*Honorific Individualism and
the Making of Modern Japan*

EIKO IKEGAMI

The Taming Of The Samurai

RS Peters

The Taming Of The Samurai:

The Taming of the Samurai Eiko Ikegami, 1995 This book demonstrates how Japan's so called harmonious collective culture is paradoxically connected with a history of conflict Ikegami contends that contemporary Japanese culture is based upon two remarkably complementary ingredients honorable competition and honorable collaboration The historical roots of this situation can be found in the process of state formation along very different lines from that seen in Europe at around the same time The solution that emerged out of the turbulent beginnings of the Tokugawa state was a transformation of the samurai into a hereditary class of vassal bureaucrats a solution that would have many unexpected ramifications for subsequent centuries *Values, Identity, and Equality in Eighteenth- and Nineteenth-Century Japan*, 2015-09-17 The chapters in this volume variously challenge a number of long standing assumptions regarding eighteenth and nineteenth century Japanese society and especially that society's values structure and hierarchy the practical limits of state authority and the emergence of individual and collective identity By interrogating the concept of equality on both sides of the 1868 divide the volume extends this discussion beyond the late Tokugawa period into the early Meiji and even into the present An Epilogue examines some of the historiographical issues that form a background to this enquiry Taken together the chapters offer answers and perspectives that are highly original and should prove stimulating to all those interested in early modern Japanese cultural intellectual and social history Contributors include Daniel Botsman W Puck Brecher Gideon Fujiwara Eiko Ikegami Jun ichi Isomae James E Ketelaar Yasunori Kojima Peter Nosco Naoki Sakai Gregory Smits M William Steele and Anne Walthall [Suicidal Honor](#) Doris G. Bergen, 2006-09-30 On September 13 1912 the day of Emperor Meiji's funeral General Nogi Maresuke committed ritual suicide by seppuku disembowelment It was an act of delayed atonement that paid a debt of honor incurred thirty five years earlier The revered military hero's wife joined in his act of junshi following one's lord into death The violence of their double suicide shocked the nation What had impelled the general and his wife on the threshold of a new era to resort so drastically so dramatically to this forbidden anachronistic practice The nation was divided There were those who saw the suicides as a heroic affirmation of the samurai code others found them a cause for embarrassment a sign that Japan had not yet crossed the cultural line separating tradition from modernity While acknowledging the nation's sharply divided reaction to the Nogis junshi as a useful indicator of the event's seismic impact on Japanese culture Doris G Bergen in the first half of her book demonstrates that the deeper significance of Nogi's action must be sought in his personal history enmeshed as it was in the tumultuous politics of the Meiji period *Suicidal Honor* traces Nogi's military career and personal travail through the armed struggles of the collapsing shogunate and through the two wars of imperial conquest during which Nogi played a significant role the Sino Japanese War 1894 1895 and the Russo Japanese War 1904 1905 It also probes beneath the political to explore the religious origins of ritual self sacrifice in cultures as different as ancient Rome and today's Nigeria Seen in this context Nogi's death was homage to the divine emperor But what was the

significance of Nogi's waiting thirty five years before he offered himself as a human sacrifice to a dead rather than living deity To answer this question Bergen delves deeply and with great insight into the story of Nogi's conflicted career as a military hero who longed to be a peaceful man of letters In the second half of *Suicidal Honor* Bergen turns to the extraordinary influence of the Nogis deaths on two of Japan's greatest writers Mori gai and Natsume S seki gai's historical fiction written in the immediate aftermath of his friend's junshi is a profound meditation on the significance of ritual suicide in a time of historical transition Stories such as *The Sakai Incident* Sakai jiken appear in a new light and with greatly enhanced resonance in Bergen's interpretation In S seki's masterpiece *Kokoro* Sensei the protagonist refers to the emperor's death and his general's junshi before taking his own life Scholars routinely mention these references but Bergen demonstrates convincingly the uncanny ways in which S seki's agonized response to Nogi's suicide structures the entire novel By exploring the historical and literary legacies of Nogi gai and S seki from an interdisciplinary perspective *Suicidal Honor* illuminates Japan's prolonged and painful transition from the idealized heroic world of samurai culture to the mundane anxieties of modernity It is a study that will fascinate specialists in the fields of Japanese literature history and religion and anyone seeking a deeper understanding of Japan's warrior culture

Modern Honor Anthony Cunningham, 2013-08-21 This book examines the notion of honor with an eye to dissecting its intellectual demise and with the aim of making a case for honor's rehabilitation Western intellectuals acknowledge honor's influence but they lament its authority For Western democratic societies to embrace honor it must be compatible with social ideals like liberty equality and fraternity Cunningham details a conception of honor that can do justice to these ideals This vision revolves around three elements character being relationships relating and activities and accomplishment doing Taken together these elements articulate a shared aspiration for excellence We can turn the tables on traditional ills of honor serious problems of gender race and class by forging a vision of honor that rejects lives predicated on power and oppression

