Unconditional Love Craig S. Bowman, The line between man's religion and Christ must be drawn somewhere Will it be in your head or your heart It doesn't matter where you stand on the right left or somewhere in between Craig S Bowman's Unconditional Love will make you think about your personal beliefs Through this book we will journey together through some highlights in my life that helped shape me into who I am today and where I stand I will give you a glimpse of my thoughts and beliefs on religion and humanity and how our ancestors left us glimpses and clues throughout recorded history These glimpses help give us direction hope and faith as to what we can accomplish You will gain great insight and might even rethink some of your beliefs I am just a simple man who has relied heavily on my personal relationship with Jesus Christ It is with his guidance and direction that I wrote this book One thing is for certain when you are done reading you will definitely have a deeper feeling for where you stand on that line My hope is you will develop your own opinions based solely on your thoughts and research not because of what you were taught to believe In the end you will feel a tug at your heart and be moved to love unconditionally
