*Doing Text* Pete Bennett,Julian McDougall,2017-02-14 This collection re imagines the study of English and media in a way that decentralises the text e g romantic poetry or film noir or media formats platforms e g broadcast media new media Instead the authors work across boundaries in meaningful thematic

contexts that reflect the ways in which people engage with reading watching making and listening in their textual lives In so doing this project recasts both subjects as combined in a more reflexive critical space for the study of our everyday social and cultural interactions Across the chapters the authors present applicable learning and teaching strategies that weave together art works films social practices creativity viral media theater TV social media videogames and literature The culmination of this range of strategies is a reclaimed blue skies approach to progressive textual education free from constraining shackles of outdated ideas about textual categories and value that have hitherto alienated generations of students and both English and media from themselves

Foreign Relations of the GCC Countries

Eman Ragab,Silvia Colombo,2018-12-07 This book examines the foreign policies of the GCC countries six years after the Arab

uprisings in terms of drivers narratives actions and outcomes paying particular attention to Middle Eastern countries Iran and Western international powers The assessment focuses on current affairs but also contributes to establishing a productive link between empirical studies and the existing theoretical frameworks that help explain the increasing foreign policy activism of the GCC countries All in all the articles collected in this book shed light on and provide a more solid and fine grained understanding of how regional powers like Saudi Arabia as well as the other smaller GCC countries act and pursue their interests in an environment full of uncertainty in the context of changing regional and global dynamics and power distribution The book brings together the articles published in a Special Issue of the International Spectator

**Chivalry in Westeros** Carol Parrish Jamison, 2018-02-20 George R R Martin's A Song of Ice and Fire has sparked a renewed interest in things medieval The pseudo historical world of Westeros delights casual fans while offering a rich new perspective for medievalists and scholars This study explores how Martin crafts a chivalric code that intersects with and illuminates well known medieval texts including both romance and heroic epics Through characters such as Brienne of Tarth Sandor Clegane and Jaime Lannister Martin variously challenges upholds and deconstructs chivalry as depicted in the literature of the Middle Ages
