because of some teenage promise we made fourteen years ago Emma St James needed to get away Her career her impending marriage her mother Birch was just a convenient excuse a soft place to land a very bad idea Those pesky unrealised teenage fantasies were such a pain in the butt Seeing Emma again was a dream come true for Birch Forest although he knew the proposal was a sham She was hiding something and if he had to go along with the ridiculous wedding pact in order to find out her secrets then he would He wanted nothing more than to fix whatever was wrong But living together and pretending to plan a wedding suddenly felt a little too real and neither one of them wanted the fantasy to end This book uses Australian UK English     **The Marriage Pact** Lillian Cheatham,1974     *The Wedding Pact* Ruth Ann Nordin, On her 21st birthday Ophelia was due to marry her guardian Only she didn't know it Miss Ophelia Crowe has led an extremely sheltered life After her parents died when she was five she went to live at her guardian's country estate She went on to live a life where everything was managed for her From what she could wear to what activities she could do each and every day had been carefully structured by the servants The problem was she didn't know who her guardian was Until the morning of her 21st birthday when the maids present her to him looking more like a doll than a lady who would like to have a say in her future And a doll is exactly the way he treats her She comes to realize just how much he's structured her life so that she's been trained to be the kind of wife he wants Well she's decided she won't marry him In a bold move she runs off on a horse in the night in order to escape the fate everyone has set out for her ever since she was a child All Vicar Julian Roskin wants is to lead a quiet life He's caused enough trouble in the past He doesn't need any more problems But late one night his safe and predictable world is turned upside down when a beautiful young lady ends up on his doorstep in need of protection Protection in this case will require him to marry her Reason tells him not to do it Nothing good can come from marriage to a lady he doesn't know anything about But something about her demands he take her up on her offer Dare he take the risk or should he do everything he can to send her back This is loosely inspired by the Little Red Riding Hood story     The Marriage Contract Sage Graystone,2024-10-05 The Marriage Contract offers a captivating exploration of matrimony's evolution challenging readers to reconsider their understanding of this age old institution The book delves into the legal social and economic aspects of marriage tracing its transformation from an economic arrangement to a romantic partnership Central to its narrative is the concept of dowry originally a form of financial protection for wives which has undergone significant changes over time The author presents a unique perspective by framing marriage as a dynamic social contract that has continually adapted to societal needs This approach provides fresh insights into current debates on marriage equality and family structures The book progresses through history examining how marriage laws and customs have evolved from ancient civilizations to the modern era It highlights intriguing facts such as the shift in the purpose of dowry and the impact of changing marital norms on gender roles By combining methods from history sociology and economics The Marriage Contract offers a comprehensive view of marriage's far reaching influence on society Its accessible language and
