Letter To A Christian Nation By Sam Harris:

Letter to a Christian Nation Sam Harris, 2011-05-31 A hard hitting polemic against religious fundamentalism Foreword by Richard Dawkins Thousands of people have written to tell me that I am wrong not to believe in God The most hostile of these communications have come from Christians This is ironic as Christians generally imagine that no faith imparts the virtues of love and forgiveness more effectively than their own The truth is that many who claim to be transformed by Christ's love are deeply even murderously intolerant of criticism While we may want to ascribe this to human nature it is clear that such hatred draws considerable support from the Bible How do I know this The most disturbed of my correspondents always cite chapter and verse So begins Letter to a Christian Nation Sam Harris's hard hitting rebuttal of religious fundamentalism and blind belief With deceptively simple arguments he demolishes the myths on which Christianity was built challenges believers to open their eyes to the contradictions of their faith and warns us of the dangers of America's ever increasing unification of Church and State Sam Harris is the author of the New York Times bestseller *The End of Faith* Religion Terror and the Future of Reason and winner of the 2005 PEN Martha Albrand Award for First Non fiction He is a graduate in philosophy from Stanford University and is now completing a doctorate in neuroscience He lives in New York

Lutzer,2008-09-20 In a society where relativism is the most acclaimed philosophy it is of utmost importance that Christians believe absolutely that the Bible is the inerrant Word of God Erwin Lutzer takes readers on a journey of faith where they are asked some of the most fundamental questions a person could ask In his readable yet profound style Lutzer critically examines proof that will determine supernatural authenticity of the Bible [Atheist Personality Disorder](#) John J. Pasquini,2009-06 Fr Pasquini s work puts to death the intellectual hopes for atheism and brings to light the mental disorder behind the atheist mindset With the advances in molecular biology cosmic mathematics and the psychology of atheism atheism has lost its intellectual validity being more the product of a psychological disorder whose origins are found in childhood development **Blogging For Dummies** Susannah Gardner,Shane Birley,2012-01-24 Learn to Compare and use the newest blogging software tools Find your niche and gain an audience Integrate your blog with social media and explore microblogging Make money with advertising and search engine optimization Cover **Getting at Jesus** Peter S. Williams,2019-01-29 Portraying themselves as challenging blind religious dogma with evidence led skepticism the neo atheist movement claims that the New Testament contains unreliable tales about a mythical figure who far from being the resurrected Lord of life may not even have lived This comprehensive critique documents the falsehood of these neo atheist claims correcting their historical and philosophical mistakes to show how we can get at the truth about the historical Jesus *Jesus Is the Way, Truth, Life* Michael Pietrzyk,2020-08-19 If you cannot comfortably say with confidence that Jesus died for your sins and opens the door of salvation for you or that you deny Jesus then this book is for you So many Christians take Jesus for granted and so many people do not understand His torment and the suffering He endured for us We began a spiritual journey when we enter this world We have a natural body and a world full of responsibilities to challenge us on our

journey We are influenced by many outside sources and personal interactions with our family members and friends Ultimately we make the most important decision of our life Do we believe in God and accept Jesus as our Savior or do we reject God and accept atheism When you analyze the facts of the life of Jesus his loving teachings his horrible suffering death and miraculous resurrection you come to understand He did it for you Jesus is the Way the Truth and the Life His teaching brings light into your life Jesus is the gateway to eternal happiness when we leave this world Atheism with its evil influence wants to drag you down and have you reject God Atheists are in total denial about God Jesus supernatural experiences something from nothing and the wisdom in the formation of this universe and mankind Atheists want you to believe you will simply rot in the ground and accept life with no future hope If you are an atheist don't laugh at this thought and concern As a Christian I care for you and your soul That is certainly more than what the atheistic thinking has in mind for you Atheism under the influence of Satan offers you nothing but the door way to eternal conscious separation from God This book is a direct challenge to the thoughts and beliefs of the atheist I wrote this book with the hope it just might stir the mind of a non believer Then believing the Holy Spirit will do the rest Atheism Answered Daniel Horace Fernald,2008-10 In 2006 Sam Harris made quite a stir with his best selling book Letter to a Christian Nation In that book he identified the Christian faith as the source of a host of evils from Sub Saharan AIDS to the imminent threat of a theocratically directed nuclear Holocaust Dr Daniel Horace Fernald first highlights the numerous gaping holes in Harris presentation and then proceeds to challenge the very basis of Harris thesis that Christian faith is by its very nature opposed to reason science and civil discourse Fernald dispels this twisted caricature of Christians and their faith by demonstrating that it is actually the atheist worldview that is irrational and that rationality itself is impossible without the God described in the Old and New Testaments Using an approach adapted from presuppositional Christian apologetics Fernald defends the faith and takes the battle to Harris by showing the intellectual and moral emptiness of atheism Dr Daniel Horace Fernald is an accidental Christian conservative He was born in New York City studied French literature at the Sorbonne University of Paris IV and concluded his professional training by earning a Ph D in Philosophy at Atlanta's Emory University From these inauspicious beginnings he found his way to Christ through an odd and circuitous path A former tenured University professor and refugee from the academic asylum he is the author of over 20 scholarly works As a Paris educated New Yorker and adult convert to Christianity he has survived numerous grillings by wary church elders but is none the worse for wear Dr Fernald currently serves as Executive Director of The Christian Lyceum an independent charitable apologetic education and hospitality ministry Is God a Moral Monster? Paul Copan,2011-01-01 A recent string of popular level books written by the New Atheists have leveled the accusation that the God of the Old Testament is nothing but a bully a murderer and a cosmic child abuser This viewpoint is even making inroads into the church How are Christians to respond to such accusations And how are we to reconcile the seemingly disconnected natures of God portrayed in the two testaments In this timely and readable book apologist Paul Copan takes on

