Where Can I Buy The Book Of Mormon:

The Anatomy of Book of Mormon Theology, Volume Two Joseph M. Spencer, 2021-11-16 Few scholars of the Book of Mormon have read this volume of scripture as closely and rigorously as Joseph M. Spencer. And of those none have devoted as much time and effort as he to a theological reading of that sacred text that is as Spencer writes how it might shape responsible thinking about questions pertaining to the life of religious commitment p 1 173 The Anatomy of Book of Mormon Theology divides into two volumes exploring and thinking about these pertinent questions. Whereas the first volume principally contains essays that deal with relatively traditional theological questions and concerns, the essays in this volume ask about what new worlds might be discovered in doing theological work on the Book of Mormon, focusing on what Spencer calls microscopic and macroscopic theological readings of the text. Essays in the first set examine no more than a verse of the Book of Mormon, more often just a single phrase or two, to see what theological implications lie within the details of the text. The second set of essays asks questions about the shape and intentions of the whole of the Book of Mormon, as this can be discerned through the ways it deploys biblical texts and especially the writings of Isaiah. A third set of essays follows the two on microscopic and macroscopic styles of theology and are invitations to blur the boundaries that separate different styles of Book of Mormon scholarship. These final essays call on Book of Mormon scholars to move closer to theology and calls on theologians to move closer to the Book of Mormon.

The Island Bookshop Murder James London, 2025-07-10 Simeon Calafifi, an independent bookseller with an international reputation, has moved from London to the Isle of Wight to improve his quality of life. One evening after work, he is found dead at his desk, brutally stabbed through the heart from behind without a struggle. His safe is open and empty; missing is some money and two valuable religious scriptures, both of great rarity. One is an authentic Lithuanian Talmud bought by Calafifi on behalf of a university in Israel; the other is the original Book of Mormon. Detective Chief Inspector Bruno Peach of the Island's Murder Squad is challenged to identify the motive for this grisly murder. The missing volumes are too valuable to sell on the open market and may have been stolen to order. No record of a visitor to the victim's shop after hours can be traced. Clues on the Island lead nowhere, so Bruno and his colleague, Detective Sergeant Andy Bowen, widen their search for the precious books from Ryde to Bournemouth, Chichester, East Grinstead, Hampstead, and as far as Lithuania. Will the clues lead them to whoever killed the bookseller before they strike again, or will the murder remain forever a closed book?

A New Witness for God Volume 2 (of 3) Brigham Henry Roberts, 2014-12-03

Example in this ebook The following work was begun twenty two years ago in England when the author was in that land on a Mission as assistant Editor of the Latter day Saints Millennial Star It was the author s design then to make the treatise on the Book of Mormon the first volume under the general title New Witnesses for God but after some progress in collecting and arranging the materials had been made the thought occurred to him that the Prophet Joseph Smith in chronological order if not in importance preceded the Book of Mormon in the introduction of God s Witnesses in this last and great dispensation The materials of this work therefore so far as they had been collected were laid aside and work was begun on the treatise of Joseph Smith as a Witness for God which however because of many other demands upon the author s time was not published until 1895 Meantime work was continued from time to time upon the treatise of the Book of Mormon and in 1903 4 5 the materials were used substantially as in their present form as Manuals for the Senior Classes of the Young Men s Mutual Improvement Associations The work has undergone a thorough revision at the hands of the author and is now to take the place in his writings designed for it so long ago While the coming forth of the Book of Mormon is but an incident in God s great work of the last days and the book itself subordinate to some other facts in that work still the incident of its coming forth and the book are facts of such importance that the whole work of God may be said in a manner to stand or fall with them That is to say if the origin of the Book of Mormon could be proved to be other than that set forth by Joseph Smith if the book itself could be proved to be other than it claims to be viz and chiefly an abridged history of the ancient inhabitants of America a volume of scripture containing a message from God to the people to whom it was written to the Lamanites American Indians who are a remnant of the house of Israel and also to Jew and Gentile written by way of commandment and also by the spirit of prophecy and revelation if I say the Book of Mormon could be proved to be other than this then the Church of Jesus Christ of Latter day Saints and its message and doctrines which in some respects may be said to have arisen out of the Book of Mormon must fall for if that book is other than it claims to be if its origin is other than that ascribed to it by Joseph Smith then Joseph Smith says that which is untrue he is a false prophet of false prophets and all he taught and all his claims to inspiration and divine authority are not only vain but wicked and all that he did as a religious teacher is not only useless but mischievous beyond human comprehending Nor does this statement of the case set forth sufficiently strong the situation Those who accept the Book of Mormon for what it claims to be may not so state their case that its security chiefly rests on the inability of its opponents to prove a negative The affirmative side of the question belongs to us who hold out the Book of Mormon to the world as a revelation from God The burden of proof rests upon us in every discussion It is not enough for us to say that if the origin of the Book of Mormon is proved to be other than that set forth by Joseph Smith if the book itself be proved to be other than it claims to be then the institution known as Mormonism must fall We must do more than rest our case on the inability of opponents to prove a negative To be continue in this ebook **Book of Mormon Critical Text, 3rd ed., vol 3: III Nephi - Moroni** Robert F. Saunders,2022-01-25 Members of The Church of Jesus Christ of Latter day Saints tend to see the Book of Mormon through the lens of personal use as a single textual and scriptural monolith the Book of Mormon That is somewhat natural since we tend to have at hand and in use only the copy or version in our language needed to study it for inspiration In the process the point tends to get overlooked that while we may accept the text as inspired the physical embodiment of that text the Book of Mormon is a mortal reality The Book of Mormon while it has a spirit also has a mortal body or rather bodies existing in space and time As such it has a history and because it comes to us in the form of a book it also has a book history This study is divided into three parts The first part is a straightforward history of the edition s editing production and manufacturing processes It examines key points in the reprint history of the book following important factors in the subsequent impressions of the work across nearly thirty years of re impressions corrections transfers and one new format The narrative crowded into chapters one through four together leave Part II to catalogue the bibliographic minutia that is the beating heart of analytic book history and which provides entertainment for true blooded bibliophiles The details contained in the production and manufacturing contracts and coupled to the typographical evidence explained in Part III together resolve once and for all the question of what constitutes the 1920 edition and what does not Book of Mormon Critical Text, 3rd ed., vol 4: Concordances Robert F.