The Course of Human History Johan Goudsblom, Eric Lionel Jones, Stephen Mennell, 1996 This text explores four major features of human society in their ecological and historical context the origins of priests and organised religion the rise of military men in an agrarian society economic expansion and growth and civilising and decivilising trends over time

Parameters, 1997 **On the Process of Civilisation in Japan** Wai Lau, 2022-11-03 Winner of the Norbert Elias Book Prize 2023 This book charts the process of civilisation in Japan Using the theory of civilising processes developed by Norbert Elias the author examines the complex underlying structural and psychological processes from the seventh century to the twentieth century Furthermore by drawing on rich historical data the author illustrates how these complex processes led the Japanese to see themselves as more civilised than their forebears and neighbouring countries Although the theory serves as an important reference point the author draws on other works to address different complex questions surrounding Japanese development Therefore this book presents three key themes first it gives an alternative understanding of the complex developments of Japanese society

second it intercedes into an ongoing debate about the applicability of Elias's theory in a non-Western context and third it expands Elias's theory

The Hero and the Grave Alireza Vahdani, 2018-08-15 The theme of death is an essential component of film narrative particularly in how it affects the hero. Filmmakers from different cultures and backgrounds have developed distinct yet archetypal perspectives on death and the protagonist's response. Focusing on Western and Japanese period genre films, the author examines the work of John Ford (1894-1973), Akira Kurosawa (1910-1998) and Sergio Leone (1929-1989) and finds similarities regarding death's impact on the hero's sense of morality

Mytholudics Dom Ford, 2025-04-21 Games create worlds made of many different elements but also of rules, systems and structures for how we act in them. So how can we make sense of them? Mytholudics: Games and Myth lays out an approach to understanding games using theories from myth and folklore. Myth is taken here not as an object but as a process, a way of expressing meaning. It works to naturalise arbitrary constellations of signs to connect things in meaning. Behind the phrase 'just the way it is' is a process of mythologization that has cemented it. Mytholudics lays out how this understanding of myth works for the analysis of games. In two sections, each analysing five digital games, it then shows how this approach works in practice, one through the lens of heroism and one through monstrosity. These ask questions such as: what heroic mythology is constructed in Call of Duty? What do the monsters in The Witcher tell us about the game's model of the world? How does Hellblade: Senua's Sacrifice weave a conflict between Norse and Pictish mythology into one between competing models of seeing mental illness? This method helps to see games and their worlds in the whole. Stories, gameplay, systems, rules, spatial configurations and art styles can all be considered together as contributing to the meaning of the game

Bonds of Civility Eiko Ikegami, 2005-02-28 This book combines sociological insights in organizations with cultural history

Chushingura and the Floating World David Bell, 2013-10-23 Kanadehon Chushingura has been one of the most popular bunraku and kabuki plays. This fascinating study explores the full spectrum of ukiyo-e floating world representations of the Chushingura story. Essential reading for all students of Japanese theatre, the history of Japanese art and the social history of Japan

Recreating Japanese Men Sabine Fruhstuck, Anne Walthall, 2011-10-04 Recreating Japanese Men is a wonderful and invaluable book. Its interdisciplinary mix of essays opens the door to a new world of scholarship on masculinity in Japan. David L. Howell, Harvard University. By considering a wide variety of alternative masculinities throughout Japanese history, these essays reveal the tensions, conflicts and overlapping between competing masculine and feminine ideals and practices in surprising ways. Robert A. Nye, Oregon State University. This gallery of striking but also subtle images of Japanese masculinity both reinforces old and reveals new historical understandings of Japanese political and military institutions, social divisions and cultural anxieties. Essential reading in both Japan and masculinity studies. Gary Cross, author of Men to Boys: The Making of Modern Immaturity

Asian Thought & Society, 2000

Citizenship, Identity, and Social History Charles Tilly, 1996-03-07 A collection of original essays on citizenship and identity

