Bureau of Education,1906 The Journal of Accountancy ,1946 Ontario Hydro at the Millennium Ronald Joel Daniels,1996 Presents first hand information from employers on who gets hired and why based on a survey of some 3 000 employers in Atlanta Boston Detroit and Los Angeles Provides data on what jobs are available to the less educated what they pay and what skills they require examining the surge in suburban white collar jobs and deterioration in employment and earnings among less educated workers especially minorities and younger males Outlines measures for improving the job market such as training programs subsidies to private companies and incentives to draw industries back to the cities Annotation copyright by Book News Inc Portland OR

Accountants' Index American Institute of Certified Public Accountants,1961 *Holding Company Act. Release* United States. Securities and Exchange Commission,1941 **Theory and Practice of Excise Taxation** Sijbren Cnossen,2005-02-03 Excise taxes on smoking drinking gambling polluting and driving are always topical and controversial Not only are these taxes convenient sources of government revenue they can also be designed to reflect the external costs that consumers or producers of excisable products impose on other people Global warming acid rain traffic congestion and the economic costs of cigarette and alcohol consumption are problems that can be corrected through selective excise taxes

and other regulatory instruments Excise taxes moreover are increasingly looked upon as revenue substitutes for distortionary taxes on capital and labour Addressing these and other issues this book by internationally recognized experts analyses the art of excise taxation providing a systematic insightful and often provocative treatment of a major fiscal instrument that policy makers often neglect and that gets little attention in the professional literature It provides a sound understanding not only of relevant economic theory but of the myriad institutional details that are crucial for the practical application of that theory
