short writing assignments in questions that follow the readings and in brief writing tasks in the applications and a longer writing assignment at the end of each chapter Addresses student readers directly without talking down to them New in the Second Edition This edition is shorter tighter and easier to use The opening and concluding chapters more directly address the concerns of new teachers The anthology is substantially updated of the 22 articles included 14 are new to this edition Each essay is preceded by a brief introduction and followed by questions for further thought There are fewer applications but these are more extensive and more fully integrated within the text A writing assignment is provided at the end of each chapter Interviews with college students before and after student teaching are included in Chapters 1 and 6 The bibliographies at the end of each chapter are fully updated **The Practical Teacher** ,1883 *Pitman's Journal of Commercial Education* ,1873 Publishers' Circular and Booksellers' Record of British and Foreign Literature ,1905
