The Fall of Hades Jeffrey Thomas, 2014-02 The Fall of Hades is the shocking new novel and sequel to Letters From Hades A HELLYISH TOUR DE FORCE OF THE IMAGINATION A young woman emerges from a catatonic state to find herself naked and devoid of memory a centuries long prisoner of an apocalyptic battle between formerly human avenging Angels rebel bands of the Damned and monstrous Demons of every description With only a sentient talking gun for a companion she sets out to explore a radically transfigured Hell her own surprising past and the bulletproof fierceness of the human spirit The Fall of Hades is a shocking and subversive journey into a post industrial cyber inferno from the author of Beautiful Hell Voices from Hades and the cult novel Letters from Hades about which Jeff VanderMeer said Jeffrey Thomas visions of Hell are as compelling and as beautifully horrific as any ever put down on paper

Vile Things Ramsey Campbell, Tim Curran, Randy Chandler, Graham Masterton, 2009-05-05 Vile Things is the ultimate collection of extreme horror with 15 unspeakably gruesome cringe worthy and sometimes disturbingly hilarious tales and above all else an entertaining and damn good fun read The stories most of which are previously unpublished include a wide range of subjects the Jersey Devil zombies sadistic Nazis insatiable ghouls perverted fishermen a cult of Basilisk tequila worms and much more FANGORIA MAGAZINE REVIEW This book is not just your basic horror stories This is extreme shit Edited by Cheryl Mullenax VILE THINGS EXTREME DEVIATIONS OF HORROR is not for the light horror fan The stories are not just extreme horror but also extreme

gore and sex a triple threat of fun in my eyes This book is a definite for any extreme horror fan Full of terror sex and gore I don't recommend this for the faint of heart or for a light read at a beauty salon MONSTER LIBRARIAN REVIEW Vile Things is one of the stronger horror anthologies I have come across in some time I would say that while there are definitely some stronger and gorier stories in this collection than in other horror anthologies Vile Things offers some excellent horror tales and is highly recommended for public libraries RUE MORGUE MAGAZINE REVIEW The most striking fiction is often rooted directly in reality and this is especially true for the stories found in Vile Things Most of these tales collected by editor Cheryl Mullenax begin with plausible everyday situations and then darken quickly to trap the reader in twisted supernatural plotlines that teem with the imagination's most repulsive creations including parasitic mutations a spate of festering fungal rashes and many other rancid and well vile things But dismembered members aside there are no cheap gross outs here even though the focus is clearly on the vile and unpalatable these don't feel like stories that were written with the sole purpose of being labeled extreme horror or to merely revel in their graphic gory descriptions Simply put Vile Things is every deviant horror fan's wet dream

Beautiful Hell Jeffrey Thomas, 2013-03 Wildly imagined Publishers Weekly I thoroughly enjoyed reading Beautiful Hell Fangoria.com Hades is in upheaval The Damned are rebelling and worse the more human-like breeds of Demons are beginning to sympathize with their plight The Creator Himself decides to venture into Hades to address this conflict a conflict which may test His very sanity and make him a target of assassination Against this tense background a Damned man named Frank Lyre and a beautiful winged Demon named Oni act out a passionate love affair but they too will be swept into a battle that may decide the future of all Creation Subversive sexy poetic and nightmarish Beautiful Hell is set in the world of Jeffrey Thomas short story collection Voices From Hades and the novels The Fall of Hades and Letters From Hades about which F. Paul Wilson said Jeffrey Thomas' imagination is as twisted as it is relentless