some of the most vexing accusations of our time including God is arrogant and jealous God punishes people too harshly God is guilty of ethnic cleansing God oppresses women God endorses slavery Christianity causes violence and more Copan not only answers God's critics he also shows how to read both the Old and New Testaments faithfully seeing an unchanging righteous and loving God in both *Biblical Preaching and Teaching Volume 2* D Min Dallas R Burdette,2010-02 One objective of this book is to set forth the heart of God's Gospel This volume is composed of a compilation of sermons and in depth studies designed to strengthen and encourage Christians in their daily walk with God and with one another Since the Cross of Christ is pivotal to a proper understanding of Christianity numerous chapters in this book explore the ins and outs of the importance of the Cross in the lives of God's people Not only does this book focus upon the scheme of God's redemption and evangelism as a part of every believer's ministry it also calls attention to Christian apologetics that is a defense of Christianity Three chapters are devoted to this kind of study 1 Christianity versus Skepticism 2 Credibility and Candor of the New Testament Writers and 3 Paul's Conversion Apologetic for Christianity Also this book allocates three chapters to the subject of baptism and its meaning to God's children And finally four chapters are dedicated to a detailed study of worship within the Christian community Dallas Burdette has been a serious student teacher and preacher of the Bible for fifty eight years supporting himself for many years as an agent for AFLAC He has written numerous articles for religious journals as well as many essays and sermons which are available on his website www.freedominchrist.net He has developed a keen interest in promoting unity among God's people through a more accurate reading of the Word He has degrees from Amridge University formerly Southern Christian University where he also was Director of Extended Learning for five years He holds the Doctor of Ministry degree 1999 from Erskine Theological Seminary *After the New Atheist Debate* Phil Ryan,2014-01-01 Drawing on the social sciences philosophy and theology Ryan examines the claims of the New Atheists and of their various religious and secular opponents and finds both sides wanting *The Fatal Flaw* Jerry Garlough,2012-12-13 Does it not seem strange that these patrons of truth have no actual base for the truth they espouse Should not these champions of reason offer some plausible foundation for the rational thought they employ Who can but doubt these adversaries of God who cannot even account for the moral sense by which they denounce Him What shall we say of masters of science who would deprive science of the undergirding of truth and reason These are not lords of their own domain as they might suppose They are squatters on a land belonging to another mere pretenders plagiarizers of values not their own Like the Prodigal Son they have taken the resources bequeathed by a loving Father and squandered them in futile meanderings No one should take these men as seriously as they take themselves They are not reaching for the far horizon line Rather they are trapped in their tiny cramped valley called physicality and have chosen to ignore every other doorway to reality They are not men reaching for the stars They are rather like those who wade through muck and mire stirring up more as they go

The God Debaters Adrian Rosenfeldt,2022-05-04 This book examines the post 9 11 God debate in the West Through a

close study of prominent English God debaters Richard Dawkins Karen Armstrong Christopher Hitchens and Terry Eagleton Adrian Rosenfeldt demonstrates that New Atheist and religious apologist ideas and arguments about God science and identity are driven by mythic autobiographical narratives and Protestant or Catholic cultural heritage This study is informed by criticism of the New Atheist polemic as being positivistic and the religious apologists as propagating sophisticated theology In both cases the God debaters are perceived as disassociating themselves from human lived experience It is through reconnecting the God debaters intellectual ideas to their cultural and social background that the God debate can be grounded in a recognisable human reality that eludes reductive distinctions and disembodied abstractions The Proven God Thomas W. Balderston, 2011 Philosophers scientists and Atheists seem to have a tendency toward avoiding God in positing their premises However Divine Law should not be excluded from analysis In actuality God And The Bible have played more of a role in the education and development of the minds of major thinkers than you might think In the Proven God Balderston suggests that the Big Bang Theory and other scientific and philosophical conventions are influenced by the Divine and indicative of the Truth God is real Denial of God too often reigns supreme and For The wrong reasons Through an exploration of the centuries greatest thinkers eyes will open To The farce that is a reality without God who is the cause of all we enjoy and who provides our enlightenment In an interesting analysis of a broad range of philosophical viewpoints Balderston explores those who have converted from being an atheist non believer to being Christian and maintained their logic The book concludes with advice on how to live with doubt An issue that is pervasive For The believer And The non believer alike Through our own doubts we experience our existence and understand our purpose Allow this read to awaken you to a new enlightenment and age of reason a clarification and understanding of modern thinking And The attributes of the Divine
