Kids We Were By Bernie Morris:

King's Cross Kid Victor Gregg,2013-05-09 Victor Gregg born in 1919 has had a rich and fascinating life King s Cross Kid follows his London childhood from the age of five when life was so hard that the Salvation Army arranged for young Vic to be taken to the Shaftesbury Home for Destitute Children Home again a year later the scallywag years of late childhood began Then after the years of street gangs and run ins with the law Vic leaves school at fourteen and his real adventures start and with them a working class apprenticeship in survival Ending with his enlistment in the army on the day of his eighteenth birthday this prequel to the bestselling Rifleman will appeal to the many readers who were charmed by Victor Gregg s engaging honest and warm voice *Dr. George* George Fischbeck,Randy Roach,2013-05 For twenty three years George Fischbeck was a schoolteacher in Albuquerque and for the last thirteen of those years taught science on a public television station that was beamed all over New Mexico He also served as a weatherman on Albuquerque s top rated TV newscast where he was so popular that the general manager of a competing station sent tapes of his weather forecasts to all the top ABC Network stations nationwide in hope that one would hire George and get him out of New Mexico When KABC TV in Los Angeles responded it was the start of a love affair between Dr George and the City of Angels that continues to this day Not only has Fischbeck had a long career as an awardwinning journalist and educator he has also helped raise millions of dollars for a variety of charitable causes His story is all here and the best part is what the fewest people know the heartwarming memories of a family man Beyond Forgetting You Kathleen Cortese,2005-07-07 This family saga takes place in Ireland and New York City in the second half of the nineteenth century It begins in 1849 when a thirteen year old boy through a cruel twist of fate lands at the tip of the island at Castle Garden Frightened and alone James Barry simply walks off the ship onto the citys congested streets and begins his adventure For the next fourteen years he works on the docks and lives in the Bowery until so disgusted by the draft riots he signs up on a clipper and spends the next two years on the open seas He winds up back in Ireland and meets and marries a girl from his own village After three children and a futile attempt at farming land he knew he could never own he heads back to post Civil War America Beyond Forgetting You is a personal account of how James family co existed with their neighbors in a Westside tenement in lower Manhattan The story is simultaneously told through his youngest daughters journals Bridget optimistically describes her life and her familys plight to become middle class She tells the intricacies of inner city living and gives a realistic look at social problems and how the lower class dealt with events politics ideas and uptown opulence Manhattan was then much as it is today a very overcrowded and exciting city where the family constantly struggled to survive while never losing their simple pleasure in being alive The Eye and Other Tales Andrew Fischer,2024-05-10 This is a story of survivors Jan Fischer survived Stalin s labor camps because he recognized the eternal Jewish prayer Shema recited in the breadline of the labor camp Lidia Szylderstajn evaded the Nazi death camps from which most of her family did not survive only to survive two years in Siberia before meeting Jan in

Egypt It is the story of Lidia's cousin Solange Najman the only one from their family to survive Auschwitz and of their uncle Adophe Szyberstajn who survived fighting in the French underground In the end it is the story of how a Jewish family survived the holocaust and its aftermath and what remains of that family Author Andrew Fischer began this work to document the stories of his parents for his children and grandchildren His work grew into something larger Over time it has also become the story of the French sons of Solange Maurice Najman the journalist and political activist and Charles Najman the author and filmmaker and artist of many talents of uncles and cousins and a family's survival In the end the work raises questions about the holocaust and the survival not just of Jewish families and individuals but of the survival of Jewish life in Europe and the survival of the Jewish people

The Dictator of Britannica A. N. Shekarnia, 2011 a science fantasy adventure for children of 12 and over set in London and the south of England in the present time There are underlying elements of magic and mystery within the story and it is the first in a series One night when Danny is unable to sleep and during a freak thunderstorm a stupendous lightning bolt flashes through his bedroom window seeming to strike him a postbox and a mirror all at once When he has recovered from the shock he goes to inspect the still smoking mirror frame and sees his scared reflection in the glass Only there is something not quite right about the boy in the mirror

Whales, They Give Themselves Karen Brewster, 2025-02-03 The Whales They Give Themselves is an intimate life history of Harry Brower Sr 1924-1992 an Inupiaq whaling captain artisan and community leader from Barrow Alaska In a life that spanned the profound cultural and economic changes of the twentieth century Brower's vast knowledge of the natural world made him an essential contributor to the Native and scientific communities of the North His desire to share his insights with future generations resulted in a series of conversations with friend and oral historian Karen Brewster who weaves Harry's stories with cultural and historical background into this innovative and collaborative oral biography Brower was deeply committed to Native culture and his life

history is a moving expression of the Inupiaq way of life He was also influential in traditionally non Native arenas in which Native and non Native values sometimes collided Acting as a mediator between Inupiaq whalers and non Native scientists Brower communicated a vast understanding of bowhead whales and whaling that became the basis for a scientific research program and helped protect Inupiaq subsistence whaling He was a central architect of the Arctic Slope Regional Corporation boundaries and served for over twenty years as a consultant to scientists at the Naval Arctic Research Laboratory Brower s role in this collaborative research serves as one of the earliest and best examples of how scientists and Native experts can work together to advance knowledge Such approaches are now promoted by researchers around the world The Whales They Give Themselves not only conveys Brower s life story but also is a cross cultural journey of wisdom and friendship Whereas academic oral historians once strove to erase the presence of the interviewer in the name of objectivity Brewster recognizes the influence her specific relationship with Brower had on the way he narrated his life This volume is a major contribution to our understanding of northern peoples and a testament to the immense value of collaborative oral history Howson's Choice Simon Warr,Michael Gold,2011 Howson s Choice tells the story of the rise and fall of Joseph Howson who after rapidly working his way through the education system is crowned headmaster of the exclusive private school Cranford College Dr Joseph Howson is the brilliant suave Headmaster of a great English boarding Public School Inspired by actual events Howson s Choice is a tale of the explosive consequences when the Headmaster has a series of encounters with a young call girl **The V-Crew** Mike Checansky,2012-06-20 Mike Checansky was born in Chicago Illinois in 1939 The family moved to Los Angeles where the author attended school He struggled in elementary school but had an easy time in high school He received his BS and High School Teaching Credential from Cal State University Northridge Later he earned a Special Education Teaching Credential from San Jose State He got married during his college years and has been married for over 50 years He is very proud of his three children and three grandchildren Having taught for over 32 years the author is now retired THE JOHN AND DOROTHY DRURY PAYNE FAMILY Dorothy Payne Krumpelman,2021-01-10 John and Dorothy Drury Payne were a pioneering family that moved to Kentucky from Maryland in 1811 to create a new life and raise their family Their descendants are numerous and have shaped communities in Kentucky and beyond One of the descendants of John and Dorothy Drury Payne was Dorothy Payne Krumpelman who collected genealogical information on a small branch of the family tree over her lifetime This book contains the information Dorothy Payne Krumpelman collected on the family tree of John and Dorothy Drury Payne **Banking on Form** Peter Pook,2013-08-17 Banking on Form is an amusing and irreverent record of a powerfully built young athlete who became caught up in the world of banking Problems confront young Pook as he struggles to combine the art of banking with sex body building and a football career a feat which understandably threatens to overwhelm him until a clever Austrian gentleman steps in with a timely solution Now and Then ,1868