Public Spheres, Private Lives in Modern Japan, 1600-1950 Gail Bernstein, Andrew

Gordon, Kate Wildman Nakai, 2020-03-17 The eleven chapters in this volume explore the process of carving out in discourse and in practice the boundaries delineating the state the civil sphere and the family in Japan from 1600 to 1950 One of the central themes in the volume is the demarcation of relations between the central political authorities and local communities The early modern period in Japan is marked by a growing sense of a unified national society with a long common history that existed in a coherent space The growth of this national community inevitably raised questions about relationships between the imperial government and local groups and interests at the prefectural and village levels Moves to demarcate divisions between central and local rule in the course of constructing a modern nation contributed to a public discourse that drew on longstanding assumptions about political legitimacy authority and responsibility as well as on Western political ideas **The Postwar Developments of Japanese Studies in the United States** Helen Hardacre, 1998 This volume of twelve essays with useful bibliographies in the fields of history art religion literature anthropology political science and law documents the history of United States scholarship on Japan since 1945 [The Encyclopedia of War, 5 Volume Set](#) Gordon Martel, 2012-01-17 This ground breaking 5 volume reference is a comprehensive print and electronic resource covering the history of warfare from ancient times to the present day across the entire globe Arranged in A Z format the Encyclopedia provides an overview of the most important events people and terms associated with warfare from the Punic Wars to the Mongol conquest of China and the War on Terror from the Ottoman Sultan Suleiman the Magnificent to the Soviet Military Commander Georgi Konstantinovich Zhukov and from the crossbow to chemical warfare Individual entries range from 1 000 to 6 000 words with the longer essay style contributions giving a detailed analysis of key developments and ideas Drawing on an experienced and internationally diverse editorial board the Encyclopedia is the first to offer readers at all levels an extensive reference work based on the best and most recent scholarly research The online platform further provides interactive cross referencing links and powerful searching and browsing capabilities within the work and across Wiley Blackwell s comprehensive online reference collection Learn more at www.encyclopediaofwar.com Selected by Choice as a 2013 Outstanding Academic Title Recipient of a 2012 PROSE Award honorable mention *Martial Arts and the Body Politic in Meiji Japan* Denis Gainty, 2013-08-22 In 1895 the newly formed Greater Japan Martial Virtue Association Dainippon Butokukai held its first annual Martial Virtue Festival butokusai in the ancient capital of Kyoto The Festival marked the arrival of a new iteration of modern Japan as the Butokukai s efforts to define and popularise Japanese martial arts became an important medium through which the bodies of millions of Japanese citizens would experience draw on and even shape the Japanese nation and state This book shows how the notion and practice of Japanese martial arts in the late Meiji period brought Japanese bodies Japanese nationalisms and the Japanese state into sustained contact and dynamic engagement with one another Using a range of disciplinary approaches Denis Gainty shows how the metaphor of a national body and the cultural and historical meanings of martial arts were celebrated and appropriated by modern Japanese at all levels of society

allowing them to participate powerfully in shaping the modern Japanese nation and state While recent works have cast modern Japanese and their bodies as subject to state domination and elite control this book argues that having a body being a body and through that body experiencing and shaping social political and even cosmic realities is an important and underexamined aspect of the late Meiji period Martial Arts and the Body Politic in Meiji Japan is an important contribution to debates in Japanese and Asian social sciences theories of the body and its role in modern historiography and related questions of power and agency by suggesting a new and dramatic role for human bodies in the shaping of modern states and societies As such it will be valuable to students and scholars of Japanese studies Japanese history modern nations and nationalisms and sport and leisure studies as well as those interested in the body more broadly

Kendo Alexander C. Bennett, 2015-07-31 Kendo is the first in depth historical cultural and political account in English of the Japanese martial art of swordsmanship from its beginnings in military training and arcane medieval schools to its widespread practice as a global sport today Alexander Bennett shows how kendo evolved through a recurring process of inventing tradition which served the changing ideologies and needs of Japanese warriors and governments over the course of history Kendo follows the development of Japanese swordsmanship from the aristocratic aesthetic pretensions of medieval warriors in the Muromachi period to the samurai elitism of the Edo regime and then to the nostalgic patriotism of the Meiji state Kendo was later influenced in the 1930s and 1940s by ultranationalist militarists and ultimately by the postwar government which sought a gentler form of nationalism to rekindle appreciation of traditional culture among Japan's youth and to garner international prestige as an instrument of soft power Today kendo is becoming increasingly popular internationally But even as new organizations and clubs form around the world cultural exclusiveness continues to play a role in kendo's ongoing evolution as the sport remains closely linked to Japan's sense of collective identity

The Postwar Development of Japanese Studies in the United States Helen Hardacre, 2023-07-17 The present volume documents the postwar history of United States scholarship on Japan A careful selection of North American scholars under the general editorship of Helen Hardacre Reischauer Institute Professor of Japanese Religions and Society at Harvard University shows that a range of factors have directed Japanese studies in the United States since 1945 Among these factors are social and political change in Japan and the United States shifts in dominant scholarly concerns about Japan and changing evaluations of area studies The work consists of twelve essays in a wide variety of fields history art religion literature anthropology political science and law Each essay chronicles postwar scholarship in its particular discipline and provides a useful bibliography to serve further reference The general aim of the volume is to put current debates in historical perspective and to help assess the field's achievements It identifies areas requiring more work and charts directions for the future

Getting the books **The Taming Of The Samurai** now is not type of challenging means. You could not on your own going taking into consideration books stock or library or borrowing from your links to approach them. This is an utterly simple means to specifically get lead by on-line. The Taming Of The Samurai Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Taming Of The Samurai PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers

individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Taming Of The Samurai PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Taming Of The Samurai free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Taming Of The Samurai Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Taming Of The Samurai is one of the best book in our library for free trial. We provide copy of The Taming Of The Samurai in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Taming Of The Samurai. Where to download The Taming Of The Samurai online for free? Are you looking for The Taming Of The Samurai PDF? This is definitely going to save you time and cash in something you should think about.
