter in military service or even in civilian life thereafter While many American and European psychiatrists questioned this belief and huge numbers of American psychiatric casualties soon raised questions about screening's validity psychiatric and military leaders persisted in 1942 and 1943 in endorsing ever tougher screening and little else Soon families complained of fathers and teens being drafted instead of being identified as psychiatric 4Fs and Blacks and Native Americans among others complained of bias A frustrated General George S Patton famously slapped two malingering neuropsychiatric patients in Sicily a sentiment shared by Marshall and Eisenhower though they favored a tamer style Yet psychiatric rejections evacuations and discharges mounted While psychiatrist Roy Grinker and a few others treated soldiers close to the front in Tunisia in early 1943 this was the exception But as demand for manpower soared and psychiatrists finally went to the field and saw that combat itself not predisposition precipitated breakdown leading military psychiatrists switched their emphasis from screening to prevention and treatment But this switch was too little too late and slowed by a year long series of Inspector General investigations even while numbers of psychiatric casualties soared Ironically despite and even partly because of psychiatrists wartime performance plus the emotional toll of war postwar America soon witnessed a dramatic growth in numbers popularity and influence of the profession culminating in the National Mental Health Act 1946 But veterans with PTSD not recognized until 1980 were largely neglected **Aerospace Structural Metals Handbook**, 1989
