Low Red Moon By Ivy Devlin:

Low Red Moon Ivy Devlin, 2011-02-07 The only thing Avery Hood can remember about the night her parents died is that she saw silver deadly silver moving inhumanly fast As much as she wants to remember who killed her parents she can't and there's nothing left to do but try to piece her life back together Then Avery meets the new boy in school Ben mysterious and beautiful with whom she feels a connection like nothing she's ever experienced before When Ben reveals he's a werewolf Avery still trusts him at first Then she sees that sometimes his eyes flash an inhuman silver And she learns that she's not the only one who can't remember the night her parents died Part murder mystery part grief narrative and part heart stopping headlong romance Low Red Moon is a must read for teen paranormal fans As breathless as Twilight and as spooky as Shiver this is a book to be devoured in one sitting by an acclaimed YA author making her paranormal debut under the pseudonym Ivy Devlin

Moonrise Ivy Devlin, 2014-01-07 Avery and Ben are just beginning to explore the depth of the bond that links them Their ability to sense each other's feelings and Avery's mysterious connection to the forest mean that their love is unlike any other But even such a perfect bond can be strained by jealousy and when Hope a gorgeous girl from Ben's old life arrives in town Avery can't help but feel threatened And in more ways than one because someone is trying to kill her again Also new in town are a pair of Hunters men who know about werewolves and who seek only to destroy what they can't understand Hope is connected to the Hunters somehow but by the time Avery figures out her secret it's too late and someone will pay with their life With the glowing emotional language that made Low Red Moon such an irresistible read Moonrise ups the romantic stakes with a heart tugging sacrifice that testifies to the power of love [Werewolves and Other Shapeshifters in Popular Culture](#)

Kimberley McMahon-Coleman, Roslyn Weaver, 2014-10-01 In recent years shapeshifting characters in literature film and television have been on the rise This has followed the increased use of such characters as metaphors with novelists and critics identifying specific meanings and topics behind them This book aims to unravel the shapeshifting trope Rather than pursue a case based study the works are grouped around specific themes adolescence gender sexuality race disability addiction and spirituality that are explored through the metaphor of shapeshifting Because of the transformative possibilities of this metaphor and its flexibility the shapeshifter has the potential to change how we see our world With coverage of iconic fantasy texts and a focus on current works the book engages with the shapeshifting figure in popular culture from the United States Canada the United Kingdom and Australia Instructors considering this book for use in a course may request an examination copy here

The Mammoth Book of Best New Horror 22 Stephen Jones, 2011-10-20 The year's best and darkest tales of terror showcasing the most outstanding new short stories and novellas by both contemporary masters of the macabre and exciting newcomers As ever this acclaimed anthology also offers the most comprehensive annual overview of horror around the world in all its incarnations a comprehensive necrology of famous names and a list of indispensable contact addresses for the dedicated horror fan and writer alike The Mammoth Book of Best New Horror

remains the world's leading annual anthology dedicated solely to presenting the best in contemporary horror fiction

Read On...Speculative Fiction for Teens Jamie Kallio, 2012-08-14 This guide offers exciting new reading paths for students who enjoy fantasy science fiction and paranormal themes With over 350 titles organized into their primary appeal characteristics and scores of thematic lists librarians and educators will benefit from lists of contemporary selections specifically written for teens Interest in teen fiction has grown in popularity in the last decade especially within the fantasy and paranormal genres This timely guide is one of the few books on the subject that lists titles that are written specifically for teens Read On Speculative Fiction for Teens features popular contemporary themes ranging from vampire love and ghost stories to epic fantasy and out of this world science fiction Each of the five chapters caters to a specific area of interest story character setting mood and language and within the chapter numerous lists of novels are organized by topic with the best titles highlighted Each of the more than 350 listed titles includes bibliographic information and a brief punchy description

School Library Journal, 2010 **Official Stud Book and Registry of the American Quarter Horse Association** American Quarter Horse Association, 1983 **AB Bookman's Weekly**, 1994 **Science Fiction, Horror & Fantasy Film and Television Credits: Actor and actress credits. Director, producer, screenwriter, cinematographer, special effects technician, make-up artist, art director, and other credits** Harris M. Lentz (III.), 2001 Harness Horse, 1990

The Spectator, 1971 The Virgin Illustrated Encyclopedia of Pop & Rock Nic Oliver, 2002 Cut through the haze of rock reference with the updated second edition of this illustrated encyclopedia There are over 1800 entries on the stars who have shaped rock history whether they were destined to become icons or bygones influential or infamous Each entry provides essential facts and opinion on songwriters musicians and producers and includes a sidebar of star rated recommended albums There are over 600 images to complement the text and a full album listing for each act at the back of the book
