Dukes,2011-11-01 Thinking beyond your church matters because the unity of the church is imperative in order for the work of God to happen in our city and in our world And not just unity in the one local church family that you call your own When all followers of Jesus actually love one another like Jesus loved us living according to His ways rather than our own then the world will see and in turn believe that Jesus was actually sent as the Son of God This is the unity Jesus prayed for It should be lived out among His followers and can only be present when God is the force holding us all together In this new release by pastor Jason Dukes you will explore this unity and discover how it can become part of the DNA of your local church expression Called to Stay Caleb Breakey,2013-10-01 Will You Stay Caleb Breakey prays to God you do In Called to Stay Breakey takes a refreshingly honest look at the church the problem of Millennials leaving and the stark reality of why the church desperately needs them He holds nothing back as he unleashes an ambitious rallying cry to heal the church and inject his generation's desire for truth passion and conviction into other believers Caleb knows that answering the challenge of his own generation leads to a transformed church And a changed church can change the world **Everything** Mary DeMuth,2012-10-15 I don't write this book as a condemnation or as a sermon The last thing I want to do is provide a how to be the best Christian in ten easy steps guide I pen these words as a fellow struggler who is learning that what we think about God matters how we allow Him to reign in our hearts matters and how we obey Him in the moment matters It all matters Everything Author and speaker Mary DeMuth has been abused foreclosed abandoned and betrayed She has been pressed and drained till it was too much But it was just enough to bring her to a place of surrender piece by precious piece In that surrender she found the freedom of giving everything to God And through Scripture community and the work of the Holy Spirit she gives it all over again every day In this gentle and challenging book DeMuth describes the process and the nuances that shape us to be more like Christ Her words are clear vulnerable and thought provoking and every chapter is infused with Scripture Most of all DeMuth provides personal and practical evidence that there is no greater pursuit than Christ We must surrender everything but it does not compare to the Everything He is the Everything He gives
